

Proteomics International

LABORATORIES LTD

5 May 2025

Dear Shareholder,

Invitation to participate in Share Purchase Plan

On 22 April 2025, Proteomics International Laboratories Ltd (ACN 169 979 971) (the **Company**) announced that it will be conducting a placement of 10,810,811 fully paid ordinary shares in the Company (**Shares**) at an issue price of \$0.37 per Share to sophisticated, institutional and professional investors, raising approximately \$4 million (**Placement**). The Placement will include one (1) free attaching option, exercisable at \$0.50 per option on or before 31 May 2026, (**Option**) for every two Shares applied for and issued under the Placement.

The Shares and Options to be issued under the Placement will be issued utilising the Company's placement capacity pursuant to ASX Listing Rule 7.1.

The Company will additionally be seeking shareholder approval for directors and key management personnel to invest in the Company on the same terms as the unrelated placement participants (**Director Participation**). If such shareholder approval is obtained, the Company will raise a further aggregate of \$500,000.

The Company is pleased to offer its shareholders the opportunity to participate in the Company's Share Purchase Plan (**Plan**) as announced by the Company to the ASX on 22 April 2025.

Under the Plan, Eligible Shareholders will have the opportunity to purchase up to \$30,000 worth of Shares at the same issue price as the Placement (\$0.37 per Share), irrespective of the size of their shareholding in the Company, without incurring brokerage or transaction costs.

The offer under the Plan (**Offer**) is intending to raise a maximum of \$1,000,000 on the terms and conditions contained in this document (**Terms and Conditions**). The Company may elect to accept oversubscriptions or alternatively close the Offer early and/or scale back applications at its absolute discretion.

Shareholders eligible to participate in the Plan

Participation under the Plan is optional and is available exclusively to shareholders of the Company who are registered as holders of Shares as at 5:00pm (AWST) on 17 April 2025 (**Record Date**) and whose registered address is in Australia or New Zealand (**Eligible Shareholders**).

Share Purchase Plan

The Plan entitles Eligible Shareholders, irrespective of the size of their shareholding in the Company, to purchase up to \$30,000 worth of Shares at an issue price of \$0.37 per Share (**Price**) being the same issue price as the Shares offered to sophisticated and professional investors under the Placement. The Price represents a discount of 18.5% of the volume weighted average market price for the Shares over the last five trading days on which sales in the Shares were recorded prior to the date the Plan was announced on 22 April 2025, being \$0.45.

While the Company intends to raise \$1,000,000 under the Plan, the Company reserves the right to accept oversubscriptions at its absolute discretion, subject to shareholder demand and compliance with the ASX Listing Rules. In accordance with the ASX Listing Rules, the maximum number of Shares that

can be issued under a share purchase plan is that amount equal to 30% of the Company's existing issued share capital. Accordingly, as at the date of this document the maximum number of Shares which will be issued under this Plan will be 39,300,815.

In addition, depending on applications received, the Company may, in its absolute discretion, undertake a scale back so that not more than \$1,000,000 is raised under the Plan. Scale back decisions are made by the Board and are final.

Eligible Shareholders will also receive one (1) free attaching Option for every two (2) Shares subscribed for and issued under the Plan. Each free attaching Option will be on the same terms as the Options issued under the Placement. The offer of Options is a separate offer which will be made under the Prospectus released to the ASX on 28 April 2025.

The Plan will not be underwritten.

The directors of the Company who are Eligible Shareholders may participate under the Plan subject to the Listing Rules.

A copy of the terms and conditions and application form for the Plan (**Application Form**) is available online via the company's Share Registry, Automic at <https://investor.automic.com.au>

The Company confirms that if the amount to be refunded is less than the issue price of one Share, being \$0.37, it will not be refunded and will be retained by the Company.

Once an Application has been made it cannot be revoked.

Multiple holdings

The maximum investment any Eligible Shareholder may apply for will remain \$30,000 even if an Eligible Shareholder receives more than one Offer (whether in respect of a joint holding or because the Eligible Shareholder has more than one holding under a separate account). It is the responsibility of the applicant to ensure that the aggregate of the application amount paid for the Shares the subject of the Application and any other shares and interests in the class applied for by you under the Plan or any similar arrangement in the 12 months prior to the date of submission does not exceed \$30,000.

Custodians and Nominees

Eligible Shareholders who hold Shares as custodian or nominee (**Custodian**) for one or more persons on the Record Date (**Beneficiary**) may apply for up to a maximum amount of \$30,000 worth of Shares in respect of each Beneficiary who is resident in Australia or New Zealand, subject to providing a Custodian Certificate to the Company, as described in the Terms and Conditions. Please refer to the Terms and Conditions section of this document below for more details.

Relationship of issue price with market price

On the last trading day immediately prior to the announcement date of the Offer, the closing price of the Shares traded on ASX was \$0.45. The market price of Shares in the Company may rise and fall between the date of the Offer and the date that any Shares are issued to you pursuant to your Application under the Offer.

By making an Application under the Offer and applying for Shares under the Plan, each Eligible Shareholder will be acknowledging that although the Price is at a discount, Shares are a speculative investment and the price of Shares on ASX may change between the date of the Company announcing its intention to make an offer and the date of issue of Shares under that offer and that the value of the Shares received under the Plan may rise or fall accordingly.

The Board recommends that you obtain your own financial and taxation advice in relation to the Offer and consider price movements of Shares in the Company prior to making an Application under the Offer.

