

Retraction of Forecast Financial Information

Astral Resources NL (ASX: AAR) (Astral or the Company) refers to the announcement dated 13 February 2025 titled “Resource Rising Stars Investor Conference Presentation” (**Announcement**).

The Announcement contains forward looking statements in the form of forecast financial information regarding the potential economic impact on the Mandilla Scoping Study¹ by utilising a gold price revenue assumption of A\$4,500. The Company retracts these forward looking statements (specifically statements relating to gold production, NPV, cash flows and payback, IRR and the payback period based on a A\$4,5000 gold price) contained in slides 3, 5 and 7 of the Announcement) and advises investors that they should not rely on such statements.

This announcement has been approved for release by the Managing Director.
