Caprice has been making significant progress at the Island Gold Project, with the latest drilling campaign once again returning exceptional initial results as announced to the ASX today.

In this webinar, Luke Cox will provide insights into:

- Recent drilling results and what it means for the Island Gold Project
- Next steps for exploration at Island Gold

This is a great opportunity to get the latest updates directly from the CEO and ask questions about Caprice's future exploration plans.

This announcement has been authorised for release by the CEO of Caprice Resources Limited.
