Kore Potash Plc

("Kore Potash" or the "Company")

Fundraise to raise approximately US\$10.6 million (£8.1 million)

Kore Potash, the potash exploration and development company whose flagship asset is the 97%-owned Sintoukola Potash Project ("**Kola**" or the "**Kola Project**"), located within the Republic of Congo ("**RoC**"), is pleased to announce it has conditionally raised approximately US\$10.1 million (£7.7 million), before expenses, by way of a placing (the "**Placing**") and direct subscriptions (the "**Subscription**") of new ordinary shares ("**New Ordinary Shares**") in the Company at a price of 1.7 pence per share (the "**Placing Price**") with certain eligible existing shareholders and new institutional and other investors (the Placing and the Subscription together being the "**Fundraise**").

Kore Potash is currently in a close period that restricts Directors and senior management from trading in the Company's shares pending the notification of the audited results for the year ended 31 December 2024 ("**Results**"), which are expected to be notified on or about 31 March 2025. Subject to any regulatory requirements, it is the intention of David Hathorn, Chairman, to subscribe for new ordinary shares of the Company at the Placing Price for a consideration of US\$0.5 million (£0.38 million) (the "**Proposed PDMR Subscription**") as soon as practicable following the notification of the Results on the same terms as the Fundraise, subject to shareholder approval at a general meeting of shareholders to be held in due course.

The Proposed PDMR Subscription would provide US\$0.5m of additional working capital in addition to the funds raised through the Placing and Subscription.

SP Angel Corporate Finance LLP (“**SP Angel**”) and Shore Capital Stockbrokers Limited (“**Shore Capital**”) are acting as joint UK bookrunners (“**Bookrunners**”) in connection with the Fundraise. Kela Securities (Pty) Ltd are coordinating the South African element of the Fundraise.

Highlights

- The proceeds of the Fundraise will be utilised as follows:

Use of Funds	US\$
Payment to PowerChina International Group Limited:	
2022 and 2023 optimization work outstanding balance	800,000
Early Works Agreement	5,000,000
Environmental and Social Impact Assessment (“ESIA”) update	850,000
Advisory/Legal Costs	150,000
Working Capital & Fundraise Cost	3,300,000
Total:	10,100,000

- Placees participated in the Placing on and subject to, the terms and conditions set out in the appendix to this announcement.
- The Directors believe the net proceeds of the Fundraise will provide sufficient working capital for the Company to implement its strategy for at least the next 7 months.
- The New Ordinary Shares proposed to be issued pursuant to the Placing and the Subscription will be issued within the Company’s existing ASX Listing Rule 7.1 capacity.
- Certain South African investors, who fall within the exemptions set out in section 96(1)(a) and/or (b) of the South African Companies Act 71 of 2008 (“**South African Companies Act**”) have agreed to participate in the Subscription under the South African Reserve Bank approval received on 19 September 2024 for up to US\$10million.
- Harlequin Investments Ltd (a Substantial Shareholder as defined under the AIM Rules, and a Company in which David Stevens is an associate) has agreed to participate in the Fundraise, subscribing for 13,586,957 New Ordinary Shares with a total value of approximately US\$0.3 million (£0.23 million). For ASX purposes, this transaction falls outside the scope of listing rule 10.11.3.
- The Company’s two largest shareholders, the Oman Investment Authority (“**OIA**”) and Sociedad Quimica y Minera (“**SQM**”) have been offered the opportunity to subscribe for new ordinary shares in the Company at the Placing Price, in order to preserve their respective shareholdings in the Company. OIA and SQM have up to 20 business days to inform the Company if they intend to subscribe and such participation would be a related party transaction for the purposes of AIM Rule 13. Any participation by OIA and SQM would be in addition to funds raised via the Fundraise and would be subject to shareholder approval at a general meeting of shareholders as required under ASX listing rule 10.11.3.
- The New Ordinary Shares will rank equally with the Company’s existing Ordinary Shares.
- The Placing is conditional on the Subscription completing.

Directors and related parties' participation

As a Substantial Shareholder, Harlequin Investments Ltd's participation in the Fundraise is deemed to be a related party transaction for the purposes of AIM Rule 13. The directors of the Company, having consulted with the Company's nominated adviser, SP Angel, consider that the terms of Harlequin's participation in the Fundraise are fair and reasonable insofar as Shareholders are concerned.

As a director, David Hathorn's intended participation in the Proposed PDMR Subscription is deemed to be a related party transaction for the purposes of AIM Rule 13. The directors of the Company, other than David Hathorn, having consulted with the Company's nominated adviser, SP Angel, consider that the terms of the Proposed PDMR Subscription are fair and reasonable insofar as Shareholders are concerned.

Background

On 6 April 2021, Kore Potash announced the signing of a non-binding Memorandum of Understanding ("**MoU**") with the Summit Consortium ("**Summit**") to arrange the full financing required for the construction of the Kola Project.

