## APPOINTMENT OF JULIE BISHOP AND PARTNERS AS A STRATEGIC ADVISOR

---

Energy Transition Minerals Ltd (**Company**) (ASX: **ETM**) is pleased to announce the engagement of Julie Bishop & Partners for the provision of strategic advice, stakeholder engagement and government relations.

Julie Bishop & Partners is a highly regarded boutique advisory firm providing strategic advice to boards and management on international and domestic business challenges, including dispute resolution, business development, customised analysis of geopolitical and geostrategic developments, engaging with political and government environments and advisory board participation.

Julie Bishop & Partners is represented by the Honourable Ms Julie Bishop, who served as Australia's Minister for Foreign Affairs between 2013 and 2018 and as Deputy Leader of the Liberal Party for 11 years. Ms Bishop brings a wealth of experience from a distinguished career in Australian politics that spanned more than 20 years.

Her profound grasp of international and geostrategic affairs will enable her to provide invaluable support and counsel to the Board of ETM in negotiating a win-win solution for all stakeholders and addressing the challenges faced in advancing the Company's world-class Kvanefjeld Rare Earth Element (REE) Project in Greenland towards development.

As Foreign Minister, Ms Bishop was responsible for strengthening Australia's key strategic and economic relationships with Ministerial responsibility for over 5,000 departmental staff, 110 overseas missions and several government agencies. She also served as Minister for Education, Science and Training, Minister for Women's Issues and Minister for Ageing.

**Commenting on the appointment, ETM Managing Director and CEO, Daniel Mamadou, said:** *"Julie Bishop is one of Australia's most successful and highly regarded foreign affairs ministers, with an outstanding track record of working with governments around the world to deliver mutually beneficial outcomes. We are absolutely delighted to have her on board as a strategic advisor to provide advice and assistance to ETM as we engage with the Greenlandic community, key stakeholders and government authorities to advance the Kvanefjeld Project towards development, in parallel with the ongoing legal process."*

**Commenting on the appointment, Julie Bishop, said:**

*"The Kvanefjeld Project has the potential to be a significant contributor to the Greenland economy, while supporting EU aspirations to become more self-reliant on vital rare earth elements for the transition to green energy and for the development of many high-technology products. We look forward to working with ETM to support the development of this transformative project."*
