Dreadnought Resources Ltd (“Dreadnought”) is pleased to announce it has received firm commitments for a two tranche Placement of \$8.5 million at \$0.012 per share. Dreadnought also announces an SPP of up to \$1.5 million at the same price as the Placement, subject to confirmation from ASX of grant of necessary ASX waiver.

Dreadnought’s Managing Director, Dean Tuck, commented: “We are delighted with the support for the Placement, including Black Cat Syndicate, and welcome a number of new professional and sophisticated investors to the register. Funds raised from the Placement will allow us to continue to advance the Mangaroon Gold Project, including Resource and regional drilling, complete mining approvals and studies, including a gravity gold study, along with drilling at Illaara.

This is a strong environment for gold and we intend to find as much gold as we can in the shortest possible time. Finding more gold, faster. Our recent gold consolidations around Mangaroon are testament to that philosophy.

Producing a gold Ore or concentrate for Black Cat Syndicate’s processing facility at Paulsens also remains a priority.

We also hope to offer the opportunity for eligible shareholders on the record date to participate in an SPP at the same price as the Placement. On behalf of the Board, I would like to thank our shareholders for their ongoing support.”

Petra Capital acted as Sole Lead Manager and Sole Bookrunner to the Placement.