On 19 November 2024, Kore Potash executed the Engineering, Procurement and Construction contract ("**EPC**") for the Kola Project with PowerChina International Group Limited ("**PowerChina**"). Prior to the EPC, two studies had been completed by the Company: the Kola Definitive Feasibility Study ("**DFS**") in January 2019 and the Kola Project Optimisation Study ("**Optimisation Study**") in June 2022, details of both of which have been released to AIM, JSE and ASX on 29 January 2019 and 28 June 2022 respectively.

Following signing of the EPC contract, the Company undertook an exercise to optimise the DFS to account for the EPC contract, including updating the Kola production schedule and the forecast financial information. The Company completed its review of the Optimised DFS, with the results summarised in an announcement on 27 February 2025, the highlights of the aforementioned announcement were as follows:

- Capital cost of US\$2.07 billion (nominal basis) on a signed fixed price EPC basis, including owner's costs.
- Assumed construction start date of 1 January 2026, with construction period of 43 months.
- Kola designed with a nameplate capacity of 2.2 million tonnes per annum ("**Mtpa**") of Muriate of Potash ("**MoP**").
- Average MoP production per year of 2.2 Mtpa of MoP for total MoP production of 50Mt over a 23-year life of mine.
- Average cost of MoP delivered to Brazil is US\$128/t. Based on an independent MoP market study commissioned by the Company, management considers Kore Potash is projected to become one of the lowest cost producers in the global agricultural market to Brazil.
- Average annual EBITDA is approximately US\$733 million. Kore Potash is projected to continue to enjoy a very high average EBITDA margin of 74%.
- Key financial metrics, at MoP CFR Brazil pricing averaging US\$449/tonne and on a 90% attributable basis (reflecting Kore's future holding of 90% and the RoC government 10%):
 - Kola NPV10% (real) post-tax US\$1.7 billion
 - IRR 18% (real) on ungeared post-tax basis

- Kola is designed as a conventional mechanised underground potash mine with shallow shaft access. Ore from underground is transported to the processing plant via an approximately 25.5 km long overland conveyor. After processing, the finished product is conveyed 8.5 km to the marine export facility. MoP transferred from the storage area onto barges via a dedicated barge loading jetty before being transhipped into ocean-going vessels for export.

In line with the MoU with the Summit Consortium and, following the execution of the EPC Contract, the financiers in the Summit Consortium are targeting to deliver a non-binding financing term sheet by 31 March 2025. This term sheet will be subject to the completion of detailed and definitive legal documentation.

Each Placee acknowledges and agrees that the Company is responsible for the allotment of the Placing Shares to the Placees and compliance with all applicable laws and regulations of the United Kingdom, Australia and South Africa in effecting the Placing and SP Angel and Shore Capital shall not have any liability to the Placees for the failure of the Company to fulfil those obligations or for any breaches of such laws and regulations. In particular, neither SP Angel nor Shore Capital nor any of their affiliates shall have any liability (including to the extent permissible by law, any fiduciary duties) in respect of SP Angel's or Shore Capital's conduct of the Placing (in whole or in part).

- (b) the Subscription Agreements having been entered into and not having been terminated and the funds in respect of the Subscription Shares having been received in cleared funds by the Company or its nominee;
- (c) none of the warranties or undertakings in the Placing Agreement being untrue, inaccurate or misleading as at the date of the Placing Agreement and immediately prior to Admission becoming effective on the date of the Admission by reference to the facts and circumstances then subsisting;
- (d) the Company having complied with its obligations and having satisfied all conditions under the Placing Agreement which fall to be performed or satisfied on or prior to Admission; and
- (e) admission of the Placing Shares and Subscription Shares to trading on AIM having become effective by no later than 8.00 a.m. (London time) on 27 March 2025 or such later time and/or date as the Company, SP Angel and Shore Capital may agree, but in any event being no later than 8.00 a.m. on 30 April 2025 (**"Admission"**).

Right to terminate under the Placing Agreement

The Placing Agreement contains certain warranties and indemnities from the Company, in each case for the benefit of SP Angel and Shore Capital.

SP Angel and Shore Capital may, in their absolute discretion, at any time before Admission (in respect of the Placing), terminate its obligations under the Placing Agreement by giving notice to the Company in certain circumstances, including, *inter alia*:

- (a) a breach of the warranties given by the Company in the Placing Agreement; or
- (b) a material breach by the Company of any of its obligations under the Placing Agreement; or
- (c) in SP Angel's opinion or Shore Capital's opinion, there has been a specified event or material adverse change in the financial position and/or prospects of the Group; or
- (d) the occurrence of a force majeure event which, in the opinion of SP Angel or Shore Capital, will or is likely to be prejudicial to the Group or the Placing.

Upon termination, the parties to the Placing Agreement shall be released and discharged (except for any liability arising before or in relation to such termination) from their respective obligations under or pursuant to the Placing Agreement, subject to certain exceptions.

