Westar Capital acted as Lead Manager to the Placement. Westar Capital will be paid a cash fee of 6% on funds raised and 5,000,000 options with an exercise price of 5 cents and 3-year expiry. Oceana has also agreed to issue 8,000,000 options on the same terms to consultants who will assist the Company with its future initiatives. The issue of the Broker options and Consultant options are subject to shareholder approval.

"Securing additional funds ensures Oceana is well placed to progress the Company's existing assets in Brazil and Australia, as well as continue to assess new project opportunities. We look forward to providing updates on exploration activities across our portfolio in the near term."

We thank our existing shareholders for their ongoing support, and are pleased to welcome new shareholders to the Company."
