About Macro Metals Limited

Macro is a mineral exploration, development and mining services company focussed on delivery of shareholder value through the economic development of natural resource assets.

Macro owns directly a portfolio of iron ore and manganese assets which are undergoing active exploration programs, with the aim of providing future production opportunities.

About Macro Mining Services Pty Ltd (MMS)

Macro Mining Services Pty Ltd (**MMS**) is a wholly owned subsidiary of Macro Metals Limited.

MMS has established a highly experienced operational team of mining specialists led by Managing Director Mr Simon Rushton and offers bespoke, safe and highly value accretive mining services across a range of commodity groups.

MMS has the capability of being able to explore, develop and operate mining projects from pit to export customer both internally for Macro Metals Limited as well as for external parties, including exploration and geology, drilling, mining, crushing and screening, processing, haulage, ship loading and shipping services.

The inhouse capability is complemented by the skills, experience and resources of MMS' strategic partners and combine to make MMS the logical choice for third party resource owners who want a turn-key, off balance sheet solution for their entire pit to customer supply chain.

Macro Metals Limited, along with MMS, is a diversified mining and mining services business.

Forward Looking Statements

This announcement may include forward-looking statements. Forward-looking statements are only predictions and are subject to risks, uncertainties and assumptions which are outside the control of the Company. Actual values, results or events may be materially different to those expressed or implied in this announcement.
