Review of Operations

Strategic Focus and Market Positioning

SSH Group has continued to strengthen its position in the Mining, Civil and Construction industries by realigning its businesses and management to service major tier-one clients and also unlock opportunities with mid-tier and junior miners. The Group has actively pursued opportunities through joint ventures, strategic alliances, project management, and asset ownership. Thus, enhancing its market presence and operational capability.

SSH Group has been focused on developing and implementing its strategy to grow and refine its core strategic offerings of:

- rental equipment,
- maintenance,

- workforce solutions, and
- project management.

The Group's strategy is to expand into the industrials minerals sector, and support clients on their projects in the mining, civil, infrastructure construction and quarries sectors.

The Group has commenced restructuring internally to ensure improved efficiencies, enable stronger internal collaboration and unity, drive a more effective brand strategy and further leverage valued existing client relationships.

To further enhance the Group's capabilities, it is developing strategic alliances and joint ventures with partners that bring supplementary skills and expertise.

Operational Performance and Financial Strength

SSH Group delivered improved financial performance compared to the prior corresponding period, achieving revenue growth and bottom-line improvements. Operational efficiencies were driven by fleet optimisation, enhanced service delivery, and corporate restructuring.

During the half-year, SSH incurred \$0.3M in one-off expenses related to its strategic shift towards Mining. Adjusted EBITDA increased by **16%** on the same period last year, and debt on revenue generating equipment was reduced by **19%**. Positive operating cash flows of **\$2.6M** for the half year further reinforce the Group's financial resilience.

Business Development and Growth

SSH Group maintained a strong focus on its core business offerings, while also advancing its strategic expansion in the Mining & Civil industries. Key developments during and subsequent to the end of the period include:

- **Notice of Preferred Tenderer:** Received a non-binding notice for full turnkey mining project management services¹.
- Strategic Alliance Agreement: Signed a non-binding Heads of Agreement (HOA) with ASX resource company with mining lease in the Kimberley to accelerate the development of their asset².
- Indigenous Partnerships: Strengthened relationships with 100% Indigenous-owned businesses and traditional landowners.
- **Supply Chain Expansion:** Enhanced capabilities through industry-leading mining service providers, improving geographical reach and technical capacity.

With these initiatives, SSH Group is firmly advancing its focus on Mining Resource and Infrastructure opportunities.

Notes to Condensed Consolidated Financial Statements

NOTE 1. Material Accounting Policies

Basis of preparation

SSH Group Limited (Company) is a for-profit company domiciled in Australia. The condensed consolidated interim financial report of the Company as at and for the six months ended 31 December 2024 comprise the Company and its subsidiaries (together referred to as the "Group").

The Group is a portfolio of industrial service businesses focused on service delivery to the mining, civil and construction industries.

This condensed interim financial report does not include notes of the type normally included in an annual report and should be read in conjunction with the most recent annual financial report, found on the Company's website at www.sshgroup.com.au.

The accounting policies adapted in preparing this half year financial report are consistent with those adapted in the Group's 2024 financial report.

Going concern

The half year financial report has been prepared on the going concern basis which contemplates the continuity of normal business activity, the realisation of assets and the settlement of liabilities in the ordinary course of business.

For the period ended 31 December 2024 the Group incurred a profit before tax of \$48,321 and net cash outflow for the period of \$399,105, whilst net cashflows contributed from operations totalled \$2,560,809 (2023: operating cash inflows \$1,981,970).

As at the balance date, the Group has a working capital deficit of \$7,271,670. However, in monitoring its working capital, the Group excludes the current portion of its hire purchase liabilities with a value of \$5,303,936, as at 31 December 2024. These liabilities are supported by the Group's revenue generating fleet of light vehicles and equipment totalling \$23,315,955. These assets are disclosed as non-current assets. Future revenues (through medium to long term contracts) generated by these assets are not recognised as at 31 December 2024 but will be available to meet the debt repayments as and when they fall due.

The Group continues to meet its debt obligations when they fall due.

The ability of the Group to continue as a going concern is principally dependent on the capacity of the entity to continue to generate net cash inflows from operating activities and manage its working capital.

The Directors have prepared a cash flow forecast, which indicates that the Group will have sufficient cash flows to meet all commitments and working capital requirements for the 12-month period from the date of signing this financial report.

Given the Group's history of raising capital, the Directors are confident of the Group's ability to raise additional funds if required. Furthermore, the Group has sufficient equity in its assets to generate cash through liquidation of assets or restructure its current debt profile.

Based on the cash flow forecasts and other factors referred to above, the Directors are satisfied that the going concern basis of preparation is appropriate.

Should the Group be unable to continue as a going concern it may be required to realise its assets and extinguish its liabilities other than in the normal course of business and at amounts different to those stated in the financial statements. The financial statements do not include any adjustments relating to the recoverability and classification of asset carrying amounts or to the amount and classification of liabilities that might result should the Group be unable to continue as a going concern and meet its debts as and when they fall due.

Directors' Declaration

The Directors of the Company declare that:

- 1. The financial statements and notes as set out on pages 10 to 24, are in accordance with the *Corporations Act 2001*, and:
- i. Comply with Accounting Standard AASB 134: Interim Financial Reporting; and
- *ii.* Give a true and fair view of the Consolidated Entity's financial position as at 31 December 2023 and of its performance for the half year ended on that date.
- 2. In the Directors' opinion there are reasonable grounds to believe that the Consolidated Entity will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of the Board of Directors pursuant to section 305(5)(a) of the *Corporations Act 2001* (Cth) and is signed for and on behalf of the Directors by:

Independent Auditor's Review Report

INDEPENDENT AUDITOR'S REVIEW REPORT TO THE MEMBERS OF SSH GROUP LIMITED

Conclusion

We have reviewed the accompanying half-year financial report of SSH Group Limited ("the Company") and Controlled Entities ("the Consolidated Entity") which comprises the condensed consolidated statement of financial position as at 31 December 2024, the condensed consolidated statement of profit or loss and other comprehensive income, condensed consolidated statement of changes in equity and condensed consolidated statement of cash flows for the half-year ended on that date, a summary of material accounting policies and other selected explanatory notes, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of SSH Group Limited and Controlled Entities does not comply with the Corporations Act 2001 including:

- Giving a true and fair view of the Consolidated Entity's financial position as at 31 December 2024 and
 of its performance for the half-year ended on that date; and
- Complying with Accounting Standard AASB 134: Interim Financial Reporting and Corporations Regulations 2001.

Basis for Conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be in the same terms if given to the directors as at the time of this auditor's review report.

Material Uncertainty Related to Going Concern

We draw attention to Note 1 in the financial report, which indicates that the Consolidated Entity had a working capital deficit of \$7,271,670 as at 31 December 2024. As stated in Note 1, these events or conditions, along with other matters as set forth in Note 1, indicate that a material uncertainty exists that may cast significant doubt on the Consolidated Entity's ability to continue as a going concern. Our conclusion is not modified in respect of this matter.

Responsibility of the Directors for the Financial Report

The directors of the Company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such control as the directors determine is necessary to enable the preparation of the half-year financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error.

Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the Corporations Act 2001 including giving a true and fair view of the Consolidated Entity's financial position as at 31 December 2024 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
