## Intelicare Holdings Limited Directors' report 31 December 2024

The Directors present their report, together with the interim financial statements, on the Consolidated Entity (referred to hereafter as the 'Consolidated Entity') consisting of Intelicare Holdings Limited (referred to hereafter as the 'Company' or 'Parent Entity') and the entity it controlled as at the end of, or during the year ended 31 December 2024.

#### **Directors**

The following persons were directors of Intelicare Holdings Limited during the whole of the financial half-year and up to the date of this report, unless otherwise stated:

Neale Fong Greg Leach Tim Chapman (appointed 25 September 2024) Cam Ansell (resigned 25 September 2024)

#### **Company Secretary**

Neil Hackett

#### **Principal activities**

During the financial half-year the principal continuing activities of the Company consisted of:

- Production of a predictive analytics solution for care providers in the aged care, disability and healthcare sectors
- Sales and marketing
- Research and development activities

#### Dividends

There were no dividends paid, recommended or declared during the current or previous financial half-year.

#### **Review of operations**

The loss for the Company after providing for income tax amounted to \$772,513 (31 December 2023: \$662,172).

During the half-year:

- Revenue of \$500,994 was generated for the six-month reporting period ending at 31 December 2024 against \$122,659 for the prior corresponding period for 2023 (an increase of 308%).
- R&D tax rebate of \$619,528 for the tax period ending 30 June 2024 (2023: \$926,252) was received in December 2024, subsequently the Company repaid the R&D loan that it arranged against the FY24 R&D tax refund.
- In December 2024 the Company completed an R&D loan against the expected FY25 R&D tax rebate of \$253,901.

#### **Aged Care Providers**

During the reporting period the Company continued to establish its commercialisation strategy for the scale up of its proprietary InteliCare solution. The primary focus for the half year was the deployment of the InteliCare solution at the Company's largest customer to date, Hardi Aged Care ("Hardi"). Hardi is a Sydney based residential aged care business who owns and operates six residential aged care facilities, supporting more than 560 residents. The contract value is expected to be \$1.7 million in hardware and implementation, and on full deployment will generate in excess of \$0.4 million annually in recurring SaaS fees. To the end of December 2024, InteliCare had largely completed deployment in Hardi's first two sites, including the Manly Vale facility and the initial 42 beds at the Blacktown facility, with final hardware and implementation revenues for those facilities received during the period and monthly SaaS fees commencing. The client handover phase is now underway at these sites, and will continue over the coming months.

During the reporting period the Company generated \$422,193 in revenues from the Hardi deployment, representing 84% of the overall revenue (\$500,994) for the period.

Hardi and the Company have identified and now commenced the planning and implementation for the phased deployment and purchase plans for the next two Hardi facilities. Planning for the deployment of the solution for the final two Hardi facilities is expected to commence during the next quarter.

With the Hardi deployment proceeding as planned, the value proposition and evidence base is now beginning to expand. This adoption continues to drive the broadening and deepening of the pipeline of potential new customers.

#### Intelicare Holdings Limited Directors' report 31 December 2024

In addition to the Hardi deployment, the Company continues to support the InteliCare platform deployment at Koolberrin Lodge in Narembeen, a site operated by WACHS<sup>1</sup>. The solution deployed in this rural residential aged care setting incorporates behavior insights, falls detections, real time vitals monitoring and duress.

#### **Aged Care Reform**

With the changes proposed in the new Aged Care Act and the Support at Home Program coming into effect from 1 July 2025, and the rising costs of care associated with those changes, we are seeing providers seeking solutions that are smart, innovative, and adaptable to their needs. We see this as a growth opportunity for the Company to convert pipeline opportunities into concrete partnerships.

#### **Disability Support Providers**

During the half-year, the Company continued to support the existing deployments across four sites with St John of God Accord disability accommodation sites in Victoria. A fifth site is being planned for the coming year.

#### **Health Care Providers**

During the half-year, the Company entered into a supply agreement with North Shore GP (a GP practice in Townsville) as it undertakes a pilot of a virtual chronic disease monitoring program supporting fifteen (15) patients with chronic heart failure over the next twelve (12) months. North Shore GP is using the InteliCare platform to support their management of these patients, with patient recruitment commencing in late December 2024.

Furthermore, during the quarter, the Company provided support to Specialist Direct Pty Ltd as it launched a pilot project in Brunei in partnership with local healthcare providers. The pilot project is assessing the uptake of and compliance with remote monitoring technology to support the local healthcare providers' existing programs for obesity management, Parkinson's disease and post-stroke patients.

#### **Pipeline Opportunities**

As part of the commercialisation strategy, the Company continues to build its B2B pipeline and seek out opportunities for strategic partnerships and integrations with identified potential users and resellers of the InteliCare platform. The Company has been steadily developing its pipeline and looks forward to converting prospective opportunities into meaningful partnerships.

