HOLISTA COLLTECH WELCOMES GREGORY PILANT TO ITS BOARD OF DIRECTORS

Holista Colltech Limited (ASX: HCT) ("Holista") is delighted to announce the appointment of Mr. Gregory Pilant ("Mr. Pilant") as a Non-Executive Director, effective immediately. His appointment is part of Holista's strategic plan to enhance leadership expertise in the biotechnology industry, particularly in sectors relevant to our innovative product lines.

Mr. Pilant, is Founder, CEO and Chairman of CEO of Regenerex Pharma, Inc., which is listed on the OTC in the United States. He brings with him a profound knowledge of pharmaceutical and biotechnology sectors, especially in the field of regenerative medicine. His expertise will be invaluable as Holista continues to innovate in health solutions and food sciences, including collagen.

Holista Chair, Mr. David Deloub, said "Gregory's leadership at Regenerex has been marked by groundbreaking advancements in medical technologies. We are excited to have him join our board, bringing a wealth of experience and a proven track record in biotechnological innovations. His participation in our recent converting loan initiative, which provided crucial funding for our projects, further demonstrates his commitment and belief in our mission."

Gregory Pilant commented on his appointment: "I am pleased to join Holista Colltech's board and support the Company's innovative direction. I look forward to contributing to the team and advancing our projects in health solutions and food sciences."

Pilant has also agreed to director's fee of \$1 per annum, underscoring his dedication to our growth and success rather than personal gain.

About Gregory Pilant: Gregory Pilant has a distinguished career in the biotech industry, with a focus on regenerative medicine. At Regenerex, he has led numerous initiatives that have pioneered new therapies, including advanced wound care solutions that have been recognized globally for their effectiveness and innovation.

This announcement has been authorised for release by the Board of Directors.

ABOUT HOLISTA COLLTECH

Holista Colltech Ltd (“**Holista**”) is a research-driven biotech company, a result of the merger of Holista Biotech Sdn Bhd and Colltech Australia Ltd. It is listed on the Australian Securities Exchange (**ASX:HCT**), headquartered in Perth and has extensive operations in multiple countries, including Malaysia and North America.

Holista’s core business is to conduct research to find natural solutions so that people can live healthier lives. The Group holds proprietary solutions to help food manufacturers produce healthier alternatives – without use of chemicals – that do not compromise tastes and mouthfeel. Building on its partnership network and expertise, Holista has also developed advanced technologies related to collagen and nano-collagen.
