

9 December 2024

Tenement Transfer Finalised & Heritage Survey Scheduled

Highlights

McLaren VMHS Project, WA

- **Tenement Transfer:** Tenements E69/2386 and E69/2388 have been successfully transferred to McLaren VHM Pty Ltd.
 - **Heritage Survey at McLaren:** Scheduled for next week in collaboration with the Ngadju Native Title Corporation.
-

Mineral exploration company, McLaren Minerals Limited (ASX: MML) ("McLaren" or "Company"), is pleased to announce the successful transfer of ownership of tenements E69/2386 and E69/2388 (jointly the McLaren project) to McLaren VHM Pty Ltd. The tenement transfer is a major milestone, positioning the project for the next phase of development.

Commencing on 9th December, a heritage survey will be conducted at the McLaren Project in collaboration with the Ngadju Native Title Corporation. This survey will cover all areas to be accessed during the upcoming drilling program, now schedule to take place in January 2025.

This initiative aligns with the Company's commitment to upholding cultural heritage and fostering positive relationships with traditional custodians. It also underscores the Company's dedication to ensuring that all exploration activities respect and honor the cultural significance of the land.

About McLaren Minerals Limited

McLaren Minerals is an exploration company focused on the future development of our high-value McLaren titanium project in the Eucla Basin of Western Australia. Titanium is considered a critical mineral and is essential for aerospace, defence and energy technologies.

This announcement has been authorised by the Managing Director.
