

EXTENSION TO ENTITLEMENT OFFER CLOSING DATE

Eclipse Metals Ltd (**ASX: EPM**) (**Eclipse** or the **Company**) refers to the entitlement offer announced on 12 December 2024 (**Entitlement Offer**) and the offer document dated 20 December 2024 (**Offer Document**).

The Company advises that the closing date of the Entitlement Offer has been extended to 5:00 pm (WST) on Friday, 17 January 2025. The Company has extended the closing date due to the recent public holidays resulting in delay in some shareholders receiving their application forms.

If you have not received your application form, please contact the Company directly to arrange for your application to be emailed to you.

The Company reminds eligible shareholder who take up their full entitlement that they may also apply for additional New Shares under the Shortfall Offer. Further information about how to apply for the additional New Shares is set out in Offer Document.

The Company advises that the indicative timetable set out in the Offer Document is replaced with the timetable set out below.

ABOUT ECLIPSE METALS LTD (ASX: EPM)

Eclipse Metals Ltd is an Australian exploration company focused on exploring southwestern Greenland, Australia's Northern Territory and state of Queensland for multi-commodity mineralisation. Eclipse has an impressive portfolio of assets prospective for cryolite, fluorite, siderite, quartz (high-purity silica), rare earths, gold, platinum group metals, manganese, palladium, vanadium and uranium mineralisation. The Company's mission is to increase shareholders' wealth through capital growth and ultimately dividends. Eclipse plans to achieve this goal by exploring for and developing viable mineral deposits to generate mining or joint venture incomes.
