Decmil Awarded \$80m Civil Infrastructure Contracts

Macmahon Holdings Limited (ASX:MAH) (**Macmahon** or **the Company**) is pleased to announce its wholly owned subsidiary, Decmil, has been awarded two new contracts, adding approximately \$80 million to Macmahon's secured order book.

Eva Copper Mine Accommodation Village

Eva Copper Mine Pty Ltd (**Eva Copper**) has awarded Decmil a contract to deliver its new Operations Permanent Village at the Eva Copper Mine in Queensland, adding approximately \$70 million to Macmahon's secured orderbook.

The project involves the design and construction of a 454-person accommodation village, including accommodation units, central facilities, water and wastewater treatment plants, internal roads, drainage, bulk earthworks, services installation and associated infrastructure.

Works are set to commence in mid-2025, with completion expected in 2026.

Girrawheen Satellite Warehouse and Operations Facility

Arrow Energy Pty Ltd has awarded Decmil a contract for the design and construct of the Girrawheen Satellite Warehouse and Operations Facility, adding approximately \$10 million to Macmahon's secured orderbook.

The scope of work for Decmil involves the design, supply, and construction of all building and storage facilities as well as a maintenance workshop, carpark and access roads. Works have commenced and are expected to be completed by September 2025.

The Company's FY25 guidance remains unchanged.

Macmahon's Managing Director and Chief Executive Officer, Michael Finnegan, said:

"I'm pleased to see Decmil continue to be awarded new, strategically aligned work following the acquisition and integration of the business in August of last year, with total new work awarded in FY25 now exceeding \$400 million.

Decmil has a strong track record of delivering accommodation camp design and construction projects across Australia and we are looking forward to working with the Eva Copper Mine team on the construction of their onsite accommodation village.

The Girrawheen Facility is off to a great start and I am confident the continue to deliver high-quality, reliable outcomes that meet the evolving needs of our clients."
