1.3 Waiver of the Conditions

- (a) If a Condition has been included for the benefit of one party only (as specified in relation to a Condition in the second column of the table in clauses 1.1 and 1.2), only that party may, in its sole and absolute discretion, waive the breach or non-fulfilment of the Condition.
- (b) If a Condition has been included for the benefit of both parties (as specified in relation to a Condition in the second column of the table in clauses 1.1 and 1.2), the breach or non-fulfilment of the Condition may be waived only by the consent of both parties.
- (c) If a Condition has been included for the benefit of neither party (as specified in relation to a Condition in the second column of the table in clauses 1.1 and 1.2 as 'Not applicable'), subject to clause 1.6, the breach or non-fulfilment of the Condition cannot be waived.
- (d) If a waiver by a party of a Condition is itself made subject to a condition and the other party accepts that condition, the terms of that condition apply accordingly. If the other party does not accept a conditional waiver of a Condition, that Condition has not been waived.
- (e) Any waiver must be in writing.

1.4 Co-operation and best endeavours to satisfy the Conditions

- (a) Each of Target and Bidder must use reasonable endeavours to, and cooperate with each other to, satisfy the Conditions. Target and Bidder must, upon request by the other party, promptly update each other with respect to their respective progress in satisfying the Conditions.
- (b) Target and Bidder must promptly notify the other party in writing of the fulfilment or satisfaction of a Condition and promptly notify the other party in writing of any circumstances which may result in any of the Conditions not being fulfilled or satisfied in accordance with its terms.
- (c) Each party must promptly apply for all relevant Regulatory Approvals, provide a copy to the other party of all such applications and keep the other party promptly and reasonably informed of the steps it has taken and of its progress towards obtaining the relevant Regulatory Approval (provided that a party is not obliged to provide the other party with any information which is commercially sensitive or if the provision would breach an obligation of confidence owed to any third party), and must take all steps it is responsible for as part of the approval process for the Schemes, including responding to requests for information at the earliest practicable time.
- (d) Each party must use reasonable endeavours to consult with the other in advance in relation to all material communications with any Governmental Agency relating to any Regulatory Approval and must provide the other party with all information reasonably requested in connection with the application for any Regulatory Approval.

1.5 Conditions not met

- (a) Subject to clause 1.6, if:
 - (i) there is a breach or non-fulfilment of a Condition which, if capable of being waived, is not waived in accordance with this document;
 - (ii) there is an act, failure to act, event or occurrence which will prevent a Condition being satisfied by the date specified in clause 1.1 or 1.2 for its satisfaction (and the breach or non-fulfilment of the Condition which would otherwise occur has not already been waived in accordance with this document); or
 - (iii) it becomes probable that the Schemes (or one of them) will not become Effective by the End Date,

Bidder and Target must consult in good faith with a view to:

- (iv) consider and if agreed, determine whether the Schemes may proceed by way of alternative means or methods;
 - (v) consider and if agreed, extend the time or date for satisfaction of the relevant Condition or the End Date; or
 - (vi) consider and if agreed, change the date of application made to the Court for an order under section 411(4)(b) of the Corporations Act approving the Schemes or adjourning that application (as applicable) to another date agreed to in writing by Target and Bidder (being a date no later than five Business Days before the End Date).
- (b) If Bidder and Target are unable to reach agreement under clause 1.5(a) with respect to a Share Scheme Condition within the Required Consultation Period, subject to clause 1.6, either Target or Bidder may, provided that the Share Scheme Condition is for the benefit of that party, terminate this document by Notice in writing to the other without incurring any liability to the other party because of that termination (other than under clause 11 if applicable), unless the relevant occurrence or the breach or non-fulfilment of the Share Scheme Condition arises out of a breach of clause 1.4 by the terminating party.
- (c) Subject to any rights or obligations arising under this document that are expressed to survive termination (including by virtue of clause 14.4), on termination of this document, no party has any rights against or obligations to any other party under this document except for those rights and obligations which accrued prior to termination.
- (d) If the Share Scheme is not approved by Target Shareholders at the Share Scheme Meeting or the Option Scheme is not approved by Target Optionholders at the Option Scheme Meeting only because of a failure to obtain the majority required by section 411(4)(a)(ii)(A) or 411(a)(i) of the Corporations Act (as applicable), then either party may by written notice require the approval of the Court to be sought, pursuant to the Court's discretion in that section, provided the party has in good faith formed the view that the prospect of the Court exercising its discretion in that way is reasonable.
- (e) If the Court refuses to make an order approving the Share Scheme satisfying the Share Scheme Condition in clause 1.1(h), at Bidder's written request, Target must appeal the Court's decision to the fullest extent possible (except to the extent that the parties agree otherwise, or an independent Senior Counsel indicates that, in his or her view, an appeal would have negligible prospects of success before the End Date). Target may bring an appeal even if not requested by Bidder. If any such appeal is undertaken at the request of Bidder, Bidder will bear Target's costs of the appeal (including the costs of the independent Senior Counsel) unless the parties otherwise agree. If any such appeal is undertaken by Target, without the prior request from Bidder, Target will bear Bidder's costs of the appeal unless the parties otherwise agree.

1.6 Share Scheme not conditional on Option Scheme

The Share Scheme is not conditional on the Option Scheme becoming Effective.

1.7 Option Scheme conditional on Share Scheme

The Option Scheme is conditional on the Share Scheme becoming Effective.

2. AGREEMENT TO PROPOSE SCHEMES

2.1 Target to propose Schemes

Target agrees to propose and implement the Schemes in accordance with Part 5.1 of the Corporations Act and upon and subject to the terms and conditions of this document.

2.2 Bidder to assist

Bidder agrees to assist Target in proposing and implementing the Schemes in accordance with Part 5.1 of the Corporations Act upon and subject to the terms and conditions of this document.

2.3 No amendments to Schemes without consent

Target must not consent to any modification of, or amendment to, or making or imposition by the Court of any condition in respect of, the Schemes without the prior consent of Bidder, such consent not to be unreasonably withheld or delayed.

3. STRUCTURE OF THE SCHEMES

3.1 Proposal of Schemes

Target must propose the Share Scheme to the Target Shareholders and the Option Scheme to the Target Optionholders.

3.2 Transfer of Scheme Shares

Under the Share Scheme, all of the Target Shares held by Scheme Shareholders will be transferred to Bidder and the Scheme Shareholders will be entitled to receive the Share Scheme Consideration from Bidder.

3.3 Transfer of Scheme Options

Under the Option Scheme, all of the Target Options held by Scheme Optionholders will be transferred to Bidder or its nominee and the Scheme Optionholders will be entitled to receive the Option Scheme Consideration from Bidder.

3.4 Bidder Nominee

- (a) Target acknowledges and agrees that Bidder may, no later than the date 3 Business Days before the Second Court Date, by written notice to Target, nominate a wholly owned subsidiary of Bidder (**Bidder Nominee**) to acquire all the Target Shares in lieu of Bidder.
- (b) If Bidder nominates a Bidder Nominee in accordance with clause 3.4(a), unless the context otherwise requires, all references in this document to Bidder acquiring all of the Target Shares must be construed as if references to Bidder were replaced with references to the Bidder Nominee. Any such nomination will not relieve Bidder of its obligations under this document, including the obligation to issue the Scheme Consideration in accordance with the terms of the Scheme.
- (c) Bidder irrevocably guarantees (as a principal obligation) the due and punctual performance by the Bidder Nominee of all of its obligations (if any) under or in connection with this document, the Schemes, the Share Scheme Deed Poll and the Option Scheme Deed Poll. If the Bidder Nominee commits any default or breach of this document, Bidder will, immediately on written demand by Target, perform all obligations (if any) of the Bidder Nominee in accordance with the provisions of this document.

3.5 Non-Scheme options

- (a) Within 10 Business Days of the date of this document, Bidder must make an offer to acquire all of the Non-Scheme Options (outstanding as at such date) from each holder of Non-Scheme Options, or seek such holder's consent for cancellation of its Non-Scheme Options, for the Non-Scheme Options Consideration conditional on Target's removal from the Official List of ASX (**Non-Scheme Options Offer**).
- (b) If a Non-Scheme Options Offer is accepted, the acquisition or cancellation of the relevant Non-Scheme Options must be completed within 1 Business Day of Target's removal from the Official List of ASX.
- (c) The parties acknowledge and agree that Bidder is not required to make an offer to acquire any of the March 2025 Options.

4. SCHEME CONSIDERATION

4.1 Share Scheme Consideration

Bidder covenants in favour of Target (in its own right and on behalf of the Scheme Shareholders) that in consideration for the transfer of each Target Share held by a Scheme Shareholder under the terms of the Share Scheme to Bidder, Bidder will provide Scheme Shareholders, for each Target Share held on the Target Record Date, the Share Scheme Consideration in accordance with the terms of this document and the Share Scheme.

