#### Operations

The Company is sole owner of a mining lease, a general-purpose lease, a miscellaneous licence and retention licences which comprise the Wickepin Kaolin Project (Project). The Project, which is one of the largest known remaining kaolin resources in the world, contains an Ore Reserve of 30.5 million tonnes which is included in the Mineral Resource (reported in accordance with JORC 2012) of 644.5 million tonnes of high-grade premium kaolinised granite.

The Company also has a research and development (R&D) centre located at a Company-leased facility in East Rockingham, Western Australia. At the R&D centre, the company is seeking to produce specialty products from its kaolin ore.

During the half-year, the Company continued stabilising Stage 1 operations at the Wickepin plant, with kaolin products sold to customers in Australia and internationally. ## NOTES TO THE FINANCIAL STATEMENTS FOR THE HALF YEAR ENDED 31 DECEMBER 2024

### NOTE 1: MATERIAL ACCOUNTING POLICY INFORMATION

#### a) Reporting entity

WA Kaolin Limited ("WAK" or "Company") is a company domiciled in Australia. The balances of the Company for the half-year ended 31 December 2024 include the Company and the entity it controlled at the end of, or during, the half-year.

#### b) Material Accounting Policies

The accounting policies adopted are consistent with those of the previous financial year and corresponding half year reporting period, as disclosed in the 30 June 2024 annual report.

#### c) Statement of compliance

These half-year financial statements are general purpose consolidated financial statements prepared in accordance with the requirements of the Corporations Act 2001, applicable accounting standards including AASB 134 *'Interim Financial Reporting'*, Accounting Interpretations and other authoritative pronouncements of the Australian Accounting Standards Board ('AASB'). Compliance with AASB 134 ensures compliance with IAS 34 *'Interim Financial Reporting'*.

This half-year report does not include full disclosures of the type normally included in an annual financial report. Therefore, it cannot be expected to provide as full an understanding of the financial performance, financial position and cash flows of the Company as in the full financial report.

It is recommended that this financial report be read in conjunction with the financial statements of WA Kaolin Limited for the year ended 30 June 2024 and any public announcements made by WA Kaolin Limited during the half-year in accordance with continuous disclosure requirements arising under the Corporations Act 2001 and the ASX Listing Rules.

#### d) Significant accounting judgements and key estimates

The preparation of half-year financial reports requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates.

In preparing this half-year report, the significant judgments made by management in applying the Company's accounting policies and the key sources of estimation uncertainty were the same as those that applied to the consolidated financial report for the year ended 30 June 2024.

#### e) Adoption of new and revised Accounting Standards

##### ***Standards and Interpretations applicable to 31 December 2024***

In the half-year ended 31 December 2024, the Directors have reviewed all of the new and revised Standards and Interpretations issued by the AASB that are relevant to the Company and effective for the half-year reporting periods beginning on or after 1 July 2024. There are none that have a material impact on the Company.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE HALF YEAR ENDED 31 DECEMBER 2024

### NOTE 1: MATERIAL ACCOUNTING POLICY INFORMATION (continued)

#### ***New Standards and Interpretations in issue not yet adopted***

The Directors have also reviewed all of the new and revised Standards and Interpretations in issue not yet adopted for the half-year ended 31 December 2024. As a result of this review, the Directors have determined that there is no material impact of the Standard and Interpretations in issue not yet adopted on the Company and, therefore, no change is necessary to its accounting policies.

No other new standards, amendments to standards or interpretations are expected to affect the Company's financial statements.

#### **f) Segment reporting**

Operating segments are presented using the 'management approach', where the information presented is on the same basis as the internal reports provided to the Chief Operating Decision Makers ('CODM'). The CODM is responsible for the allocation of resources to operating segments and assessing their performance. The Company only has one operating segment. With the incorporation of Malaysian entity on 9 August 2023, the Company now operates in multiple geographical locations, however for segment reporting purposes, these locations are not identified as separate operating segments based on the immaterial nature of transactions in Malaysia.

#### **g) Going concern**

For the half-year ended 31 December 2024, the Company recorded a loss from continuing operations after income tax of \$3,497,070 (2023: \$5,550,474) and had net cash outflows from operating activities of \$1,540,652 (2023: \$6,379,799) and working capital deficit of \$20,105,130 (30 June 2024: working capital deficit of \$19,554,126).