#### **Product Enhancement and Roadmap**

During the half-year, the Company continued to release new functionality that enhances the Company's offering for the Residential Aged Care market and further optimises the ability to scale deployment capability for both planned and prospective customers. These include:

- Public release of iOS and Android based dashboards that can be installed on any tablet or smart TV as flexible, low-cost alternative for expensive proprietary displays.
- Additional configurable settings for intelligent alert management for call bell, falls alerts and location base alerts to deliver improved visibility for staff and response time tracking.
- Implementation of Bed Occupancy (duration) tracking and variance reporting as an indicator of a resident change in behaviour
- Field testing of staff efficiency optimisations for regulatory reporting obligations such as automated recording and alerting for fridge temperature across the facility, and resident weight measurement capture / recording.
- Expansion of the customisable rules engine to allow for detection of events from an expanded range of sensors.
- Expansion of the system health capabilities and remote support functionality to efficiently manage and support large scale facility deployments.
- Platform management efficiencies reducing hosting costs by up to 25%.

#### **Governance and Capital Raising**

The Company held its Annual General Meeting on 29 November 2024, with all resolutions presented being passed, where the Remuneration Report was approved, Dr Neale Fong was re-elected as director, Mr Tim Chapman was appointed as a director, the Company's extra 10% placement capacity under ASX Listing Rule 7.1A.2 was approved, and the issue of performance rights to directors was ratified.

<sup>&</sup>lt;sup>1</sup> Dr Neale Fong is the Chair of the Western Australia Country Health Service (WACHS), having been appointed in July 2016.

#### Intelicare Holdings Limited Directors' report 31 December 2024

On 20 August 2024, the Company received shareholder approval to issue 193,824,838 shares as part of Tranche 2 of the share placement announced on 24 June 2024, (noting that Tranche 1 of this share placement resulted in the issuing of 56,175,172 shares on 28 June 2024).

#### Significant changes in the state of affairs

There were no significant changes in the state of affairs of the Company during the financial half-year.

#### Matters subsequent to the end of the half-year

No matter or circumstance has arisen since 31 December 2024 that has significantly affected, or may significantly affect the Company's operations, the results of those operations, or the Company's state of affairs in future financial years.

#### Auditor's independence declaration

A copy of the auditor's independence declaration as required under section 307C of the Corporations Act 2001 is set out immediately after this directors' report.

This report is made in accordance with a resolution of directors, pursuant to section 306(3)(a) of the Corporations Act 2001.

On behalf of the directors

Neale Fong Director

#### Note 1. General information

The financial statements cover Intelicare Holdings Limited as a Consolidated Entity consisting of Intelicare Holdings Limited and the entities it controlled at the end of, or during, the half-year. The financial statements are presented in Australian dollars, which is Intelicare Holdings Limited's functional and presentation currency.

Intelicare Holdings Limited is a listed public company limited by shares, incorporated and domiciled in Australia. Its registered office and principal place of business is Level 1, 299 Vincent Street, Leederville WA 6007.

A description of the nature of the Company's operations and its principal activities are included in the directors' report, which is not part of the financial statements.

The financial statements were authorised for issue, in accordance with a resolution of directors, on 28 February 2025.

#### Note 2. Material accounting policy information

These general purpose financial statements for the interim half-year reporting period ended 31 December 2024 have been prepared in accordance with Australian Accounting Standard AASB 134 'Interim Financial Reporting' and the Corporations Act 2001, as appropriate for for-profit oriented entities. Compliance with AASB 134 ensures compliance with International Financial Reporting Standard IAS 34 'Interim Financial Reporting'.

These general purpose financial statements do not include all the notes of the type normally included in annual financial statements. Accordingly, these financial statements are to be read in conjunction with the annual report for the year ended 30 June 2024 and any public announcements made by the Company during the interim reporting period in accordance with the continuous disclosure requirements of the Corporations Act 2001.

The accounting policies adopted are consistent with those of the previous financial year and corresponding interim reporting period, unless otherwise stated.

#### New or amended Accounting Standards and Interpretations adopted

The Consolidated Entity has adopted all of the new or amended Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period.

Any new or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted.

#### Note 2. Material accounting policy information (continued)

#### Going concern

The financial statements have been prepared on the going concern basis, which contemplates continuity of normal business activities and the realisation of assets and discharge of liabilities in the normal course of business.

As disclosed in the financial statements, the Consolidated Entity incurred a loss of \$772,513 and had net cash outflows from operating activities of \$655,029 for the half-year ended 31 December 2024. As at 31 December 2024, the consolidated entity has a cash balance of \$1,259,669.

These factors indicate material uncertainty as to whether the Consolidated Entity will continue as a going concern and therefore whether it will realise its assets and extinguish its liabilities in the normal course of business and at the amounts stated in the financial report.

The Directors believe that there are reasonable grounds to believe that the Consolidated Entity will be able to continue as a going concern, after consideration of the following factors:

- The ability to issue additional shares under the Corporation Act 2001 to raise further working capital; and
- The Consolidated Entity has the ability to scale down its operations in order to curtail expenditure, in the event cash available is insufficient to meet projected expenditure.