4.2 Option Scheme Consideration

Bidder covenants in favour of Target (in its own right and on behalf of the Scheme Optionholders) that in consideration for the transfer of the Target Options held by a Scheme Optionholder under the terms of the Option Scheme, Bidder will grant to each Scheme Optionholder the Option Scheme Consideration in accordance with the terms of this document and the Option Scheme.

4.3 Joint holders

In the case of Target Shares and Target Options held in joint names:

- (a) New Bidder Shares to be issued under the Schemes must be issued to and registered in the names of the joint holders; and
- (b) any other document required to be sent under the Schemes will be forward to either, at the sole discretion of Target, the holder whose name appears first in Target Share Register as at the Target Record Date or to the joint holders.

4.4 Fractional entitlements

Any fractional entitlement of a Scheme Participant to a part of a New Bidder Share will be rounded down to the nearest whole number of New Bidder Shares in accordance with the Schemes, subject to each Scheme Participant being entitled to receiving no less than 1 New Bidder Share.

4.5 Ineligible Foreign Holders and Electing Small Scheme Participants

- (a) In regard to Ineligible Foreign Holders and Electing Small Scheme Participants:
 - (i) Bidder will allow Small Scheme Participants to elect, by providing notice in writing to Target on or before the Implementation Date, to be treated as an Electing Small Scheme Participant for the purposes of this clause 4.5; and
 - (ii) Bidder will be under no obligation under this document to allot or issue, and will not issue, any New Bidder Shares to any Ineligible Foreign Holders or Electing Small Scheme Participant and, instead, will issue the New Bidder Shares to which the Ineligible Foreign Holders or Electing Small Scheme Participant would have otherwise been entitled to the Sale Agent.
- (b) Bidder will procure that, as soon as reasonably practicable and in any event not more than 20 Business Days after the Implementation Date, the Sale Agent:
 - (i) sells all of the New Bidder Shares issued to the Sale Agent pursuant to clause 4.5(a)(ii) in such manner at such price and on such other terms as the Sale Agent determines in good faith; and
 - (ii) remits to each Ineligible Foreign Holder and Electing Small Scheme Participant his or her proportionate share of the aggregate proceeds of sale in Australian dollars (after deducting any applicable brokerage, stamp duty and other selling costs, taxes and charges).
- (c) Bidder will pay or procure the payment of the proceeds of sale in clause 4.5(b) to each Ineligible Foreign Holder and Electing Small Scheme Participant.

- (d) Bidder must appoint the Sale Agent on terms reasonably acceptable to Target at least 5 Business Days prior to the Scheme Meeting.
- (e) None of Bidder, Target, or the Sale Agent give any assurance as to the price that will be achieved for the sale of New Bidder Shares in accordance with this clause 4.5 and the sale of New Bidder Shares will be at the risk of each Ineligible Foreign Holder and Electing Small Scheme Participant.

4.6 Ranking

All New Bidder Shares issued under this clause 4 must, on their issue, rank equally with all other Bidder Shares.

4.7 Quotation

Bidder will use its best endeavours to procure that the New Bidder Shares comprising the Scheme Consideration are admitted on the ASX for quotation as soon as reasonably practicable after the Implementation Date and issue holding statements for those New Bidder Shares.

5. IMPLEMENTATION

5.1 General

Each of Target and Bidder must take all necessary steps, and cooperate with each other, to propose and implement the Schemes and (subject to clause 1.5(e)) give effect to the orders of the Court approving the Schemes, and in accordance with the Timetable (although the Timetable may be amended with the consent of the parties, acting reasonably and promptly).

5.2 Obligations of Bidder

Without limiting clause 5.1, Bidder must take the following steps in accordance with the Timetable:

- (n) do everything reasonably within its power to ensure that the Transaction is effected in accordance with all laws and regulations applicable in relation to the Transaction.