The ability of the Company to continue as a going concern is dependent on maintaining the support of its existing and potentially new financiers, increased sales of WA Kaolin's product and securing additional funding through raising of debt or equity to continue to fund the development activities and expansion of its business platform.

These conditions indicate a material uncertainty that may cast significant doubt about the Company's ability to continue as a going concern and, therefore, that it may be unable to realise its assets and discharge its liabilities in the normal course of business.

The financial statements have been prepared on the basis that the entity is a going concern, which contemplates the continuity of normal business activity, realisation of assets and settlement of liabilities in the normal course of business for the following reasons:

- Existing and new orders will be filled as production is ramped up during financial year 2025;
- Support from borrowers to extend \$21,818,402 of loans (note 9) for a further 12 months.
- In February 2025, the Company completed a fully underwritten Accelerated Non-Renounceable Entitlement Offer (ANREO) to raise approximately \$6.98 million (before costs). The offer was made to eligible shareholders on the basis of one (1) new share for every three (3) shares held as at the Record Date, 10 February 2025, at an issue price of \$0.04 per share. The offer closed on 5 March 2025, and the new shares were admitted to official quotation on the ASX on 12 March 2025
- The Company's Classifier project has been successfully installed, enabling the plant to produce finer products, supporting additional cash flow generation through expansion into Asian markets.

Should the entity not be able to continue as a going concern, it may be required to realise its assets and discharge its liabilities other than in the ordinary course of business, and at amounts that differ from those stated in the financial statements and that the financial report does not include any adjustments relating to the recoverability and classification of recorded asset amounts or liabilities that might be necessary should the entity not continue as a going concern.

## INDEPENDENT AUDITOR'S REVIEW REPORT

To the members of WA Kaolin Limited

### Report on the Half-Year Financial Report

#### Conclusion

We have reviewed the half-year financial report of WA Kaolin Limited (the Company) and its subsidiary (the Group), which comprises the consolidated statement of financial position as at 31 December 2024, the consolidated statement of profit or loss and other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the half-year ended on that date, material accounting policy information and other explanatory information, and the directors' declaration.

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the accompanying half-year financial report of the Group does not comply with the *Corporations Act 2001* including:

- i. Giving a true and fair view of the Group's financial position as at 31 December 2024 and of its financial performance for the half-year ended on that date; and
- ii. Complying with Accounting Standard AASB 134 *Interim Financial Reporting* and the *Corporations Regulations 2001*.

#### Basis for conclusion

We conducted our review in accordance with ASRE 2410 *Review of a Financial Report Performed by the Independent Auditor of the Entity*. Our responsibilities are further described in the *Auditor's Responsibilities for the Review of the Financial Report* section of our report. We are independent of the Company in accordance with the auditor independence requirements of the *Corporations Act 2001* and the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to the audit of the annual financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We confirm that the independence declaration required by the *Corporations Act 2001* which has been given to the directors of the Company, would be the same terms if given to the directors as at the time of this auditor's review report.

#### Material uncertainty relating to going concern

We draw attention to Note 1(g) in the financial report which describes the events and/or conditions which give rise to the existence of a material uncertainty that may cast significant doubt about the Group's ability to continue as a going concern and therefore the Group may be unable to realise its assets and discharge its liabilities in the normal course of business. Our conclusion is not modified in respect of this matter.

**Responsibility of the directors for the financial report**

The directors of the company are responsible for the preparation of the half-year financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Corporations Act 2001* and for such internal control as the directors determine is necessary to enable the preparation of the half-year financial report that is true and fair and is free from material misstatement, whether due to fraud or error.

**Auditor's responsibility for the review of the financial report**

Our responsibility is to express a conclusion on the half-year financial report based on our review. ASRE 2410 requires us to conclude whether we have become aware of any matter that makes us believe that the half-year financial report is not in accordance with the *Corporations Act 2001* including giving a true and fair view of the Group's financial position as at 31 December 2024 and its performance for the half-year ended on that date, and complying with Accounting Standard AASB 134 *Interim Financial Reporting and the Corporations Regulations 2001*.

A review of a half-year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.
