STRATEGIC POSITION & OUTLOOK

- Monetisation was the key goal for Motio in FY25. We continue to deliver soundly on this strategic goal year to date.
- We are taking advantage of the maturation of the business, the team and the Motio brand.
- There are strategic and tactical opportunities that the Board are continuing to evaluate. These opportunities are based on cash flow positive outcomes and the ability to achieve a 1 year or less payback on capital.
- Our focus was to grow revenue this year and be laser focussed on delivering on our bottom line.

GUIDANCE

- Following our recent AGM, we provided upgraded guidance to our Cash EBITDA target from \$1.0+ to \$1.2M+ - **We reaffirm this guidance and will provide further commentary in February**
- Revenue target remains the same – **further evaluation will be provided in February**

INVESTMENT IN MOTIO

- Motio has committed to **more than doubling our Cash EBITDA in FY2025** (vs. 2024)
- We are continually expanding and have bandwidth for **significant scale opportunities**
- We are innovating within our environments including **the launch of Creator** (creator.motio.com.au) this month to assist in the expansion of our Café environments
- We are currently valued at around 1X revenue on the ASX
- We have **consistently increased revenue** (for 4 consecutive years), **operational efficiency and cash flow**
- Ready, set up and capable of further significant expansion
- Looking towards opportunities to grow our business acquisitively and organically

Our team are energised and optimistic about the opportunities for our business and I would like to take this opportunity to thank them publicly for the work and commitment they have to the Motio business.

To our shareholders and especially to our customers, a huge thank you for your continued support of the business and people of Motio. It means a great deal to the Board and the team to know we have had such support this year.

As always, please feel free to call me on 0419 999 867 or email me (adam@motio.com.au) if you have any questions or would like to discuss any aspects of the business.

All the very best for the holiday season, the Board and I am eager to provide further updates at the release of our H1 results in February.

All the very best,