5.3 Obligations of Target

Without limiting clause 5.1, Target must take the following steps in accordance with the Timetable:

- (a) prepare the Scheme Booklet (including the form of scheme of arrangement, which is to be approved by Bidder, acting reasonably) which complies with all applicable regulatory, compliance and content requirements applicable to the Target (and update the Scheme Booklet for any material developments), and include in the Scheme Booklet the Target Board's unanimous recommendation pursuant to clause 8(a)(i) and each Target Director's statement pursuant to clause 8(a)(ii);

 - (i) the Bidder Competing Proposal is or may be expected to lead to a Bidder Superior Proposal;
 - (ii) the Bidder Potential Competing Proposal may be expected to lead to a Bidder Superior Proposal if it were to be proposed; or

11.13 Compliance with law

- (a) If it is finally determined by a court or the Takeovers Panel that the agreement by the parties under this clause 11 or any part of it:
 - (i) constituted, or constitutes, or would constitute, a breach of the fiduciary or statutory duties of the members of the Target Board or the Bidder Board;
 - (ii) constituted, or constitutes, or would constitute, unacceptable circumstances within the meaning of the Corporations Act; or
 - (iii) was, or is, or would be unlawful for any other reason,

then, to that extent (and only to that extent) Target or Bidder (as appropriate) will not be obliged to comply with that provision of this clause 11.

- (b) The parties must not make or cause or permit to be made on their behalf, any application to a court or the Takeovers Panel for or in relation to a determination referred to in clause 11.13(a).

11.14 Warranty and representation

Targets represents and warrant to Bidder that, as at the date of this document, there are no current discussions or negotiations occurring, and no agreement, arrangement or understanding (whether or not legally binding and whether or not in writing) exists in relation to any expression of interest, offer or proposal of the kind referred to in this clause 11.

12. COMPENSATING AMOUNT

12.1 Rationale

Each party acknowledges that they would not have entered into this document without this clause 12 and that:

- (a) the Target Compensating Amount is a reasonable amount to compensate the actual costs (including adviser costs and out of pocket expenses) and reasonable opportunity costs of Bidder; and
- (b) the Bidder Compensating Amount is a reasonable amount to compensate the actual costs (including adviser costs and out of pocket expenses) and reasonable opportunity costs of Target.

12.2 Target Compensating Amount

Subject to clause 12.5, Target must pay the Target Compensating Amount to Bidder, without set-off or withholding, if

- (a) prior to the earlier of the Effective Date or the End Date, any member of the Target Board withdraws or adversely modifies his or her support of the Schemes or his or her recommendation that Target Shareholders and Target Optionholders (other than Excluded Shareholders and Excluded Optionholders) vote in favour of the Share Scheme and the Option Scheme, or makes a public statement indicating that they no longer support the Transaction or that they support a Competing Proposal, other than as a result of:
 - (i) any matter or thing giving Target the right to terminate under clause 14.2(a) or 14.2(b);
 - (ii) failure of a Condition which is for the benefit of Target or both parties, other than as a result of a breach by Target of clause 1.4;
 - (iii) the Independent Expert provides a report to Target (either initially or in any updated report) which concludes that the Share Scheme is not in the best interests of Target Shareholders (other than Excluded Shareholders) other than because of a Competing Proposal;
 - (iv) the Independent Expert provides a report to Target (either initially or in any updated report) which concludes that the Option Scheme is not in the best interests of Target Optionholders (other than Excluded Optionholders) other than because of a Competing Proposal;
- (b) during the Exclusivity Period, Target or any of its Representatives, directly or indirectly, was aware of, becomes aware of or receives from a Third Party an approach in relation to an actual, proposed or potential Competing Proposal and that Competing Proposal (or any related Competing Proposal or Competing Proposal arising out of that Competing Proposal) is completed at any time prior to the first anniversary of the date of the public announcement of such Competing Proposal; or
- (c) Bidder is entitled to terminate this document in accordance with clause 14.3 and has given the appropriate notice.

12.3 Bidder Compensating Amount

Subject to clause 12.5, Bidder must pay the Bidder Compensating Amount to Target, without set-off or withholding, if

- (a) Bidder announces a transaction or a proposed transaction that is a Bidder Competing Proposal and is publicly recommended, promoted or otherwise endorsed by the Bidder Board or by any Bidder Director on the basis that the Transaction not proceed; or
- (b) Target is entitled to terminate this document in accordance with clause 14.2(a), 14.2(b) or 14.2(d) and has given the appropriate notice.

12.4 Written demand

A party must pay the Compensating Amount to the other party within 5 Business Days after receiving a written demand from Bidder.

12.5 Nature of payment

The amount payable by a party under clause 12.2 or 12.3 is an amount to compensate the other party for:

- (a) advisory costs (including costs of advisors other than success fees);
- (b) costs of management and directors time;
- (c) out-of-pocket expenses; and
- (d) reasonable opportunity costs incurred by the other party in pursuing the Schemes or in not pursuing other alternative acquisitions or strategic initiatives which the other party could have developed to further its business and objectives.

