PIEDMONT LITHIUM AND SAYONA MINING ANNOUNCE AMENDMENTS TO MERGER AGREEMENT

Belmont, North Carolina, April 23, 2025 – Piedmont Lithium Inc. (“Piedmont,” “the Company,” “we,” “our,” or “us”) (Nasdaq: PLL; ASX: PLL), a leading North American supplier of lithium products critical to the U.S. electric vehicle supply chain, and Sayona Mining Limited (“Sayona”) provide an update in relation to the proposed merger between Piedmont and Sayona announced on November 19, 2024 (the “Transaction”) that will combine the two companies to create a leading lithium business.

Piedmont and Sayona entered into an amendment (the “Amendment”) to the agreement and plan of merger governing the Transaction. The Amendment provides for, among other things, the following:

- Sayona seeking Sayona shareholder approval for a reverse stock split to consolidate Sayona’s shares at a ratio of 1-for-150 and, subject to being approved by shareholders, the implementation of the consolidation prior to completion of the Transaction;
- an updated exchange ratio of 3.5133 Sayona shares for each Piedmont Lithium ordinary share if the consolidation is approved by Sayona shareholders and effected prior to completion (compared to the previously announced exchange ratio of 527 Sayona shares for each Piedmont Lithium ordinary share to account for the 1-for-150 consolidation);
- that each Sayona American Depository Share (“ADS”) issued in the Transaction will represent 1,500 Sayona shares pre-share consolidation or 10 Sayona shares post-share consolidation;
- Sayona seeking Sayona shareholder approval to change the name of the combined company to Elevra Lithium Limited, the ticker symbol on the ASX to “ELV” and the ticker symbol for the ADSs on the Nasdaq to “ELVR”;
- Sayona seeking ratification by Sayona’s shareholders of the issuance of 1.25 billion Sayona shares in the equity financing completed in November 2024 following the signing of the merger agreement for the Transaction; and
- Sayona seeking the approval of Sayona’s shareholders to increase the total maximum aggregate Directors’ fees payable to Non-Executive Directors after completion of the Transaction to reflect the larger Board composition.

About Piedmont

Piedmont Lithium Inc. (Nasdaq: PLL; ASX: PLL) is developing a world-class, multi-asset, integrated lithium business focused on enabling the transition to a net zero world and the creation of a clean energy economy in North America. Our goal is to become one of the largest lithium hydroxide producers in North America by processing spodumene concentrate produced from assets where we hold an economic interest. Our projects include our Carolina Lithium project in the United States and partnerships in Quebec with Sayona Mining (ASX: SYA) and in Ghana with Atlantic Lithium (AIM: ALL; ASX: A11). We believe these geographically diversified operations will enable us to play a pivotal role in supporting America's move toward energy independence and the electrification of transportation and energy storage.

Forward-Looking Statements

This press release contains forward-looking statements within the meaning of or as described in securities legislation in the United States and Australia, including statements regarding exploration, development, construction, and production activities of Sayona Mining, Atlantic Lithium, and Piedmont; current plans for Piedmont's mineral and chemical processing projects; Piedmont's potential acquisition of an ownership interest in Ewoyaa; and strategy.
