**VOTING**

All Resolutions shall be conducted by poll.

*Voting by proxy*

To vote by proxy, please complete and sign the enclosed Proxy Form and return by the time and in accordance with the instructions set out on the Proxy Form.

**Your Proxy Form must be received by 9.00am (WST) on Wednesday, 27 November 2024, being not later than 48 hours before the commencement of the Meeting. Any Proxy Form received after that time will not be valid for the scheduled Meeting.**

In accordance with section 249L of the Corporations Act, Shareholders are advised that:

- each Shareholder has a right to appoint a proxy;
- the proxy need not be a Shareholder of the Company; and
- a Shareholder who is entitled to cast two (2) or more votes may appoint two (2) proxies and may specify the proportion or number of votes each proxy is appointed to exercise. If the member appoints two (2) proxies and the appointment does not specify the proportion or number of the member's votes, then in accordance with section 249X(3) of the Corporations Act, each proxy may exercise one-half of the votes.

Shareholders and their proxies should be aware that:

- if proxy holders vote, they must cast all directed proxies as directed; and
- any directed proxies which are not voted will automatically default to the Chair, who must vote the proxies as directed.

*Voting in person*

To vote in person, attend the Meeting at the time, date and place set out above.

You may still attend the Meeting and vote in person even if you have appointed a proxy. If you have previously submitted a Proxy Form, your attendance will not revoke your proxy appointment unless you actually vote at the Meeting for which the proxy is proposed to be used, in which case, the proxy's appointment is deemed to be revoked with respect to voting on that Resolution.

Please bring your personalised Proxy Form with you as it will help you to register your attendance at the Meeting. If you do not bring your Proxy Form with you, you can still attend the Meeting but representatives from the Company will need to verify your identity.

Accordingly, the Directors strongly encourage all Shareholders to lodge a directed Proxy Form prior to the Meeting and appoint the Chair as their proxy.

*Voting by a corporation*

A body corporate that is a Shareholder or which has been appointed as a proxy, may appoint an individual to act as its representative at the Meeting. The appointment must comply with the requirements of section 250D of the Corporations Act. The representative should bring to the Annual General Meeting evidence of their appointment, including any authority under which it is signed, unless it has previously been given to the Company.

2. The Explanatory Statement to Shareholders attached to this Notice of Meeting is hereby incorporated into and forms part of this Notice of Meeting.
3. The Directors have determined in accordance with Regulation 7.11.37 of the *Corporations Regulations 2001* (Cth) that, for the purposes of voting at the Meeting, shares will be taken to be held by the registered holders at 4.00pm (WST) on Wednesday, 27 November 2024.

**BY ORDER OF THE BOARD**

Dan Travers  
COMPANY SECRETARY

Dated this 8<sup>th</sup> day of October 2024

**EXPLANATORY STATEMENT**

The purpose of the Explanatory Statement is to provide Shareholders with information concerning all of the Agenda Items in the Notice of Annual General Meeting.

Certain abbreviations and other defined terms are used throughout this Explanatory Statement. Defined terms are generally identifiable by the use of an upper case first letter. Details of the definitions and abbreviations are set out in the Glossary to the Explanatory Statement.

**1. Discussion of Financial Statements and Reports**

The Company's annual financial report for the financial year ended 30 June 2024, together with the declaration of the Directors, the Directors' report and the auditor's report are placed before the Annual General Meeting thereby giving Shareholders the opportunity to discuss those documents and to ask questions. The auditor will be attending the Annual General Meeting and will be available to answer any questions relevant to:

- the conduct of the audit;
- the preparation and content of the independent audit report;
- the accounting policies adopted by the Company in relation to the preparation of the financial statement; and
- the independence of the auditor in relation to the conduct of the audit.

Shareholders should consider these documents and raise any matters of interest with the Directors when this item is being considered.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available for download from the Company's website ([www.enrl.com.au](http://www.enrl.com.au)).

---

**2. Adoption of Remuneration Report**

Section 250R(2) of the Corporations Act requires the Company to present to its Shareholders the Remuneration Report, as disclosed in the Company's Annual Report.

The Resolution is advisory only and does not bind the Directors or the Company. The Annual Report (together with the Remuneration Report) is available on the Company's website ([www.enrl.com.au](http://www.enrl.com.au)).

Under the Corporations Act, if at least 25% of the votes cast on the Resolution to Agenda Item 2 are voted against adoption of the Remuneration Report at the Annual General Meeting, and then again at the Company's next annual general meeting, the Company will be required to put to Shareholders a resolution proposing the calling of a general meeting to consider the appointment of Directors of the Company (**Spill Resolution**).

If more than 50% of Shareholders vote in favour of the Spill Resolution, the Company must convene the general meeting (**Spill Meeting**) within 90 days of the Company's Annual General Meeting. All of the Directors who were in office when the Company's Directors' report was approved, other than the Managing Director of the Company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting. Following the Spill Meeting, those persons whose election or re-election as Directors is approved will be the Directors of the Company.

The proportion of votes cast in a poll against the adoption of the 2023 Remuneration Report was less than 25% of the total votes cast. Accordingly, the Spill Resolution is not relevant for this Annual General Meeting.

The Remuneration Report explains the Board policies in relation to the nature and level of remuneration paid to the Directors and sets out the Company's remuneration arrangements for each of the Directors and senior management of the Company for the financial year ended 30 June 2024. The Remuneration Report is part of the Directors' report contained in the annual financial report of the Company for the financial year ended 30 June 2024.

A reasonable opportunity will be provided for discussion of the Remuneration Report at the Annual General Meeting.

The Board considers that its current practices of setting executive and non-executive remuneration are within normal industry expectations, and provides an effective balance between the need to attract and retain the services of the highly skilled Key Management Personnel that the Company requires. As such the Directors recommend that Shareholders vote in favour of the Resolution to Agenda Item 2.

**Voting**

Note that a voting exclusion applies to Agenda Item 2 in the terms set out in the Notice of Meeting. In particular, the Directors and other Restricted Voters may not vote on this Resolution and may not cast a vote as proxy, unless the appointment gives a direction on how to vote or the proxy is given to the Chair and expressly authorises the Chair to

**EXPLANATORY STATEMENT**

exercise your proxy even if the Resolution is connected directly or indirectly with the remuneration of a member of the Key Management Personnel.

By appointing the Chair as proxy, and not providing voting directions, you are considered to have expressly authorised the Chair to exercise your proxy, even though the Resolution may be connected directly or indirectly with the remuneration of a member of the Key Management Personnel. The Chair will use any such proxies to vote in favour of the Resolution.

Shareholders are urged to carefully read the Proxy Form and provide a direction to the proxy on how to vote on this Resolution.

**4. Approval of Additional 10% Placement Capacity**  
as a Special Resolution

**4.1 Background**

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of the period.