Accordingly, the Directors believe that the Consolidated Entity will be able to continue as a going concern and that it is appropriate to adopt the going concern basis in the preparation of the financial report.

The financial report does not include any adjustments relating to the amounts or classification of recorded assets or liabilities that might be necessary if the Consolidated Entity does not continue as a going concern.

- (viii) 3 years service with the Company and achievement of a 30-day VWAP of \$0.03.
- (ix) 3 years service with the Company and achievement of a 30-day VWAP of \$0.05.
- (x) 3 years service with the Company and achievement of a 30-day VWAP of \$0.07.

#### Note 9. Dividends

There were no dividends paid, recommended or declared during the current or previous financial half-year.

#### Note 10. Contingent liabilities and assets

There were no material changes to contingent liabilities or assets since 30 June 2024.

#### Note 11. Operating segments

The consolidated entity has identified its operating segments based on internal reports that are reviewed and used by the board of directors (chief operating decision makers) in assessing performance and determining the allocation of resources.

The consolidated entity's principal activities are the sale of its predictive analytics hardware and software package for use in the aged care and health industries. These activities are all located in the same geographical area being Australia. Given there is only one segment being in one geographical area the financial results from this segment are equivalent to the financial statements of the consolidated entity as a whole.

Intelicare International Inc did not operate during the half-year and no further operational segment disclosure is required.

#### Note 12. Events after the reporting period

No matter or circumstance has arisen since 31 December 2024 that has significantly affected, or may significantly affect the Company's operations, the results of those operations, or the Company's state of affairs in future financial years.

## Intelicare Holdings Limited Directors' declaration 31 December 2024

In the directors' opinion:

- the attached financial statements and notes comply with the Corporations Act 2001, Australian Accounting Standard AASB 134 'Interim Financial Reporting', the Corporations Regulations 2001 and other mandatory professional reporting requirements;
- the attached financial statements and notes give a true and fair view of the Company's financial position as at 31 December 2024 and of its performance for the financial half-year ended on that date; and
- there are reasonable grounds to believe that the Company will be able to pay its debts as and when they become due and payable.

Signed in accordance with a resolution of directors made pursuant to section 303(5)(a) of the Corporations Act 2001.

On behalf of the directors

Neale Fong Director

#### INDEPENDENT AUDITOR'S REVIEW REPORT

To the Members of InteliCare Holdings Limited

#### Report on the Half-Year Financial Report

#### Conclusion

We have reviewed the accompanying half-year financial report of InteliCare Holdings Limited (the Company) and its subsidiaries (the Consolidated Entity) which comprises the consolidated statement of financial position as at 31 December 2024, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year ended on that date, notes comprising material accounting policy information and other explanatory information, and the directors' declaration of the consolidated entity comprising the Company and the entities it controlled at the half-year end or from time to time during the half-year.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the half-year financial report of InteliCare Holdings Limited is not in accordance with the *Corporations Act 2001* including:

- (a) giving a true and fair view of the Consolidated Entity's financial position as at 31 December 2024 and of its performance for the half-year ended on that date; and
- (b) complying with Accounting Standard AASB 134 *Interim Financial Reporting* and *Corporations Regulations* 2001.

#### Basis for Conclusion

We conducted our review in accordance with ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity. Our responsibilities are further described in the Auditor's Responsibilities for the Review of the Financial Report section of our report. We are independent of the Company in accordance with the auditor independence requirements of the Corporations Act 2001 and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 Code of Ethics for Professional Accountants (including Independence Standards) (the Code) that are relevant to our audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

## THE POWER OF BEING UNDERSTOOD ASSURANCE | TAX | CONSULTING

RSM Australia Partners is a member of the RSM network and trades as RSM. RSM is the trading name used by the members of the RSM network. Each member of the RSM network is an independent accounting and consulting firm which practices in its own right. The RSM network is not itself a separate legal entity in any jurisdiction. RSM Australia Partners ABN 36 965 185 036

Liability limited by a scheme approved under Professional Standards Legislation

We confirm that the independence declaration required by the *Corporations Act 2001*, which has been given to the directors of InteliCare Holdings Limited, would be in the same terms if given to the directors as at the time of this auditor's review report.

#### Material Uncertainty Related to Going Concern

We draw attention to Note 2 of the half-year financial report, which indicates that the Consolidated Entity incurred a loss of \$772,513 and had net cash outflows from operating activities of \$655,029 for the half-year ended 31 December 2024. These events or conditions, along with other matters as set forth in Note 1, indicate that a material uncertainty exists that may cast significant doubt on the Consolidated Entity's ability to continue as a going concern. Our conclusion is not modified in respect of this matter.

#### Directors' Responsibility for the Half-Year Financial Report

The directors of InteliCare Holdings Limited are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility for the Review of the Financial Report

Our responsibility is to express a conclusion on the half-year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 Review of a Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the Consolidated Entity's financial position as at 31 December 2024 and its performance for the half-year ended on that date; and complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