12.6 Compensating Amount payable only once

In the event a party becomes liable to pay the Compensating Amount as a result of the conditions for payment of the Compensating Amount being satisfied with respect to both the Share Scheme and the Option Scheme (**Paying Party**), the Paying Party is only required to pay the Compensating Amount once. The parties acknowledge and agree:

- (a) if the Compensating Amount is payable because the conditions for payment of the Compensating Amount have been satisfied with respect to the Option Scheme but the Share Scheme becomes Effective, the Paying Party is not liable to pay the Target Compensating Amount;
- (b) if the Compensating Amount is payable because the conditions for payment of the Compensating Amount have been satisfied with respect to the Share Scheme but not with respect to the Option Scheme, the Paying Party is liable to pay the Target Compensating Amount; and
- (c) if the Compensating Amount is payable because the conditions for payment of the Compensating Amount have been satisfied with respect to both the Option Scheme and the Share Scheme, the Paying Party is liable to pay Compensating Amount once in full satisfaction of its obligations under clause 12.2 or 12.3, as applicable.

12.7 Compliance with law

- (a) Subject to clause 12.5, no amount is payable by a party under clause 12.2 or 12.3 (as applicable) if both Schemes becomes Effective, notwithstanding the occurrence of any event in clause 12.2 or 12.3. To the extent that any amount has already been paid under clause 12.2 or 12.3 and the Schemes becomes Effective, such amount must be immediately refunded to Target or Bidder (as applicable).
- (b) This clause 12 does not impose an obligation on a party to pay the Compensating Amount to the extent (and only to the extent) that the obligation to pay the amount:
 - (i) constitutes unacceptable circumstances as declared by the Takeovers Panel; or

- (ii) is held to be unenforceable by one party against another as determined by a court,

after all proper avenues of appeal and review, whether judicial or otherwise, have been exhausted. The parties must take all reasonable steps to ensure that any such determination applies to the minimum extent possible.

- (c) The parties must not make or cause or permit to be made, any application to a court or the Takeovers Panel for or in relation to a determination referred to in clause 12.5(b).

12.8 Other claims

Where the Compensating Amount becomes payable by a party and is actually paid, the amount of any loss or damage for that party is otherwise liable under this document will be reduced by the amount paid.

12.9 Limitation of liability

- (a) Subject to clauses 12.9(b), 12.9(c), and 13, but otherwise despite anything else in this document, the maximum aggregate amount which a party is required to pay in relation to a breach of this document is the Compensating Amount, and in no event will the aggregate liability of a party under or in connection with a breach of this document exceed the Compensating Amount.
- (b) The limit in clause 12.9(a) will not prevent Bidder from recovering the actual costs it incurs in connection with this document and the Schemes (to the extent such costs exceed the Target Compensating Amount) if Target has breached its obligations to register all transfers of Scheme Shares to Bidder in accordance with clause 3.2 or transfer all Scheme Options in accordance with clause 3.3. In addition, nothing in this clause limits Target's liability for fraud or intentional or wilful breach of this document.
- (c) The limit in clause 12.9(a) will not prevent Target from recovering the actual costs it incurs in connection with this document and the Schemes if Bidder has breached its obligations to provide the Scheme Consideration in accordance with clauses 4.1 and 4.2. In addition, nothing in this clause limits Bidder's liability for fraud or intentional or wilful breach of this document.

13. REMEDIES

- (a) The parties acknowledge and agree that irreparable harm would occur and that Target may not have any adequate remedy at law for any material breach of this document, or in the event that any of the material provisions of this document were not performed in accordance with their specific terms. It is accordingly agreed that a party is entitled to seek orders from a court of competent jurisdiction for the specific performance by the other party of any obligations under this document.
- (b) Each party agree not to assert that a remedy of specific performance is unenforceable, invalid, contrary to applicable law or inequitable for any reason, and not to assert that a remedy of monetary damages would provide an adequate remedy or that the parties otherwise have an adequate remedy at law.

14.4 Effect of termination

In the event of termination of this document by either Target or Bidder pursuant to clauses 13.1, 13.2 or 13.3 (as applicable) any payment of the Target Compensating Amount (if applicable), this document will have no further force or effect and the parties will have no further obligations under this document, provided that:
