Answer: Net operating cashflow are expected to reduce in subsequent quarters - the December quarter was unusually low in terms of customer receipts, however the Company is expecting higher customer receipts in the March and June quarters. 2. Has the entity taken any steps, or does it propose to take any steps, to raise further cash to fund its operations and, if so, what are those steps and how likely does it believe that they will be successful? Answer: The Company is launching an underwritten rights issue which will provide it with sufficient cash to fund its operations. 3. Does the entity expect to be able to continue its operations and to meet its business objectives and, if so, on what basis? Answer: Given the above two answers, the Company expects to be able to continue to meet its business objectives.