Additional information and important dates

The offer of Shares under the Plan is made in accordance with ASIC Corporations (Share and Interest Purchase Plans) Instrument 2019/547 (**ASIC CI 2019/547**) and therefore does not require a prospectus for the purposes of Chapter 6D of the *Corporations Act 2001* (Cth) (**Corporations Act**).

The Offer cannot be transferred, and the Directors of the Company reserve the right in their absolute discretion to reject, or scale back, in the manner it sees fit, any Application. In doing so, the Directors may take into account a number of factors including:

- (a) the size of your shareholding as at the Record Date;
- (b) the extent to which you have sold or purchased Shares since the Record Date;
- (c) whether you have multiple registered holdings; and
- (d) the date on which your application was made.

Shares issued under the Plan will be issued no more than five business days after the Closing Date of the Offer. Application for quotation on ASX of the Shares issued under the Offer will be made immediately following the issue of those Shares.

The maximum amount proposed to be raised under the Offer is \$1,000,000. The Company, however, reserves absolute discretion regarding the final amount raised under the Offer, subject to the ASX Listing Rules.

In the event of oversubscriptions by the Closing Date the Directors of the Company may, in their absolute discretion, scale-back applications on an equitable basis. Scale-back for Shares held by Custodians will be applied at the level of the underlying Beneficiary. The Directors of the Company may also, in their absolute discretion, decide to increase acceptances in the event of oversubscriptions.

If the Company rejects or scales-back an Application or purported Application, the Company will promptly return to the applicant the relevant application monies, without interest.

Shareholders should seek independent financial and taxation advice before making any investment decision whether to subscribe for Shares under the Plan.

Shareholders eligible to participate

Holders of Shares that are registered with an Australian or New Zealand address at the Record Date are eligible shareholders (**Eligible Shareholders**) and may participate in the Plan, unless such registered shareholder holds Shares on behalf of another person who resides outside Australia or New Zealand. Due to foreign securities laws, it is not practical for shareholders (or beneficial shareholders) resident in other countries to be offered the opportunity to participate in the Plan.

Price of Shares

The issue price of Shares under the Plan has been set to match the issue price of Shares offered under the Placement.

The issue price of Shares to be issued under the Plan is \$0.37 which represents a discount of 18.5% of the volume weighted average market price for the Shares over the last five trading days on which sales in the Shares were recorded prior to the date the Plan was announced on 22 April 2025, being \$0.45.

Placement of shortfall

The Company does not intend to place any shortfall under the Offer.

Issue of Shares

Shares to be issued under the Plan will be issued as soon as reasonably practicable after the Closing Date and in any event no more than five business days after the Closing Date.

All Shares issued under the Plan will rank equally in all respects with all other fully paid ordinary shares in the capital of the Company from the date of issue.

Holding statements or CHESS notification will be issued in respect of all Shares issued under the Plan. The Company will, promptly after the issue of Shares under the Plan, make an application for those Shares to be quoted on ASX.

Modification and termination of the Plan

The Company may modify or terminate the Plan at any time. The Company will notify ASX of any modification to, or termination of, the Plan. The omission to give notice of any modification to, or termination of, the Plan or the failure of ASX to receive such notice will not invalidate the modification or termination.

Without limiting the above, the Company may issue to any person fewer Shares than the person applied for, or issue that person no Shares at all, under the Plan if the issue of Shares applied for would contravene any applicable law, ASIC requirements (including under ASIC CI 2019/547) or policy or any ASX Listing Rules.

Raising amount and scale back

While the Company is seeking to raise \$1,000,000 under the Plan, the Company reserves the right to accept oversubscriptions at its absolute discretion.

The Company reserves absolute discretion regarding the final amount raised under the Plan subject to compliance with the ASX Listing Rules.

In accordance with the ASX Listing Rules, the maximum number of Shares that can be issued as at the date of this document is 39,300,815.

In the event of oversubscriptions, the Directors of the Company may, in their absolute discretion, increase the amount raised under the Plan (in accordance with the ASX Listing Rule parameters) or alternatively scale-back all Applications on an equitable basis. A "scale back" is a reduction in the number of new Shares issued (compared to the number applied for). If there is a scale back, you may receive less than the parcel of new Shares for which you have applied. If a scale back produces a fractional number of new Shares when applied to your parcel, the number of new Shares you will be allotted will be rounded down to the nearest whole number of new Shares.

If there is a scale back, the difference between the application monies received from you, and the number of new Shares allocated to you multiplied by the issue price, will be refunded to you without interest.

The Company may, in its absolute discretion undertake a scale back of applications for new Shares to the extent and in the manner it sees fit. In doing so, the Directors may take into account a number of factors including:

- (a) the size of your shareholding as at the Record Date;
- (b) the extent to which you have sold or purchased Shares since the Record Date;
- (c) whether you have multiple registered holdings; and
- (d) the date on which your application was made.

Dispute resolution

The Company may, in any manner it thinks fit, settle any difficulties, anomalies or disputes which may arise in connection with or by reason of the operation of the Plan, whether generally or in relation to any participant, Application or Shares. The decision of the Company in this respect will be conclusive and binding on all shareholders and other persons to whom that determination relates.

The Company reserves the right to waive strict compliance with any provision of these Terms and Conditions. The powers of the Company under these Terms and Conditions may be exercised by the Directors of the Company or any delegate of the Directors of the Company.

If you have any questions regarding the Plan or how to deal with this Offer, please contact your accountant, financial adviser, stockbroker, lawyer or other professional adviser or, the Company Secretary by email at info@proteomics.com.au.
