NT Minerals Limited (ASX: NTM) – Continuation of Suspension from Quotation

Description

The securities of NT Minerals Limited ('NTM') were suspended at NTM's request on 24 April 2025 pending an announcement in relation to the potential disposal of the Redbank Copper Project in the Northern Territory. NTM's securities will now be suspended from quotation in accordance with Listing Rule 17.3 due to NTM not having lodged an announcement in relation to the proposed disposal by commencement of trading on Friday, 2 May 2025, being the timeframe contemplated in its request for voluntary suspension.

The suspension will continue until ASX is satisfied that NTM is in compliance with the Listing Rules, including Listing Rule 3.1, and that it is otherwise appropriate for NTM's securities to be reinstated to quotation.