Listing Rule 7.1A enables eligible entities to issue Equity Securities up to 10% of its issued share capital without shareholder approval over a 12 month period after the annual general meeting at which a resolution for the purposes of Listing Rule 7.1A is passed by special resolution (**Additional 10% Placement Capacity**). The Additional 10% Placement Capacity is in addition to the Company's 15% placement capacity under Listing Rule 7.1.

An entity will be eligible to seek approval under Listing Rule 7.1A if: (a) the entity has a market capitalisation of \$300 million or less; and (b) the entity is not included in the S&P/ASX 300 Index as at the date of the Meeting. The Company's market capitalisation as at 3 October 2024 was \$192m (based on the number of Shares on issue and the closing price of Shares on 3 October 2024) and therefore the Board considers that it is an eligible entity for the purposes of Listing Rule 7.1A.

**EXPLANATORY STATEMENT**

The number of Equity Securities to be issued under the Additional 10% Placement Capacity will be determined in accordance with the formula set out in Listing Rule 7.1A.2.

The Company is putting Agenda Item 5 to Shareholders to seek approval by way of special resolution to issue additional Equity Securities under the Additional 10% Placement Capacity.

This Resolution does not mean that the Company will necessarily utilise the Additional 10% Placement Capacity. Rather, capital markets have recently been in a state of fluctuation and the Directors acknowledge that they may need to act quickly to raise funds when favourable markets emerge. The Company's failure to raise capital, if and when needed, could delay or suspend the Company's business strategy and could have a material adverse effect on the Company's activities. Under these circumstances, the Additional 10% Placement Capacity will provide flexibility for the Company to issue additional securities, in the event that the Directors determine that the issue of the additional securities is in the interests of the Shareholders and the Company in achieving its objectives.

**4.2 Listing Rule 7.1A**

The effect of Agenda Item 5 will be to permit the Company to issue the Equity Securities under Listing Rule 7.1A during the Additional Placement Period (as defined below) without using the Company's 15% placement capacity under Listing Rule 7.1.

Equity Securities issued under the Additional 10% Placement Capacity must be in the same class as an existing quoted class of Equity Securities of the Company. As at the date of this Notice, the Company has quoted securities in the form of Shares on issue.

As at the date of this Notice, the Company has 451,828,054 Shares on issue and therefore, subject to Shareholder approval being obtained under Agenda Item 5, up to 45,182,805 Equity Securities will be permitted to be issued in accordance with Listing Rule 7.1A. Shareholders should note that the calculation of the number of Equity Securities permitted to be issued under the Additional 10% Placement Capacity is a moving calculation and will be based on the formula set out in Listing Rule 7.1A at the time of issue of the Equity Securities. The table on the page below demonstrates various examples as to the number of Equity Securities that may be issued under the Additional 10% Placement Capacity.

The Resolution in relation to Agenda Item 5 is a special resolution, requiring approval of 75% of the votes cast by Shareholders present and eligible to vote (in person, by proxy, by attorney or, in the case of a corporate Shareholder, by a corporate representative) in order to be passed.

**4.3 Specific Information Required by Listing Rule 7.3A**

The following information is provided to Shareholders for the purposes of Listing Rule 7.3A:

- (a) The Equity Securities issued under the Additional 10% Placement Capacity must be in the same class as an existing quoted class of Equity Securities of the Company and be issued at an issue price (being for a cash consideration per security) which is not less than 75% of the volume weighted average price for the Company's Equity Securities in that class, calculated over the 15 Trading Days on which trades in that class were recorded immediately before:
  - (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or
  - (ii) if the Equity Securities are not issued within 10 Trading Days of the date in paragraph (i) above, the date on which the Equity Securities are issued.
- (b) If the Resolution in relation to Agenda Item 5 is approved by Shareholders and the Company issues Equity Securities under the Additional 10% Placement Capacity, the existing Shareholders' economic and voting interests in the Company will be diluted. There is also a risk that:
  - (i) the market price for the Company's Equity Securities may be significantly lower on the date of the issue of the Equity Securities than on the date of the Meeting; and
  - (ii) the Equity Securities may be issued at a price that is at a discount to the market price for the Company's Equity Securities on the issue date of the Equity Securities,

which may have an effect on the amount of funds raised by the issue of the Equity Securities.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 3 October 2024.

## EXPLANATORY STATEMENT

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the Additional 10% Placement Capacity.

Number of Shares on issue (Variable A in Listing Rule 7.1A.2)	Number of Shares issued and funds raised under the Additional 10% Placement Capacity and dilution effect	Dilution

	Funds raised	\$19,202,692	\$38,405,385	\$57,608,077
	Dilution	10%	10%	10%

The table shows:

- (i) examples of where Variable A is at its current level, and where Variable A has increased by 50% and by 100%;
- (ii) examples of where the issue price of ordinary securities is the current market price as at close of trade on 3 October 2024 (current market price), where the issue price has decreased by 50%, and where it is increased by 50%; and
- (iii) the dilutionary effect will always be 10% if the maximum number of Equity Securities that may be issued under the Additional 10% Placement Capacity are issued.

Note: this table assumes:

- (i) no Options are exercised before the date of the issue of the Equity Securities;
- (ii) the Company issues the maximum number of Equity Securities under the Additional 10% Placement Capacity and the Equity Securities issued consist only of Shares; and
- (iii) the table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the Additional 10% Placement Facility, based on that Shareholders' holding at the date of the Annual General Meeting.

The table shows only the effect of issues of Equity Securities under Listing Rule 7.1A, not under the 15% placement capacity under Listing Rule 7.1.

- (c) Approval of the Additional 10% Placement Capacity will be valid from the date of the Annual General Meeting and will expire on the earlier of:
  - (i) the date that is 12 months after the date of the Annual General Meeting;
  - (ii) the time and date of the Company's next annual general meeting; and
  - (iii) the time and date of the approval by Shareholders of any transaction under Listing Rules 11.1.2 (a significant change to the nature or scale of activities) or 11.2 (disposal of main undertaking),

**(Additional Placement Period).**

The Company must issue the Equity Securities under the Additional 10% Placement Capacity for cash consideration.

## EXPLANATORY STATEMENT

- (d) Pursuant to Listing Rule 7.3A.3, if Equity Securities are issued under the Additional 10% Placement Capacity, the Company intends to use the funds to advance its exploration programs, assess and acquire exploration assets and for general working capital purposes.

The Company will comply with the disclosure obligations under Listing Rule 7.1A.4 upon issue of any Equity Securities.

- (e) The Company's allocation policy for the issue of Equity Securities under the Additional 10% Placement Capacity will be dependent on the prevailing market conditions at the time of the proposed placement(s), if one were to occur. Securities allotted pursuant to the allocation policy will be determined following consideration of a number of factors including, but not limited to, the following matters:

- (i) the ability of the Company to raise funds at the time of the proposed issue of Equity Securities;
- (ii) the dilutionary effect of the proposed of the issue of the Equity Securities on existing Shareholders at the time of proposed issued of Equity Securities;
- (iii) the financial situation and solvency of the Company; and
- (iv) advice from its professional advisers, including corporate, financial and broking advisers (if applicable).

