

ASX ANNOUNCEMENT

15 November 2024

TIMETABLE UPDATE & ASX REINSTATEMENT PROCESS

MEC Resources Limited ("**MEC**" or the "**Company**") (ASX:MMR) previously announced an updated timetable and progress in relation to its reinstatement to trading on the ASX¹.

As previously advised the Company has submitted all required information in relation to the Company's reinstatement conditions to the ASX. This information remains under review by the ASX.

Reinstatement to trading on the ASX

Based on these elements and final approval from the ASX, the Company anticipates reinstatement to trading on the ASX on or about Friday, 22 November 2024. The Company will provide a further update once it receives correspondence and instructions from ASX.

The Directors wish to thank our shareholders for their continued support and patience they have shown during this Entitlement Offer.

David Breeze (Managing Director) authorised the release of this announcement to the market.
