

ASX ANNOUNCEMENT

19 February 2025

Half Year Results – Conference Call Details

NRW Holdings Limited (ASX:NWH) applied for and was granted a trading halt by the ASX today while the company assesses the situation in regard to Golding Contractors' SIMEC Mining contract in South Australia.

As a consequence, the company will release its half year results when the trading halt is lifted and the Conference call will be re-scheduled accordingly. All other details of that call remain the same.

About NRW Holdings Limited:

NRW is a leading provider of diversified contract services to the resources and infrastructure sectors in Australia. With extensive operations in all Australian States except Tasmania and offices in Canada and the United States, NRW's geographical diversification is complemented by its ability to deliver a wide range of services. These encompass civil construction including bulk earthworks, road and rail construction and concrete installation, together with contract mining and drill and blast services through NRW Civil & Mining, Golding Contractors and Action Drill & Blast. NRW also offers a comprehensive OEM capability through Action Mining Services providing refurbishment and rebuild services for earthmoving equipment and machinery. NRW's MET Division comprising

RCR Mining Technologies, DIAB Engineering and Primero offers tailored mine to market solution, specialist maintenance (shutdown services and onsite maintenance), Non- Process Infrastructure, innovative materials handling capability and complete turnkey design, construct & operation of minerals processing and energy projects. NRW has a workforce of around 8,000 people supporting more than one hundred projects around Australia for clients across the resources, infrastructure, industrial engineering, maintenance and urban subdivisions.