At the date of this Notice, the Company has not formed an intention as to whether the securities will be offered to existing security holders, or to any class or group of existing security holders, or whether the securities will be offered exclusively to new investors that have not previously been security holders of the Company. The Company will give consideration before making any placement of securities under Listing Rule 7.1A whether the raising of any funds under such placement could be carried out in whole, or in part, by an entitlement offer to existing security holders.

The allottees under the Additional 10% Placement Capacity have not been determined as at the date of this Notice but could consist of current Shareholders or new investors (or both), none of whom will be related parties (or their associates) of the Company.

- (f) The Company previously obtained approval from its Shareholders pursuant to Listing Rule 7.1A at its 2023 Annual General Meeting on 24 November 2023 (**Previous Approval**) and the Company has issued a total of 40,225,078 Equity Securities pursuant to that Previous Approval, representing ~10% of the Equity Securities on issue at the commencement of the 12 month period preceding the Meeting, being on and from 24 November 2023, as follows:

Date of Appendix 3B or Appendix 3G/2A	Number of Equity Securities	Class of Equity Securities and summary of terms	Names of recipients or basis on which recipients determined	Issue price of Equity Securities and discount to closing price on the date of issue	<p>If issued for cash – the total consideration, what it was spent on and the intended use of any remaining funds</p> <p>If issued for non-cash consideration – a description of the consideration and the current value of the consideration</p>
5 April 2024 (Appendix 3B), 11 April 2024 (Appendix 2A)	40,225,078 ordinary fully paid shares	Ordinary fully paid shares (ENR)	Issued to professional and sophisticated investors pursuant to a bookbuild process undertaken by Canaccord Genuity (Australia) Limited and Chieftain Securities (WA) Pty Ltd who acted as Joint Lead Managers to the Placement.	<p>Issued at \$0.22 per Share on 11 April 2024.</p> <p>Closing price on date of issue was \$0.270 per Share, representing a 18.5% discount to last traded price (a 7.5% discount to the 5-day volume weighted average price when terms agreed).</p>	<p>Total consideration received \$8,849,517. None of these funds have been expended to date.</p> <p>Funds to be used for: Drilling and geophysics at the Aileron Project to test for additional targets and extensions of known mineralisation, initial metallurgical assessment at Aileron and copper exploration in the Northern Territory and Western Australia.</p>

- (g) As at the date of this Notice, the Company is not proposing to make an issue of Equity Securities under Listing Rule 7.1A. Accordingly, a voting exclusion statement is not included in this Notice in respect of Agenda Item 5.

## EXPLANATORY STATEMENT

**4.4 Technical Information Required by Listing Rule 14.1A**

If the Resolution in relation to Agenda Item 5 is passed, the Company will be able to issue additional Equity Securities up to the combined 25% of its issued Share capital over a 12 month period after the Annual General Meeting under Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If the Resolution in relation to Agenda Item 5 is not passed, the Company will not be able to access the Additional 10% Placement Capacity to issue Equity Securities without Shareholder approval provided for in Listing Rule 7.1A and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

**4.5 Directors' Recommendation**

The Board recommends Shareholders vote in favour of Agenda Item 5.

---

**5. Adoption of Encounter Resources Limited Performance Rights Plan**  
as an Ordinary Resolution**5.1 Background**

Agenda Item 6 seeks Shareholder approval for the adoption of the Encounter Resources Limited Performance Rights Plan (**Plan**) in accordance with Exception 13 of Listing Rule 7.2.

The Company last received Shareholder approval for its Employee Share and Option Plan (**ESOP**) on 24 November 2023. In consultation with external advisors, the Company has prepared an additional equity incentive plan which will operate separately but alongside the ESOP to accommodate the issue of performance rights to employees (**Plan**).

The maximum number of securities that may be issued pursuant to this approval over the next three years is 22,591,403 (being 5% of the issued capital of the Company at the date of this Notice). It is not envisaged that the maximum number of securities for which approval is sought will be used immediately. For the avoidance of doubt, it is noted that the maximum number of securities for which approval is sought is separate to the approval received in relation to the ESOP on 24 November 2023.

The Plan is designed to provide incentives to the employees, Directors of the Company, and other eligible persons, and to recognise their contribution to the Company's success. Under the Company's current circumstances, the Directors consider that the incentives to employees, Directors, and other eligible persons are a cost effective and efficient incentive for the Company as opposed to alternative forms of incentives such as cash bonuses or increased remuneration. To enable the Company to secure employees, Directors, and other eligible persons who can assist the Company in achieving its objectives, it is necessary to provide remuneration and incentives to such personnel. The Plan is designed to achieve this objective, by encouraging continued improvement in performance over time and by encouraging personnel to acquire and retain significant shareholdings in the Company.

**5.2 Listing Rules 7.1 and 7.2 Exception 13**

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it has on issue at the start of that period.

Shareholder approval is required if any issue of Performance Rights pursuant to the Plan is to fall within the exception to the calculation of the 15% limit imposed by Listing Rule 7.1 on the number of securities which may be issued without Shareholder approval. Listing Rule 7.2 provides certain exceptions to Listing Rule 7.1, allowing certain issues of securities to be excluded from the calculation of the number of securities issued during the 12 months period. Accordingly, Shareholder approval is sought for the purposes of Listing Rule 7.2 Exception 13(b) which provides that Listing Rule 7.1 does not apply to an issue of securities under an employee incentive scheme, if within three years of the date of issue of the securities, the holders of the entity's ordinary securities have approved the issue of Equity Securities under the scheme as exception to Listing Rule 7.1.

Exception 13(b) is only available if and to the extent that the number of Equity Securities issued under the scheme does not exceed the maximum number set out in the entity's notice of meeting dispatched to shareholders in respect of the meeting at which shareholder approval was obtained pursuant to Listing Rule 7.2 (Exception 13(b)). Exception 13(b) also ceases to be available if there is a material change to the terms of the scheme from those set out in Schedule 2 of the Notice of Meeting.

Prior Shareholder approval will be required before any Director or related party of the Company can participate in the Plan.

## EXPLANATORY STATEMENT

Under the Plan, the Board may offer to eligible persons the opportunity to subscribe for such number of Performance Rights in the Company as the Board may decide, and on the terms set out in the rules of the Plan. Performance Rights granted under the Plan will be offered to participants in the Plan on the basis of the Board's view of the contribution of the eligible person to the Company.

