

COMPLETION OF GEOGRAPHE TREE SERVICES ACQUISITION

KEY POINTS

- **GenusPlus has completed the acquisition of Geographe Tree Services Pty Ltd**
- **Acquisition provides GenusPlus with expanded capability in power network infrastructure maintenance**

National essential power and communications infrastructure provider GenusPlus Group Ltd (**ASX: GNP**) (**GenusPlus** or the **Company**) is pleased to advise that it has completed the acquisition of Geographe Tree Services Pty Ltd (**GTS**) under the Share Purchase Agreement (**SPA**) announced on 29 November 2024 (**Acquisition**).

The Acquisition brings vegetation management services expertise in-house and complements GenusPlus' existing broad capabilities in the powerlines related maintenance services sector. The Acquisition was funded through internal cash reserves and is expected to be immediately earnings accretive for GenusPlus.

The Board of the Company has authorised the release of this announcement to the market.

ABOUT GENUSPLUS

GenusPlus Group Ltd is a specialist power and communications infrastructure and services provider operating across Australia. With years of practical experience across Australia, we design, build and maintain electrical transmission and distribution networks, substations and battery systems.

We enable customers to integrate new generation technology into traditional networks and support emerging networking solutions, meeting the demands of a carbon neutral economy.

Capitalising on our expertise in power networks and using the world's best knowledge and technology, we also specialise in delivering integrated, efficient and scalable communication network solutions, including network design, and fixed and wireless infrastructure supported by real time network management expertise and capability.