By participating in the Placing, each Placee agrees with the Company and the Bookrunners that (i) the exercise by the Bookrunners of any right of termination or of any other discretion under the Placing Agreement shall be within the absolute discretion of the Bookrunners and that they need not make any reference to, or consult with, Placees and that they (nor any of them) shall have no liability to Placees whatsoever in connection with any such exercise or failure to so exercise and (ii) its rights and obligations terminate only in the circumstances described above under "Right to terminate under the Placing Agreement" and "Conditions of the Placing", and its participation will not be capable of rescission or termination by it.

Neither the Company nor SP Angel nor Shore Capital owes any fiduciary duty to any Placee in respect of the representations, warranties, undertakings or indemnities in the Placing Agreement.

Settlement

Following the release of this announcement, each Placee allocated Placing Shares in the Placing will be sent a trade confirmation or contract note in accordance with the standing arrangements in place with SP Angel or Shore Capital, stating the number of Placing Shares allocated to it at the Placing Price, the aggregate amount owed by such Placee to SP Angel or Shore Capital (in GBP) and settlement instructions. Each Placee agrees that it will do all things necessary to ensure that delivery and payment is completed in accordance with either the standing CREST or certificated settlement instructions that it has in place with SP Angel or Shore Capital.

Settlement of transactions in the Placing Shares (ISIN: GB00BYP2QJ94) following Admission will take place within the CREST system, subject to certain exceptions.

It is expected that settlement through CREST of the Placing Shares will take place on 27 March 2025. The Admission and settlement may occur at an earlier date. Settlement will be on a delivery versus payment basis. However, in the event of any difficulties or delays in the admission of the Placing Shares to CREST or the use of CREST in relation to the Placing, the Company, SP Angel and Shore Capital may agree that the Placing Shares should be issued in certificated form. SP Angel and Shore Capital reserve the right to require settlement for the Placing Shares, and to deliver the Placing Shares to Placees, by such other means as they deem necessary if delivery or settlement to Placees is not practicable within the CREST system or would not be consistent with regulatory requirements in a Placee's jurisdiction.

Each Placee is deemed to agree that, if it does not comply with these obligations, SP Angel or Shore Capital may sell any or all of the Placing Shares allocated to that Placee on such Placee's behalf and retain from the proceeds, for SP Angel's or Shore Capital's account and benefit (as agent for the Company), an amount equal to the aggregate amount owed by the Placee plus any interest due. The relevant Placee will, however, remain liable for any shortfall below the aggregate amount owed by it and may be required to bear any stamp duty or stamp duty reserve tax or securities transfer tax (together with any interest or penalties) which

may arise upon the sale of such Placing Shares on such Placee's behalf. By communicating a bid for Placing Shares, each Placee confers on SP Angel or Shore Capital all such authorities and powers necessary to carry out any such sale and agrees to ratify and confirm all actions which SP Angel or Shore Capital lawfully take in pursuance of such sale.

If Placing Shares are to be delivered to a custodian or settlement agent, Placees should ensure that the trade confirmation or contract note is copied and delivered immediately to the relevant person within that organisation.

Insofar as Placing Shares are registered in a Placee's name or that of its nominee or in the name of any person for whom a Placee is contracting as agent or that of a nominee for such person, such Placing Shares should, subject as provided below, be so registered free from any liability to UK stamp duty or stamp duty reserve tax or securities transfer tax. Placees will not be entitled to receive any fee or commission in connection with the Placing

The agreement to allot and issue certain of the Placing Shares by the Company to Placees (and/or the persons for whom such Placee is contracting as agent) free of stamp duty and stamp duty reserve tax relates only to their allotment and issue to Placees, or such persons as they nominate as their agents, direct from the Company for the Placing Shares in question.

Such agreement assumes that the Placing Shares are not being subscribed for in connection with arrangements to issue depositary receipts or to transfer the Placing Shares into a clearance service. In addition, Placees should note that they will be liable for any stamp duty and all other stamp, issue, securities, transfer, registration, documentary or other duties or taxes (including any interest, fines or penalties relating thereto) payable outside the UK by them or any other person on the subscription by them of any Placing Shares or the agreement by them to subscribe for any Placing Shares.

Each Placee, and any person acting on behalf of the Placee, acknowledges that SP Angel and Shore Capital do not owe any fiduciary or other duties to any Placee in respect of any representations, warranties, undertakings or indemnities in the Placing Agreement.

When a Placee or person acting on behalf of the Placee is dealing with Shore Capital, any money held in an account with Shore Capital on behalf of the Placee and/or any person acting on behalf of the Placee will not be treated as client money within the meaning of the rules and regulations of the FCA made under the FSMA. The Placee acknowledges that the money will not be subject to the protections conferred by the client money rules; as a consequence, this money will not be segregated from Shore Capital's money in accordance with the client money rules and will be used by Shore Capital in the course of their own business and the Placee will rank only as a general creditor of Shore Capital.