### 5.3 Specific Information Required by Listing Rule 7.2 Exception 13

In accordance with the requirements of Listing Rule 7.2 Exception 13(b), the following information is provided:

- (a) a summary of the terms and conditions of the Plan is attached at Schedule 2 to this Explanatory Statement;
- (b) as at the date of this Notice, no performance rights have been issued by the Company pursuant to an incentive plan. A total of 1,150,000 Options have been issued by the Company under Listing Rule 7.2, Exception 13(b) pursuant to the ESOP since the last Shareholder approval on 24 November 2023;
- (c) the maximum number of Equity Securities proposed to be issued under the Plan pursuant to Listing Rule 7.2, Exception 13(b), following Shareholder approval is 22,591,403 (being 5% of the issued capital of the Company at the date of this Notice). It is not envisaged that the maximum number of securities for which approval is sought will be used immediately; and
- (d) a voting exclusion statement has been included for the purposes of Agenda Item 5.

### 5.4 Technical Information Required by Listing Rule 14.1A

If Agenda Item 5 is passed, the Company will be able to issue securities under the Plan without impacting on the Company's ability to issue up to 15% of its total ordinary securities pursuant to Listing Rule 7.1 without Shareholder approval in any 3 year period.

If Agenda Item 5 is not passed, the Company will be able to proceed with the issue of securities under the Plan to eligible persons, but any issues of securities will reduce, to that extent, the Company's capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the issue of the securities.

### 5.5 Directors' Recommendation

The Board declines to make a recommendation in relation to this Resolution due to the Directors' potential personal interests in the outcome of the Resolution.

## 6. Information Relating to the Proposed Issue of Incentive Options to Directors – Agenda Items 6 to 9 each as Ordinary Resolutions

Agenda Items 6 to 9 seek Shareholder approval in accordance with Listing Rule 10.11 and Chapter 2E of the Corporations Act for the issue of the Incentive Options to Directors of the Company, as applicable.

### 6.1 Incentive Options

Agenda Items 6 to 9 seek Shareholder approval to allow the Company to issue unlisted incentive securities, being the Incentive Options, to the Directors.

The number of Incentive Options to be granted to each of the Directors has been determined based upon a consideration of:

- (a) the remuneration / fees of the Directors;
- (b) the Directors' wish to ensure that the remuneration / fees offered is competitive with market standards. The Directors have considered the proposed number of Incentive Options to be granted will ensure that the Directors' overall remuneration / fees is in line with market standards; and
- (c) incentives to attract and ensure continuity of service of Directors who have appropriate knowledge and expertise.

The grant of the Incentive Options is considered an appropriate remuneration strategy to align the interests of the individual with those of the Company's strategic plan focusing on optimising performance with the benefits flowing through to enhanced Shareholder returns, whilst also protecting the Company's cash reserves so that they can be directed towards the Company's operations.

**EXPLANATORY STATEMENT****6.2 Technical Information Required by Listing Rule 14.1A**

If any or all of Agenda Items 6 to 9 are passed, the Company will be able to proceed to issue the Incentive Options pursuant to Listing Rule 10.11 to each of the Directors, as incentive-based remuneration.

As it is an exception from Listing Rule 7.1 pursuant to Listing Rule 7.2 Exception 14, if approval for an issue of Equity Securities is obtained under Listing Rule 10.11, the issue of the Incentive Options to the Directors will not utilise any of the Company's placement capacity under that rule.

If any or all of Agenda Items 6 to 9 are not passed, the Company will not be able to proceed with the issue of the Incentive Options to the Directors in respect of whom the relevant Agenda Item is not passed, and the Board may elect to implement alternative remuneration practices, which may be increased cash-based remuneration packages for all Directors, including for executive Directors, or alternative short-term incentive arrangements which may be cash or equity based.

**6.3 Listing Rule 10.11**

Listing Rule 10.11 provides that, unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue Equity Securities (including options) to:

10.11.1 a related party;

10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;

10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;

10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or

10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

If Shareholder approval is given under Listing Rule 10.11, Listing Rule 7.2, Exception 14 provides that Shareholder approval is not required under Listing Rule 7.1.

The issue of the Incentive Options to Directors falls within Listing Rule 10.11.1 (and if the Incentive Options are issued to a nominee who is an associate of the relevant Director, the nominee will fall within Listing Rule 10.11.4 by virtue of being an associate of a Director) and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of the Company's Shareholders under Listing Rule 10.11.

Agenda Items 6 to 9 seek the required Shareholder approval to issue the Incentive Options under and for the purposes of Listing Rule 10.11.

**6.4 Corporations Act - Chapter 2E**

Pursuant to Chapter 2E of the Corporations Act, for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company must:

(a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and

(b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The proposed issue of the Incentive Options constitutes giving a financial benefit, and Messrs Robinson, Bewick, Hronsky and Crutchfield are related parties of the Company by virtue of being current Directors.

Relevantly, there is an exception if the company first obtains the approval of its shareholders in a general meeting in circumstances where certain requirements specified in Chapter 2E of the Corporations Act in relation to the convening of that meeting have been met or where the financial benefit constitutes objectively reasonable remuneration.

Further, section 195(1) of the Corporations Act provides that a director of a public company who has a material personal interest in a matter that is being considered at a directors' meeting must not be present while the matters are being considered at the meeting or vote on the matter. However, section 195(4) of the Corporations Act provides that if there

## EXPLANATORY STATEMENT

are then not enough directors to form a quorum for a directors' meeting, one or more of the directors (including those who have a material personal interest in that matter) may call a general meeting and the general meeting may pass a resolution to deal with the matter.

The Board believes that the issue of the Incentive Options to the Directors constitute reasonable remuneration and an appropriate incentive to the Directors. However, in the interests of good governance and in the current market conditions, the Board believes it is appropriate to give Shareholders the right to vote on these Resolutions under the approval regime of section 195(4) and Chapter 2E of the Corporations Act. Accordingly, the Directors have determined the Shareholders should have the opportunity to vote on the giving of the financial benefit pursuant to section 208 and 195(4) of the Corporations Act under each of Agenda Items 6 to 9.

The following information is provided to Shareholders to allow them to assess the proposed Resolutions:

**(a) The related party to whom the proposed Resolution would permit the financial benefit to be given and nature of financial benefit.**

Subject to Shareholder approval, the Incentive Options will be granted as follows:

Director	Number of Incentive Options	Expiry Date	Exercise Price
<b>Incentive Options:</b>			
Will Robinson (or nominee)	165,000	4 years from Grant Date	150% of 5 day VWAP prior to Issue Date
Peter Bewick (or nominee)	66,000		
Philip Crutchfield (or nominee)	66,000		
Jon Hronsky (or nominee)	66,000		

The Incentive Options will have an expiry date as disclosed in the table above and will be issued in accordance with terms and conditions as set out in Schedule 1 of this Explanatory Statement.

The Directors of the Company consider the indicative theoretical value attributable to the Incentive Options at a valuation date of 3 October 2024 to be as follows, notwithstanding that the Incentive Options will not be issued until after 29 November 2024 being the date of the Annual General Meeting. The table below sets out the indicative value of the Incentive Options.

