## **A\$27.25M Placement**

Tolu Minerals Limited (**ASX: TOK, Tolu Minerals** or the **Company**) is pleased to announce that it has received firm commitments for a A\$27.25 million placement to sophisticated and institutional investors at an issue price of A\$0.80 per share (**Placement**).

---

### **HIGHLIGHTS:**

- Firm commitments received for a A\$27.25 million Placement.
  - Strong domestic and international demand from new and existing institutional and sophisticated shareholders.
  - Proceeds from the Placement will be used for:
    - An extensive exploration program at mine, near mine and regionally;
    - The proposed exploration program builds on the results of an extensive Airborne Magneto Telluric survey;
    - Refurbishment and construction of Tolukuma Gold Mine infrastructure, including tailings management facility, mining equipment and existing CIL gold plant refurbishment; and
    - Working capital and costs of the offer.
- 

### **Tolu Minerals Managing Director & Chief Executive Officer, Iain Macpherson commented:**

*This successful capital raise allows Tolu to accelerate our exploration strategy and commission early gravity related gold production.*

*The appointment of Dr Chris Muller, Tolu's Head of Geology Exploration & Strategy will be instrumental in unlocking one of the most exciting geological regions of Papua New Guinea. Dr Muller has worked in PNG for over 20 years and led highly successful exploration efforts at K92 and Wafi Golpu.*

*Tolu has also started a return to gravity related high grade gold production and is ready to commence a scalable build of gold processing.*

*We remain grateful for the ongoing support of leading global and Papuan institutional investors and existing shareholders.*

## Use of Funds

The proceeds from the Placement will be utilised for implementation of an extensive surface exploration plan following the completion and results of the Airborne Magneto Telluric survey, further redevelopment and construction of the Tolukuma Gold Mine infrastructure (including mining equipment and long-term tailings management facility) and working capital and costs of the offer.

## Placement Details

An equity raising of A\$27.25 million (before costs) via a Placement. Approximately 34.1 million New Shares will be issued under the Placement to sophisticated, professional and institutional investors utilising the Company's available Listing Rule 7.1 & 7.1A capacity.

The Placement issue price of A\$0.80 per share represents a 9.6% discount to Tolu Minerals' last traded price (24 April 2025) of A\$0.885 per share, a 7.5% discount to the 5-day volume weighted average price (**VWAP**) of A\$0.865 per share and a 6.2% discount to the 15-day VWAP of A\$0.853 per share.

New Shares issued will rank equally with existing shares on issue.
