Krakatoa to present at NWR Antimony Webinar

Krakatoa Resources Limited (ASX: KTA) (“**Krakatoa**” or the “**Company**”) is pleased to advise that CEO Mark Major will be presenting at the NWR Communications Antimony Webinar on Thursday 13 February 2025.

Mr Major will provide an update on the Zopkhito Project in Georgia, which Krakatoa has an opportunity to acquire an 80% interest in. Earlier this week, the Company announced a potential significant extension of the Zopkhito Sb-Au resources at depth and along strike.

Zopkhito contains a foreign resource estimate of **225Kt @ 11.6% Sb for a contained 26,000 tonnes of antimony** and **7.1Mt @ 3.7g/t for 815,119oz of gold⁽¹⁾**. The Company is committed to completing a JORC standard mineral resource estimate and undertaking a preliminary economic assessment.

There will be an opportunity for shareholders to ask questions during the presentation or questions can be submitted prior to the webinar by emailing awillis@nwrcommunications.com.au

Shareholders and interest parties can register for the Zoom webinar via the link below.

There will be a recording made available on the Company website following the conclusion of the webinar.

⁽¹⁾ **Cautionary and competent person statement:** The foreign estimate and foreign exploration results in this announcement were first released by the Company in an announcement titled “Option to Acquire Major Antimony and Gold Project” on 9 December 2024 (“Announcement”) and are not reported in accordance with the JORC Code 2012. A competent person has not done sufficient work to classify the foreign estimate as a Mineral Resource, or disclose the foreign exploration results, in accordance with the JORC Code 2012. It is uncertain that following evaluation and/or further exploration work the foreign estimate will be able to be reported in accordance with the JORC Code 2012, and it is possible that following further evaluation and/or exploration work that the confidence in the reported foreign exploration results may be reduced when reported under the JORC Code 2012. The Company confirms that the supporting information provided in the Announcement continues to apply and has not materially changed.