Director	Number of Incentive Options	Exercise Price	Expiry Date	Indicative Value
Will Robinson (or nominee)	165,000	65.5 cents	3 Oct 2028	\$50,208
Peter Bewick (or nominee)	66,000	65.5 cents	3 Oct 2028	\$20,083
Philip Crutchfield (or nominee)	66,000	65.5 cents	3 Oct 2028	\$20,083
Jon Hronsky (or nominee)	66,000	65.5 cents	3 Oct 2028	\$20,083

The Black and Scholes option valuation methodology was used as a basis for the calculations using the following assumptions:

- The 5 day volume weighted average price of a fully paid Share as at the valuation date of 3 October 2024 was \$0.437.
- The risk free interest rate used was 3.53% (based on the 5 year Reserve Bank treasury bond rates respectively as at 3 October 2024).
- A volatility factor of 111.2% was used to value the Incentive Options as determined using the daily closing Share prices for the last 12 months.
- The Black and Scholes option pricing model assumes that the Incentive Options the subject of the valuation can be sold on a secondary market. The terms and conditions of the proposed Incentive Options state that the Incentive Options shall not be listed for official quotation on ASX.

**EXPLANATORY STATEMENT**

- (v) Any change in the variables applied in the Black and Scholes calculation between the date of the valuation and the date the Incentive Options are granted would have an impact on their value.

**(b) Directors' interest**

Mr Robinson has a material personal interest in the outcome of the Resolution the subject of Agenda Item 6 as the recipient of Incentive Options.

Mr Bewick has a material personal interest in the outcome of the Resolution the subject of Agenda Item 7 as the recipient of Incentive Options.

Mr Crutchfield has a material personal interest in the outcome of the Resolution the subject of Agenda Item 8 as the recipient of Incentive Options.

Dr Hronsky has a material personal interest in the outcome of the Resolution the subject of Agenda Item 9 as the recipient of Incentive Options.

A voting exclusion and a voting prohibition apply to each Director in respect of voting at this Annual General Meeting in respect of the Resolutions in which they have a direct material personal interest.

**(c) Terms and conditions of Incentive Options**

The terms and conditions of the Incentive Options proposed to be granted to the Directors are included at Schedule 1 of this Explanatory Statement.

The Incentive Options will also have the following specific terms as set out in section 6.4(a) of this Explanatory Statement above.

**(d) Other information reasonably required by the Shareholders to make a decision and that is known to the Company or any of its Directors**

The Incentive Options form part of the Company's long-term incentive for employees and are to be granted in addition to the total fixed remuneration/fees set out below. The exercise price of the Incentive Options is linked to improved Share price performance. Importantly, this provides ongoing incentive to increase Shareholder value over time and the exercise price reflects levels in excess of the current market price of the Company's Shares.

The number of Incentive Options to be issued to the Directors has been determined based on the reasons outlined in the Directors' recommendation to Shareholders at section 6.6 of the Explanatory Statement. The number of Incentive Options has also been determined having regard to less tangible factors such as alignment of interests to the Company. The Incentive Options shall be granted for nil consideration to the Directors (or their respective nominees) and will be issued within one month of the date of the Annual General Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules).

Exercise of the Incentive Options is allowable immediately after issue, but only likely to occur if there is sustained upward movement in the Company's Share price.

If the Incentive Options proposed to be granted to the Directors (or their respective nominees) under Agenda Items 6 to 9 are exercised, the Company's issued Share capital would increase by a maximum of 363,000 Shares to a total issued Share capital of 452,191,054 Shares (assuming no other Shares are issued or outstanding Options are exercised), and will represent a maximum of approximately 0.08% of the total issued capital of the Company on a fully diluted basis. The maximum dilution stated is calculated based on all of the Options on issue and the Incentive Options being exercised by payment of the exercise price in full.

Should any of the Directors elect to utilise the cashless exercise provisions, pursuant to rule 1.10 of the terms in Schedule 1 to the Explanatory Statement, this would result in a lesser number of Shares to be issued, and a reduction in the funds receivable by the Company, on the exercise of the Incentive Options.

- (b) each of the Directors are related parties of the Company due to their directorship pursuant to Listing Rule 10.11.1. If the Incentive Options are issued to a nominee who is an associate of the relevant Director, the nominee will fall within the category set out in Listing Rule 10.11.4, by virtue of the nominee being an associate (as defined in the Listing Rules) of a Director;

Agenda Item 6	165,000 Incentive Options

- (g) the Incentive Options will be granted for nil consideration and there is no issue price. As such, no funds will be raised by the grant of the Incentive Options;
- (h) the Incentive Options are intended to remunerate and incentivise each Director, as applicable. Each Directors' remuneration package is set out in section 6.4(d) of the Explanatory Statement above;
- (i) the Incentive Options are not proposed to be issued pursuant to an agreement;
- (j) the Company is not aware of any other information that is reasonably required by Shareholders to allow them to decide whether it is in the best interests of the Company to pass Agenda Items 6 to 9; and
- (k) voting exclusions statements apply to Agenda Items 6 to 9 and are set out in the Notice of Meeting.

**6.6 Directors' Recommendations**

As set out in section 6.4(b), the Directors have a material personal interest in the outcome of Agenda Items 6 to 9 on the basis that all Directors (or their nominees) are to be issued Incentive Options should the Resolutions to Agenda Items 6 to 9 be passed. For this reason, the Directors do not believe that it is appropriate to make a recommendation on Agenda Items 6 to 9.

Agenda Items 7, 8 and 9 propose the issue of Incentive Options to Non-Executive Directors, which is not consistent with the Recommendations of the ASX Corporate Governance Council (Principle 8) 4<sup>th</sup> Edition. The Board considers that the proposed issue of Incentive Options to Non-Executive Directors will align their interests with those of existing security holders in general, but are not likely to lead to bias in their decision making or compromise their objectivity.

## EXPLANATORY STATEMENT

---

**7. Ratification of Placement Shares –Listing Rule 7.1 and Listing Rule 7.1A – Agenda Items 10 and 11**

each as ordinary resolutions

**7.1 General**

On 11 April 2024, the Company issued 47,727,273 Shares at an issue price of \$0.22 per Share (**Placement Shares**) to raise approximately \$10.5 million (**Placement**). This consisted of:

- 7,502,195 Placement Shares that were issued pursuant to the Company's capacity under Listing Rule 7.1 (being, the subject of Agenda Item 10); and
- 40,225,078 Placement Shares that were issued pursuant to the Company's capacity under Listing Rule 7.1A (being the subject of Agenda Item 11).

The Company engaged the services of Canaccord Genuity (Australia) Limited and Chieftain Securities (WA) Pty Ltd (**Joint Lead Managers**), to manage the issue of the Placement Shares. The Company has paid the Joint Lead Managers a cash placement fee of \$525,000 (being 5% of the gross amount raised pursuant to the Placement).

**7.2 Listing Rule 7.1 and Listing Rule 7.1A**

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the number of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A however, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%.

The Company obtained approval to increase its limit to 25% at its last annual general meeting. At the time approval was obtained, the Company was an Eligible Entity as it was not included in the S&P/ASX 300 Index and had a market capitalisation of less than \$300 million.

The issue of the Placement Shares under the Placement does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1 and 10% limit in Listing Rule 7.1A as shown above, reducing the Company's capacity to issue further Equity Securities without Shareholder approval under Listing Rules 7.1 and 7.1A for the 12 month period following the date of issue of the Placement Shares.

**7.3 Listing Rule 7.4**

Listing Rule 7.4 sets out an exception to Listing Rule 7.1 and 7.1A. It provides that where a company in general meeting ratifies the previous issue of securities made pursuant to Listing Rule 7.1 or 7.1A (and provided that the previous issue did not breach Listing Rule 7.1 or 7.1A) those securities will be deemed to have been made with shareholder approval for the purposes of Listing Rule 7.1 and 7.1A.

By ratifying this issue, the Company will retain the flexibility to issue Equity Securities in the future up to the 15% annual placement capacity set out in Listing Rule 7.1 and up to the Additional 10% Placement Capacity set out in Listing Rule 7.1A without the requirement to obtain prior Shareholder approval.

Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Placement Shares.

**7.4 Technical Information Required by Listing Rule 14.1A**

If Agenda Items 10 and 11 are passed, the Placement Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1 and the Company's Additional 10% Placement Capacity in Listing Rule 7.1A, effectively increasing the number of Equity Securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Placement Shares.

If Agenda Items 10 and 11 are not passed, the Placement Shares will be included in calculating the Company's 15% limit in Listing Rule 7.1 and the Company's Additional 10% Placement Capacity in Listing Rule 7.1A, effectively decreasing the number of Equity Securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Placement Shares.

**EXPLANATORY STATEMENT****7.5 Technical Information Required by Listing Rule 7.5**

Pursuant to and in accordance with Listing Rule 7.5, the following information is provided in relation to Agenda Items 10 and 11:

- (a) the Placement Shares were issued to Australian and overseas institutional, professional and sophisticated investors, none of whom are related parties of the Company. Some of the investors were existing Shareholders of the Company and others were introduced by the Joint Lead Managers. The recipients were identified through a bookbuild process, which involved the Joint Lead Managers seeking expressions of interest to participate in the capital raising from non-related parties of the Company;
- (b) in accordance with paragraph 7.4 of ASX Guidance Note 21, the Company confirms that none of the recipients of the Placement Shares were:
  - (i) related parties of the Company, members of the Company's Key Management Personnel, substantial holders of the Company, advisers to the Company or an associate of any of these parties; and
  - (ii) issued more than 1% of the issued capital of the Company;
- (c) 47,727,273 Placement Shares were issued on the following basis:
  - (i) 7,502,195 Placement Shares were issued pursuant to Listing Rule 7.1; and
  - (ii) 40,225,078 Placement Shares were issued pursuant to Listing Rule 7.1A.
- (d) the Placement Shares issued were all fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares;
- (e) the Placement Shares were issued on 11 April 2024;
- (f) the issue price was \$0.22 per Placement Share. The Company has not and will not receive any other consideration for the issue of the Placement Shares;
- (g) the purpose of the issue of the Placement Shares was to raise approximately \$10.5 million (before costs), which will be primarily be used for:
  - (i) further RC and diamond drilling to determine the scale of mineralised carbonatites at the Aileron Project;
  - (ii) expanded aircore drill program to test additional targets at Aileron;
  - (iii) ground geophysics at Aileron;
  - (iv) initial metallurgical assessment of mineralised carbonatites at Aileron;
  - (v) copper exploration in the Northern Territory and Western Australia; and
  - (vi) general working capital and costs of the offer.
- (h) the Placement Shares were not issued under an agreement;
- (i) there are no further material terms to disclose in respect of the Placement; and
- (j) voting exclusion statements apply to Agenda Items 10 and 11 and are set out in the Notice of Meeting.

**7.6 Additional Information**

- (a) As stated in section 7.5(a) above, the terms of the Placement to unrelated participants, being institutional, professional and sophisticated investors who are clients of the Joint Lead Managers, were identified by a bookbuild process run by the Joint Lead Managers, and which included existing Shareholders in the Company in addition to the existing and prospective clients of the Joint Lead Managers. The final issue price of the Placement Shares was determined by the Joint Lead Managers after taking into account the demand for the Company's Shares and the prevailing Share price. The Directors of the Company sought to issue Shares pursuant to the Placement at a price as close as possible to the prevailing market price so as not to disadvantage existing Shareholders in the Company, and considered the achieved Placement issue price to be consistent with that goal.
- (b) No alternative options to the Placement were considered by the Company as the Company considered the Placement to be in the best interests of Shareholders.

**EXPLANATORY STATEMENT**

- (c) The Company did not seek or receive any expert advice in relation to the Placement beyond that provided by the Joint Lead Managers as to the appropriate pricing of the Placement Shares and HopgoodGanim Lawyers as to compliance with the Company's obligations under the Corporations Act and Listing Rules.

**7.7 Directors' Recommendation**

The Board recommends Shareholders vote in favour of Agenda Items 10 and 11.

---

**8. Approval of Appointment of Auditor**  
as an Ordinary Resolution**8.1 Appointment of Auditor**

Agenda Item 12 seeks Shareholder approval for the appointment of HLB Mann Judd as auditor of the Company.

In accordance with section 327C of the Corporations Act, the Company announced to the ASX on 8 October 2024 that effective from that date HLB Mann Judd had been appointed to fill a casual vacancy as the auditor of the Company following ASIC's consent to the resignation of Crowe Perth in accordance with section 329(8) of the Corporations Act.

The subsequent appointment of HLB Mann Judd as auditor by the Board was the result of a competitive tender process run by the Company followed by a recommendation by the Company's Audit and Risk Management Committee. The Board is satisfied that HLB Mann Judd has the requisite skill and experience to be the auditor of the Company.

Under section 327C(2) of the Corporations Act, an auditor who has been appointed under section 327C(1) of the Corporations Act holds office until the Company's next annual general meeting.

In accordance with section 328B of the Corporations Act, notice in writing nominating HLB Mann Judd as auditor has been given to the Company by a Shareholder. A copy of this notice is attached to this Notice as Schedule 3.

HLB Mann Judd has provided the Company, and has not withdrawn, its written consent to act, subject to Shareholder approval being obtained, as the Company's auditor in accordance with section 328A(1) of the Corporations Act.

If Agenda Item 12 is passed, the appointment of HLB Mann Judd as the Company's auditor will take effect at the close of this Annual General Meeting.

If Agenda Item 12 is not passed, the position of auditor will fall vacant and the Board will look to appoint an auditor on an interim basis.

**8.2 Directors' Recommendation**

The Board recommends Shareholders vote in favour of Agenda Item 12.

**9. Approval of Renewal of Proportional Takeover Provisions in the Constitution**  
as a Special Resolution**9.1 Background**

Section 648G(1) of the Corporations Act provides that a company's proportional takeover approval provisions, unless sooner omitted from its constitution, cease to apply at the end of 3 years from adoption or renewal as appropriate unless otherwise specified.

When the provisions cease to apply the Company's constitution is modified by omitting the provisions.

A company may renew its proportional takeover approval provisions in the same manner in which a company can modify its constitution to insert proportional takeover approval provisions (i.e. by special resolution of shareholders).

The resolution to Agenda Item 13 is a special resolution which will enable the Company to modify its Constitution by renewing clause 36 for a period of 3 years from the date of Shareholder approval. It is noted that Shareholder approval will not result in a change to the wording of clause 36.

The Company is permitted to seek further Shareholder approval to renew this clause for further periods of up to 3 years on each occasion.

A copy of the Company's Constitution was last released publicly to ASX on 2 December 2022 and is available for download from the Company's ASX announcements platform.

**EXPLANATORY STATEMENT****9.2 Information Required by Section 648G of the Corporations Act***Effect of proportional takeover provisions proposed to be renewed*

Where offers have been made under a proportional off-market bid in respect of a class of securities in a company, the registration of a transfer giving effect to a contract resulting from the acceptance of an offer made under such a proportional off-market bid is prohibited unless and until a resolution to approve the proportional off-market bid is passed.

*Reasons for proportional takeover provisions*

A proportional takeover bid may result in control of the Company changing without Shareholders having the opportunity to dispose of all their Shares. By making a partial bid, a bidder can obtain practical control of the Company by acquiring less than a majority interest. Shareholders are exposed to the risk of being left as a minority in the Company and the risk of the bidder being able to acquire control of the Company without payment of an adequate control premium. These amended provisions allow Shareholders to decide whether a proportional takeover bid is acceptable in principle and assist in ensuring that any partial bid is appropriately priced.

*Knowledge of any acquisition proposals*

As at the date of this Notice of Meeting, no Director is aware of any proposal by any person to acquire, or to increase the extent of, a substantial interest in the Company.

*Potential advantages and disadvantages of proportional takeover provisions*

The Directors consider that the proportional takeover provisions have no potential advantages or disadvantages for them and that they remain free to make a recommendation on whether an offer under a proportional takeover bid should be accepted.

The potential advantages of the proportional takeover provisions for Shareholders include:

- (a) the right to decide by majority vote whether an offer under a proportional takeover bid should proceed;
- (b) assisting in preventing Shareholders from being locked in as a minority;
- (c) increasing the bargaining power of Shareholders which may assist in ensuring that any proportional takeover bid is adequately priced; and
- (d) each individual Shareholder may better assess the likely outcome of the proportional takeover bid by knowing the view of the majority of Shareholders which may assist in deciding whether to accept or reject an offer under the takeover bid.

The potential disadvantages of the proportional takeover provisions for Shareholders include:

- (a) proportional takeover bids may be discouraged;
- (b) lost opportunity to sell a portion of their Shares at a premium; and
- (c) the likelihood of a proportional takeover bid succeeding may be reduced.

**9.3 Directors' Recommendation**

The Directors do not believe the potential disadvantages outweigh the potential advantages of adopting the proportional takeover provisions and as a result consider that the renewal of the proportional takeover provisions in the Constitution is in the interest of Shareholders and unanimously recommend that Shareholders vote in favour of Agenda Item 13.

The following is a summary of the key terms and conditions of the Incentive Options to be issued to Directors (or their nominees) (**Optionholder**) pursuant to Agenda Items 6 to 9:

## 1. General

- 1.1 No monies will be payable for the grant of the Incentive Options.
- 1.2 A certificate will be issued for the Incentive Options.
- 1.3 The Incentive Options will not be listed for official quotation on the ASX (**Official Quotation**).
- 1.4 The Incentive Options are transferable subject to the approval of the Board.
- 1.5 Each Incentive Option shall carry the right to subscribe for one Share upon exercise of the Incentive Option.
- 1.6 The Incentive Options shall expire at 5.00pm (WST) on the Expiry Date.
- 1.7 Subject to clauses 1.6, 2 and 3, the Incentive Options may be exercised by the Optionholder at any time, but subject to the prior satisfaction of the exercise conditions (if any).
- 1.8 The Board may, at its discretion, by notice to the Optionholder adjust or vary the terms of an Incentive Option, subject to the requirements of the Listing Rules. No adjustment or variation will be made without the consent of the Optionholder if such adjustment or variation would have a materially prejudicial effect upon the Optionholder (in respect of their outstanding Incentive Options).
- 1.9 Incentive Options may only be exercised by delivery to the Company Secretary (at a time when the Incentive Options may be exercised) of:
  - (a) the certificate for the Incentive Options or, if the certificate for the Incentive Options has been lost or destroyed, a declaration to that effect, accompanied by an indemnity in favour of the Company against any loss, costs or expenses which might be incurred by the Company as a consequence of its relying on the declaration that the certificate has been lost or destroyed;
  - (b) a notice, in the required form, addressed to the Company and signed by the Optionholder stating that the Optionholder exercises the Incentive Options and specifying the number of Incentive Options which are exercised; and
  - (c) subject to clause 1.10, payment to the Company of an amount equal to the Exercise Price multiplied by the number of Incentive Options which are being exercised unless there is no exercise price payable in respect of the Incentive Options to be exercised. Unless clause 1.10 applies, the notice is only effective (and only becomes effective) when the Company has received value for the full amount of the Exercise Price (for example, if the Exercise Price is paid by cheque, by clearance of that cheque) by the Expiry Date and subject to the Incentive Options the subject of the notice vesting in accordance with any exercise conditions stipulated in these terms and conditions.
- 1.10 In lieu of paying the aggregate Exercise Price to purchase Shares under clause 1.9(c), the Optionholder may, at the Board's sole and absolute discretion, elect to receive, without payment of cash or other consideration, upon surrender of the applicable portion of exercisable Incentive Options to the Company, a number of Shares determined in accordance with the following formula (a Cashless Exercise):

$$A = \frac{B(C - D)}{C}$$

where:

A = the number of Shares (rounded down to the nearest whole number) to be issued to the Optionholder;

B = the number of Shares otherwise issuable upon the exercise of the Incentive Options or portion of the Incentive Options being exercised;

C = the Market Value of one Share determined as of the date of delivery to the Company Secretary; and

D = the Exercise Price.

- 1.11 Incentive Options may be exercised in one or more parcels of any size, provided that the number of Shares issued upon exercise of the number of Incentive Options in any parcel is not less than a Marketable Parcel. An exercise of only some Incentive Options shall not affect the rights of the Optionholder to the balance of the Incentive Options held by the Optionholder.
- 1.12 The Company shall allot the resultant Shares and deliver the holding statements within 10 Business Days of the exercise of the Incentive Option.
- 1.13 Shares allotted pursuant to an exercise of Incentive Options shall rank, from the date of allotment, equally with existing Shares of the Company in all respects.
- 1.14 The Company shall, in accordance with the Listing Rules, make application to have Shares allotted pursuant to an exercise of Incentive Options listed for Official Quotation, if the Company is listed on the ASX at the time.

## EXPLANATORY STATEMENT

## 2. Lapse of Incentive Options

- 2.1 Unless clause 2.2, 2.3 or 2.4 applies, the Incentive Options will lapse immediately and all rights in respect of the Incentive Options will be lost:
- (a) if the eligible participant ceases to be an employee or director of, or to render services to, a member of the Group for any reason whatsoever (including without limitation resignation or termination for cause) and the exercise conditions (if any) have not been met; or
  - (b) the exercise conditions (if any) are unable to be met; or
  - (c) the Expiry Date has passed; or
  - (d) the deadline provided for in clause 2.4 has passed,
- whichever is earlier.
- 2.2 If the term of an Incentive Option would otherwise expire during a Prohibited Period applicable to the eligible participant or the Optionholder, then the term of such Incentive Option shall be extended to the close of business on the 10th Business Day during the next trading window applicable to the eligible participant or the Optionholder.
- 2.3 If the eligible participant dies, becomes permanently disabled, resigns employment on the basis of retirement from the workforce or is made redundant by the relevant member of the Group, prior to the Expiry Date of any Incentive Options granted to the Optionholder (**Ceasing Event**) the following provisions apply.
- (a) the Optionholder or the Optionholder's legal personal representative, where relevant, may exercise those Incentive Options which at that date:
    - (i) have become exercisable;
    - (ii) have not already been exercised; and
    - (iii) have not lapsed, in accordance with clause 2.3(c);
  - (b) at the absolute discretion of the Board, the Board may resolve that the Optionholder, or the Optionholder's legal personal representative, where relevant, may exercise those Incentive Options which at that date:
    - (i) have not become exercisable; and
    - (ii) have not lapsed,

in accordance with clause 2.3(c) and, if the Board exercises that discretion, those unexercisable Incentive Options will not lapse other than as provided in clause 2.3(c);
  - (c) the Optionholder or the Optionholder's legal personal representative (as the case may be) must exercise the Incentive Options referred to in clause 2.3(a) and, where permitted, clause 2.3(c), not later than the first to occur of:
    - (i) the Expiry Date of the Incentive Options in question; and
    - (ii) the date which is 6 months after the Ceasing Event provided that in the case of Incentive Options referred to in clause 2.3(b), all exercise conditions (if any) have been met at that time (unless the Board decides to waive any relevant exercise conditions, in its absolute discretion); and
  - (d) Incentive Options which have not been exercised by the end of the period specified in clause 2.3(c) lapse immediately at the end of that period and all rights in respect of those Incentive Options will thereupon be lost.
- 2.4 Where the eligible participant ceases to be an employee or director of, or to render services to, a member of the Group, for any reason whatsoever (including without limitation resignation or termination for cause), prior to the Expiry Date in relation to the Incentive Options (**Ceasing Date**) and the exercise conditions have been met, the Optionholder will be entitled to exercise options for a period of up to 1 month after the Ceasing Date, after which the Incentive Options will lapse immediately and all rights in respect of those Incentive Options will be lost.

## 3. Change of Control Event

- (a) On the occurrence of a Change of Control Event, the Board may in its sole and absolute discretion determine that unvested Incentive Options will vest despite the non-satisfaction of any exercise conditions and become exercisable in accordance with clause 3(b), with such vesting deemed to have taken place immediately prior to the effective date of the Change of Control Event, regardless of whether or not the employment, engagement or office of the eligible participant is terminated or ceases in connection with the Change of Control Event.
- (b) Whether or not the Board determines to accelerate the vesting of any Incentive Options, the Company shall give written notice of any proposed Change of Control Event to the Optionholder. Upon the giving of any such notice the Optionholder shall be entitled to exercise, at any time within the 14-day period following the giving of such notice, all or a portion of those Incentive Options granted to the Optionholder which are then vested and exercisable in accordance with their terms, as well as any unvested Options which shall become vested and exercisable in connection with the completion of such Change of Control Event. Unless the Board determines otherwise (in its sole and absolute discretion), upon the expiration of such 14 day period, all rights of the Optionholder to exercise any outstanding Incentive Options, whether vested or unvested, shall

terminate and all such Incentive Options shall immediately lapse, expire and cease to have any further force or effect, subject to the completion of the relevant Change of Control Event.

## 4. Participation Rights

4.1 The Optionholder is not entitled to participate in any new issue of securities to existing holders of Shares in the Company unless:

- (a) the Optionholder has become entitled to exercise the Incentive Options under clauses 1.6, 2 or 3; and
- (b) the Optionholder does so before the record date for the determination of entitlements to the new issue of securities and participates as a result of being a holder of Shares.

The Company must give the Optionholder, in accordance with the Listing Rules, notice of any new issue of securities before the record date for determining entitlements to the new issue.

4.2 In the event of a bonus issue of Shares being made pro-rata to shareholders (**Bonus Issue**), the number of Shares issued to an Optionholder on exercise of each Incentive Option will include the number of Shares that would have been issued to the Optionholder if the Incentive Option had been exercised prior to the record date for the Bonus Issue (**Bonus Shares**). No adjustment will be made to the Exercise Price. The Bonus Shares must be paid up by the Company out of the profits or reserves (as the case may be) in the same manner as was applied in the Bonus Issue and upon issue rank pari passu in all respects with the other Shares of that class on issue at the date of issue of the Bonus Shares.

4.3 If the Company makes a pro rata issue of securities (except a bonus issue) to the holders of Shares the Exercise Price shall be reduced according to the formula specified in the Listing Rules.

4.4 If, prior to the expiry of any Incentive Options, there is a reorganisation (including a consolidation, subdivision, reduction or return) of the issued capital of the Company, then the rights of a Participant (including the number of Incentive Options to which each Optionholder is entitled and the Exercise Price) will be changed to the extent necessary to comply with the Listing Rules applying to a reorganisation of capital at the time of the reorganisation.

4.5 If, prior to the expiry of any Incentive Options, a resolution for a members' voluntary winding up of the Company is proposed (other than the purpose of a reconstruction or amalgamation) the Board may, in its absolute discretion, give written notice to Optionholder of the proposed resolution. Subject to the exercise conditions (if any), the Optionholder may, during the period referred to in the notice, exercise their Incentive Options.

4.6 The Incentive Options will not give any right to participate in dividends until Shares are allotted pursuant to the exercise of the relevant Incentive Options.
