SCHEDULE 2 TERMS AND CONDITIONS OF REPLACEMENT FENIX OPTIONS

The key terms and conditions of the replacement options as set out in Schedule 1 (**Options**) are set out below:

- (a) (**Entitlement**): Each Option shall entitle the holder (**Holder**), on exercise, the right to subscribe for one (1) fully paid ordinary share (**Share**) in the capital of Fenix Resources Ltd (ACN 125 323 622) (the **Company**).

- (d) (**Exercise**): At any time prior to the Expiry Date, the Holder may apply to exercise Options by providing the Company a written notice of exercise specifying the number of Options to be exercised and converted into Shares (**Notice of Exercise**) accompanied by payment in full of the relevant number of Options being exercised, being the Exercise Price per Option.

Upon receipt of a Notice of Exercise from the Holder, the Company must allot and issue, or transfer, the relevant number of Shares for which the Holder is entitled to acquire upon exercise in accordance with paragraph (g).

- (e) (**Share ranking**): Each Share allotted as a result of the exercise of an Option will, subject to the constitution of the Company, upon issue rank pari passu in all respects with other Shares.
- (f) (**Quotation**) The Options will not be quoted on ASX. The Company must apply for the official quotation of a Share issued on exercise of an Option on ASX within the time period required by the ASX Listing Rules.
- (g) (**Timing of issue of Shares on Exercise**): Within 5 Business Days of the receipt of a Notice of Exercise from the Holder, the Company will:
 - (i) issue the number of Shares required under these terms and conditions in respect of the number of Options exercised;
 - (ii) if required, give ASX a notice that complies with section 708A(5)(e) of the Corporations Act; and
 - (iii) if admitted to the official list of ASX at the time, apply for official quotation on ASX of Shares issued pursuant to the conversion of the Options.

If the Company is unable to issue a notice under paragraph (g)(ii) or a notice delivered under paragraph (g)(ii) for any reason is not effective to ensure that an offer for sale of the Shares does not require disclosure to investors, Shares issued on exercise of the Options may not be traded until the earlier of (i) 12 months after their issue and (ii) the issue of a prospectus pursuant to section 708A(11) of the Corporations Act, and the Company must, no later than 20 Business Days after the issue of the Shares or becoming aware of such notice being ineffective (as applicable), lodge with ASIC a prospectus prepared in accordance with the Corporations Act and do all such things necessary to satisfy section 708A(11) of the Corporations Act to ensure that an offer for sale of the Shares does not require disclosure to investors. The Company is authorised by the Holder to apply a holding lock on the relevant Shares during the period of such restriction from trading until a prospectus pursuant to section 708A(11) of the Corporations Act has been issued by the Company.

- (h) (**Transfer of Options**): The Options are not transferable.
- (i) (**Participation in new issues**) There are no participating rights or entitlements inherent in the Options to participate in any new issues of capital which may be made or offered by the Company to its shareholders from time to time prior to the Expiry Date unless and until Options are exercised.

- (k) **(Adjustment for rights issues)**: If the Company is listed on ASX and makes a pro rata issue (except a bonus issue) to the holders of Shares, the exercise price of each Option shall be amended in accordance with the formula set out in ASX Listing Rule 6.22.2.
- (l) **(Adjustment for bonus issues)**: If the Company makes a bonus issue of Shares or other securities to existing shareholders (other than an issue in lieu or in satisfaction of dividends or by way of dividend investment) the number of Shares over which the Option is exercisable may be increased by the number of Shares which the Holder would have received if the Option had been exercised by the Holder before the record date for the bonus issue. No change will be made in such circumstances to the Exercise Price of each Option.
- (m) **(Dividend and Voting Rights)**: A Holder will not be entitled to receive dividends or vote at any meetings of the members of the Company unless they are shareholders of the Company.
- (n) **(Deferral of exercise if resulting in a prohibited acquisition of Shares)**: If the exercise of an Option would result in any person being in contravention of section 606(1) of the Corporations Act (**General Prohibition**) then the exercise of that Option shall be deferred until such later time or times that the exercise would not result in a contravention of the General Prohibition. In assessing whether an exercise of an Option would result in a contravention of the General Prohibition:
