EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. FINANCIAL STATEMENTS AND REPORTS

In accordance with the Corporations Act, the business of the Meeting will include receipt and consideration of the annual financial report of the Company for the financial year ended 31 December 2024 together with the declaration of the Directors, the Directors' report, the Remuneration Report and the auditor's report.

The Company will not provide a hard copy of the Company's annual financial report to Shareholders unless specifically requested to do so. The Company's annual financial report is available on its website at www.i-synergygroup.com.

2. RESOLUTION 1 – ADOPTION OF REMUNERATION REPORT

2.1 General

The Corporations Act requires that at a listed company's annual general meeting, a resolution that the remuneration report be adopted must be put to the shareholders. However, such a resolution is advisory only and does not bind the company or the directors of the company.

The remuneration report sets out the company's remuneration arrangements for the directors and senior management of the company. The remuneration report is part of the directors' report contained in the annual financial report of the company for a financial year.

The chair of the meeting must allow a reasonable opportunity for its shareholders to ask questions about or make comments on the remuneration report at the annual general meeting.

2.2 Voting consequences

A company is required to put to its shareholders a resolution proposing the calling of another meeting of shareholders to consider the appointment of directors of the company (**Spill Resolution**) if, at consecutive annual general meetings, at least 25% of the votes cast on a remuneration report resolution are voted against adoption of the remuneration report and at the first of those annual general meetings a Spill Resolution was not put to vote. If required, the Spill Resolution must be put to vote at the second of those annual general meetings.

If more than 50% of votes cast are in favour of the Spill Resolution, the company must convene a shareholder meeting (**Spill Meeting**) within 90 days of the second annual general meeting.

All of the directors of the company who were in office when the directors' report (as included in the company's annual financial report for the most recent financial year) was approved, other than the managing director of the company, will cease to hold office immediately before the end of the Spill Meeting but may stand for re-election at the Spill Meeting.

Following the Spill Meeting those persons whose election or re-election as directors of the company is approved will be the directors of the company.

2.3 Previous voting results

At the Company's previous annual general meeting the votes cast against the remuneration report considered at that annual general meeting were less than 25%. Accordingly, the Spill Resolution is not relevant for this Meeting.

3. RESOLUTION 2 – ELECTION OF DIRECTOR – JIAYI YU

3.1 General

The Constitution allows the Directors to appoint at any time a person to be a Director either to fill a casual vacancy or as an addition to the existing Directors, but only where the total number of Directors does not at any time exceed the maximum number specified by the Constitution.

Pursuant to the Constitution and Listing Rule 14.4, any Director so appointed holds office only until the next annual general meeting and is then eligible for election by Shareholders but shall not be taken into account in determining the Directors who are to retire by rotation (if any) at that meeting.

Mr Jiayu Yu, having been appointed by other Directors on 24 January 2025, retires in accordance with the Constitution, will retire in accordance with the Constitution and Listing Rule 14.4 and being eligible, seeks election from Shareholders.

3.2 Qualifications and other material directorships

Mr Jiayi Yu brings extensive experience in cross-border mergers and acquisitions, capital raising, property development management, and financing, which are set to bring fresh leadership and expertise to I Synergy to work towards great shareholder value. Mr Yu was previously the Chief Executive Officer of Anchor Resources Limited (ASX:AHR).

3.3 Independence

If elected, the Board considers Mr Yu to be an independent Director.

3.4 Effect of Resolution

If Resolution 2 is passed, Mr Yu will be re-appointed as a Director of the Company.

In the event that Resolution 2 is not passed, Mr Yu will cease being a Director of the Company from the conclusion of the Annual General Meeting.

3.5 Board recommendation

The Board has reviewed Mr Yu's performance since his appointment to the Board and considers that Mr Yu's skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the election of Dato' Hoo and recommends that Shareholders vote in favour of Resolution 2.

4. RESOLUTION 3 – RE-ELECTION OF DIRECTOR – DATO' HOO VOO HIM

4.1 General

The Constitution sets out the requirements for determining which Directors are to retire by rotation at an annual general meeting.

Dato' Hoo Voo Him, who has served as a Director since 17 November 2023 and was last re-elected on 31 May 2024 by way of casual vacancy, now retires by rotation and seeks re-election.

4.2 Qualifications and other material directorships

Dato' Hoo is a board member, venture capitalist, investor, corporate adviser, and a senior management executive with more than 20 years of experience working across continents (Asia, Australia, Europe, UK and US), managing portfolios across diverse industries such as information technology (IT), finance, education, and real estate.

As the Executive Chairman of VCI Global Limited, Dato' Hoo has been actively involved in a myriad of capital market and technology-improvement-related deals. His credentials include advisory roles in real estate, human capital management, hospitality, education, cleantech, fintech, and robotics companies. Dato' Hoo is currently managing a portfolio encompassing over 40 Malaysian public listed companies with a combined market capitalisation of approximately US\$13 billion.

Dato' Hoo graduated from the University of Queensland, Australia with a Bachelor of Arts in International Relations and Japanese in 2002. Subsequently, he obtained a Postgraduate Diploma in Laws (Commercial and Corporate Law) and a Certificate in Laws (Banking and Finance Law) from the University of London in 2010.

4.3 Independence

If re-elected, the Board considers Dato' Hoo to be an independent Director.

4.4 Effect of Resolution

If Resolution 3 is passed, Dato' Hoo will be re-appointed as a Director of the Company for an additional term.

In the event that Resolution 3 is not passed, Dato' Hoo will cease being a Director of the Company from the conclusion of the Annual General Meeting.

4.5 Board recommendation

The Board has reviewed Dato' Hoo's performance since his appointment to the Board and considers that their skills and experience will continue to enhance the Board's ability to perform its role. Accordingly, the Board supports the re-election of Dato' Hoo and recommends that Shareholders vote in favour of Resolution 3.

5. RESOLUTIONS 4, 5, 6, 7 AND 8: RATIFICATION OF PRIOR ISSUE OF EMPLOYEE AND PLACEMENT SHARES

5.1 Background

The Company had conducted a series of share issues to employees and private placements under its ASX Listing Rule 7.1 and 7.1A placement capacity. During the year, the Company had made the following issues:

- 2,137,413 Shares issued to satisfy amounts owing to three former employees of the Company;

- 20,000,000 Shares issued for the November 2024 private placement to raise A\$100,000, refer to ASX Announcement dated 28 November 2024;
- 20,000,000 Shares issued for the January 2025 private placement to raise A\$100,000, refer to ASX Announcement dated 29 January 2025; and
- 22,5000,000 Shares (10,974,642 issued under Listing Rule 7.1 and 11,525,358 issued under Listing Rule 7.1A placement capacity) issued for the March 2025 private placement to raise A\$90,000, refer to ASX Announcement dated 27 March 2025.

(collectively, the Employee and Placement Shares).

All shares issued rank equally with all existing Shares on issue.

Resolutions 4, 5, 6, 7 and 8 seek the approval of Shareholders to ratify the issue of the employee and private placement Shares. They are ordinary resolutions, requiring then to be passed by a simple majority of votes cast by the Shareholders entitled to vote on them.

5.2 ASX Listing Rules 7.1 and 7.1A

Broadly speaking, and speaking to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under Listing Rule 7.1A, an eligible entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%. The Company obtained approval to increase its limit to 25% at the annual general meeting held on 31 May 2024.

Pursuant to Listing Rule 7.1A.3, any equity securities issued under rule 7.1A must be in an existing class of equity securities and issued for a cash consideration per security which is not less than 75% of the volume weighted average market price (VWAP) for securities in that class, calculated over the 15 trading days on which trades in that class. In addition, the company is only eligible to access an additional 10% placement capacity if its market capitalisation is less than \$300million, and must not be included in the S&P/ASX 300 index at the time of shareholder approval.

The issue of the Employee and Placement Shares does not fit within any of the exceptions to Listing Rule 7.1 or 7.1A set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it uses up part of the combined 25% limit in Listing Rules 7.1 and 7.1A, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rules 7.1 and 7.1A for the 12 month period following the date of issue of the Employee and Placement Shares.

5.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for

such issues under Listing Rules 7.1 and 7.1A. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Employee and Placement Shares.

Resolutions 4, 5, 6, and 7 seek Shareholders ratification pursuant to Listing Rule 7.4 for the issue of the Employee and Placement Shares under Listing Rule 7.1. Resolution 8 seeks Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Placement Shares under Listing Rule 7.1A.

5.4 Effect of Resolutions

In the event that Resolutions 4, 5, 6, 7 and 8 are not passed, the Employee and Placement Shares will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Employee and Placement Shares.

In the event that Resolutions 4, 5, 6, 7 and 8 are passed, the Employee and Placement Shares will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of issue of the Employee and Placement Shares.

These Resolutions are not interdependent in that any Resolutions 4, 5, 6, 7 and 8 can be passed without all of Resolutions 4, 5, 6, 7 and 8 passing.

5.6 Board Recommendation

All of the Directors recommend that Shareholders vote in favour of Resolutions 4, 5, 6, 7 and 8.

Where appointed as an undirected proxy, the Chair will cast available proxy votes in favour of Resolutions 4, 5, 6, 7 and 8. Shareholders may choose to direct the Chair (as proxy) to vote for or against Resolutions 4, 5, 6, 7 and 8 or to abstain from voting.

6. RESOLUTION 9 – APPROVAL OF 7.1A MANDATE

6.1 General

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of Equity Securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

However, under Listing Rule 7.1A, an eligible entity may seek shareholder approval by way of a special resolution passed at its annual general meeting to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and has a market capitalisation of \$300,000,000 or less. The Company is an eligible entity for these purposes.

As at the date of this Notice, the Company is an eligible entity as it is not included in the S&P/ASX 300 Index and has a current market capitalisation of A\$1.33 million (based on the number of Shares on issue and the closing price of Shares on the ASX on 16 April 2025).

Resolution 9 seeks Shareholder approval by way of special resolution for the Company to have the additional 10% placement capacity provided for in Listing Rule 7.1A to issue Equity Securities without Shareholder approval.

For note, a special resolution is a resolution requiring at least 75% of votes cast by shareholders present and eligible to vote at the meeting in favour of the resolution.

If Resolution 9 is passed, the Company will be able to issue Equity Securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further Shareholder approval.

If Resolution 9 is not passed, the Company will not be able to access the additional 10% capacity to issue Equity Securities without Shareholder approval under Listing Rule 7.1A, and will remain subject to the 15% limit on issuing Equity Securities without Shareholder approval set out in Listing Rule 7.1.

6.2 Technical information required by Listing Rule 7.1A

Pursuant to and in accordance with Listing Rule 7.3A, the information below is provided in relation to Resolution 9:

(a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum price

Any Equity Securities issued under the 7.1A Mandate must be in an existing quoted class of Equity Securities and be issued for cash consideration at a minimum price of 75% of the volume weighted average price of Equity Securities in that class, calculated over the 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the Equity Securities; or

- (ii) if the Equity Securities are not issued within 10 trading days of the date in Section 6.2(b)(i), the date on which the Equity Securities are issued.

(c) **Use of funds raised under the 7.1A Mandate**

The Company intends to use funds raised from issues of Equity Securities under the 7.1A Mandate to progress the Company's business operations, working capital, or other opportunities identified by the Directors.

(d) **Risk of Economic and Voting Dilution**

Any issue of Equity Securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 9 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

The table below shows the dilution of existing Shareholders calculated in accordance with the formula outlined in Listing Rule 7.1A.2, on the basis of the closing market price of Shares and the number of Equity Securities on issue or proposed to be issued as at 16 April 2025.

The table also shows the voting dilution impact where the number of Shares on issue (Variable A in the formula) changes and the economic dilution where there are changes in the issue price of Shares issued under the 7.1A Mandate.

Number of Shares on Issue (Variable A in Listing Rule 7.1A.2)		Shares issued – 10% voting dilution	Dilution		
			Issue Price		
			\$0.002	\$0.003	\$0.005
			50% decrease	Issue Price	50% increase
			Funds Raised		
Current	444,208,191 Shares	44,420,819 Shares	\$88,842	\$133,262	\$222,104
50% increase	666,312,287 Shares	66,631,229 Shares	\$133,262	\$199,894	\$333,156
100% increase	888,416,382 Shares	88,841,638 Shares	\$177,683	\$266,525	\$444,208

*The number of Shares on issue (Variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The table above uses the following assumptions:

1. There are currently 444,208,191 Shares on issue as at 16 April 2025, being the date this Notice was prepared.
2. The issue price set out above is the closing market price of the Shares on the ASX on 16 April 2025 (being \$0.003).
3. The Company issues the maximum possible number of Equity Securities under the 7.1A Mandate.

4. The issue of Equity Securities under the 7.1A Mandate consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities. If the issue of Equity Securities includes quoted Options, it is assumed that those quoted Options are exercised into Shares for the purpose of calculating the voting dilution effect on existing Shareholders.
5. The calculations above do not show the dilution that any one particular Shareholder will be subject to. All Shareholders should consider the dilution caused to their own shareholding depending on their specific circumstances.
6. This table does not set out any dilution pursuant to approvals under Listing Rule 7.1 unless otherwise disclosed.
7. The 10% voting dilution reflects the aggregate percentage dilution against the issued share capital at the time of issue. This is why the voting dilution is shown in each example as 10%.
8. The table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 7.1A Mandate, based on that Shareholder's holding at the date of the Meeting.

Shareholders should note that there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the issue date than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

(e) **Allocation policy under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, the recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of the issue under the 7.1A Mandate, having regard to the following factors:

- (i) the purpose of the issue;
- (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue, share purchase plan, placement or other offer where existing Shareholders may participate;
- (iii) the effect of the issue of the Equity Securities on the control of the Company;
- (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
- (v) prevailing market conditions; and
- (vi) advice from corporate, financial and broking advisers (if applicable).
