

McDermitt Lithium Project PFS Presentation Webinar

Jindalee Lithium Limited (**Jindalee**, the **Company**; ASX: **JLL**, OTCQX: **JNDAF**) is pleased to advise shareholders and investors that the Company will be conducting an investor briefing following the release of a Pre-Feasibility Study (**PFS**) for the Company's flagship 100%-owned McDermitt Lithium Project on the border of Oregon and Nevada in the United States (**US**).

Chief Executive Officer, Ian Rodger will be providing an investor update to present the outcomes of the PFS, which will be followed by an interactive Q&A session.

The Company invites shareholders, investors and media to register for the webinar via the link below:

WEBINAR URL: <https://cutt.ly/0eKeUwII>

DATE: Friday, 22 November 2024

TIME: 9.00am (AWST) / 12.00pm (AEDT)

The Company also encourages participants to send questions in advance to Lucas Robinson of Corporate Storytime at info@corporatestorytime.com

A link to the replay of the webinar will be posted on Jindalee's website and social media as soon as it is available for those unable to attend the webinar.

A link to the McDermitt PFS Presentation as released to the ASX can be found here: [Jindalee Investor Hub](#)

Authorised for release by the Jindalee Board of Directors.

About Jindalee

Jindalee Lithium Limited (ASX: JLL) is a pure-play US lithium company focussed on the development of the giant McDermitt Lithium Project (21.5 Mt LCE, see ASX: JLL announcement dated 27/02/2023 'Resource at McDermitt increases to 21.5 Mt LCE'), currently the largest lithium deposit in North America. Jindalee also provides shareholders with indirect exposure to lithium, gold, base and strategic metals and magnesite in Australia through holdings in spin-out company Dynamic Metals (ASX: DYM).

Previously Reported Results

There is information in this announcement relating to exploration results which were previously announced on the ASX before 20 November 2024. The Company confirms that it is not aware of any further new information or data that materially affects the information included in the original market announcements by Jindalee Lithium Limited referenced in this report and in the case of Mineral Resources, that all material assumptions and technical parameters underpinning the estimates in the relevant market announcements continue to apply and have not materially changed. To the extent disclosed above, the Company confirms that the form and context in which the Competent Person's findings are presented have not been materially modified from the original market announcements.
