EXPLANATORY STATEMENT

1. BACKGROUND TO CONVERTIBLE LOAN AGREEMENT

1.1 Overview

As announced on 14 March 2025, the Company entered into a convertible loan agreement with Asia Pacific Holdings Limited ("**Asia Pacific**" or "**Lender**"), a private investor and existing shareholder of the Company ("**Convertible Loan Agreement**").

Pursuant to the Convertible Loan Agreement, the Lender agreed to provide the Company with a convertible loan of \$1,000,000 ("**Convertible Loan**").

The funds provided under the Convertible Loan Agreement will support the Company as it finalises the scoping study for its Tardiff deposit. The Convertible Loan also provides necessary working capital for the Company in the near term while it explores strategic, non-dilutive funding options.

1.2 Material Terms of the Convertible Loan Agreement

- (a) **Principal Amount:** \$1,000,000 in cleared funds;
- (b) **Maturity Date:** 14 March 2026, being 12 months from the date of the Convertible Loan Agreement
- (c) **Interest Rate:** 12% per annum, payable in arrears;
- (d) **Conversion Right:** the Lender may, at its discretion and at any time up to and including the Maturity Date, elect to convert all or part of:
 - (i) the Principal Amount; and
 - (ii) any accrued interest as at the date of conversioninto up to 560,000,000 fully paid ordinary Shares in the capital of the Company at a conversion price of \$0.002 per Share.
- (e) **Options:** within 10 Business Days of receipt of the Principal Amount, the Company is required to issue the Lender 280,000,000 unlisted options ("**Convertible Loan Options**"), exercisable at \$0.004 per Share and expiring 18 months from the date of issue. The Convertible Loan Options were issued on 11 April 2025.
- (f) **Security:** the Convertible Loan is unsecured, unless the Company enters into another financing arrangement, in which case, the Company will provide the Lender with a first-ranking general security interest over its assets.

1.3 Use of Funds

The Company intends to apply the funds received under the Convertible Loan Agreement towards:

- (a) completing the Scoping Study for the Tardiff deposit, including niobium recovery test work; and
- (b) general working capital.

2. RESOLUTION 1 – RATIFICATION OF THE CONVERTIBLE LOAN AGREEMENT TO ISSUE SHARES TO ASIA PACIFIC HOLDINGS LIMITED

2.1 General

This Resolution seeks ratification of the Company's agreement to issue up to 560,000,000 (pre-consolidation) Shares to Asia Pacific under a Convertible Loan Agreement pursuant to ASX Listing Rule 7.4.

Further information in relation to the Convertible Loan Agreement is detailed in Section 1.

2.2 Listing Rule 7.1

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it had on issue at the start of that period.

The issue of the Convertible Loan does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the Company's 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12-month period following the date of issue of the Convertible Loan.

2.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the Company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Convertible Loan.

2.4 Technical information required by Listing Rule 14.1A

If this Resolution is passed, and subject to Asia Pacific Holdings Limited exercising its right to convert all or part of its loan to Shares under the terms of the Convertible Loan Agreement, the issue of the Shares will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the date of the issue.

If this Resolution is not passed, the issue will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities that the Company can issue without Shareholder approval over the 12-month period following the date of issue.

2.5 Technical information required by Listing Rules 7.4 and 7.5

3. **RESOLUTION 2 – RATIFICATION OF PRIOR ISSUE OF CONVERTIBLE LOAN OPTIONS TO ASIA PACIFIC HOLDINGS LIMITED**

3.1 **General**

This Resolution seeks Shareholder ratification for the purposes of Listing Rule 7.4 for the issue of 280,000,000 unlisted Options to Asia Pacific, exercisable at \$0.004 per Share and expiring 18 months from the date of issue, and on the terms and conditions set out in Schedule 1 (**Convertible Loan Options**).

3.2 **Listing Rule 7.1**

As summarised in Section 2.2 above, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

The issue of the Convertible Loan Options does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without Shareholder approval under Listing Rule 7.1 for the 12 month period following the date of issue.

3.3 **Listing Rule 7.4**

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without obtaining Shareholder approval under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue of the Convertible Loan Options.

3.4 **Technical information required by Listing Rule 14.1A**

If this Resolution is passed, the Convertible Loan Options will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the date of issue.

If this Resolution is not passed, the issue will be included in calculating the Company's 15% limit in Listing Rule 7.1, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12-month period following the date of the issue.

3.5 **Technical information required by Listing Rules 7.4 and 7.5**

REQUIRED INFORMATION	DETAILS

REQUIRED INFORMATION	DETAILS

Voting Exclusion Statement	A voting exclusion statement applies to this Resolution.
Compliance	The issue did not breach Listing Rule 7.1.

4. RESOLUTION 3 – CONSOLIDATION OF CAPITAL

4.1 General

This Resolution seeks Shareholder approval for the purposes of section 254 of the Corporations Act and all other purposes to consolidate the Company's issued capital on a 50:1 basis (**Consolidation**). This will result in the number of securities currently on issue reducing from 5,895,066,951 to 117,901,339 (subject to rounding and not including those Shares to be issued under the other Resolutions in this Notice of Meeting). There are currently 700,000,000 unlisted options on issue, which following the Consolidation will be reduced to 14,000,000 (subject to rounding) with an exercise price of ranging from 20 cents to 75 cents. There are currently 46,200,000 Performance Rights on issue, which following the Consolidation will be reduced to 924,000 (subject to rounding).

The purpose of the Consolidation is to implement a more appropriate capital structure for the Company going forward.

4.2 Legal requirements

Section 254H of the Corporations Act provides that a company may, by resolution passed in a general meeting, convert all or any of its shares into a larger or smaller number.

Listing Rule 7.20 provides that if an entity proposes to reorganise its capital, it must tell shareholders of each of the following:

- (a) the effect of the proposal on the number of securities and the amount unpaid (if any) of the securities;
- (b) the proposed treatment of any fractional entitlements arising from the reorganisation; and
- (c) the proposed treatment of any convertible securities on issue.

Listing Rule 7.21 provides that an entity which has convertible securities (except options) on issue may only reorganise its capital if, in respect of the convertible securities, the number of securities or the conversion price, or both, is reorganised so that the holder of the convertible securities will not receive a benefit that holders of ordinary securities do not receive.

Listing Rule 7.22 provides that where an entity with options on issue undertakes a consolidation of its issued capital, the number of options must be consolidated in the same

ratio as the ordinary capital and the exercise price must be amended in inverse proportion to that ratio.

4.3 Reason for seeking approval under Resolution 3

As at the date of this notice, the Company has 5,895,066,951 Shares on issue. This is a large number of Shares relative to companies of similar size and market capitalisation. Having such a large number of shares on issue creates some disadvantages for the Company and its shareholders, including:

- (a) potential negative perceptions associated with a low share price;
- (b) additional share price volatility because the minimum share price movement permitted by the ASX represents a relatively higher proportion of the Company's Share price compared to companies of similar size with fewer shares on issue;
- (c) precluding investment from particular investors who may be subject to a mandate or restrictions on investing in companies below a certain share price threshold; and
- (d) administrative costs associated with managing a large volume of shares.

The purpose of the Consolidation is to reduce the number of Shares on issue which is expected to result in a more appropriate and effective capital structure for the Company and a higher share price which will be more appealing to a wider range of investors.

4.4 Effect on Capital Structure

The effect which the Consolidation will have on the Company's capital structure is set out in the table below.

	SHARES ¹	OPTIONS ²	PERFORMANCE RIGHTS ²	CONVERTIBLE LOAN – CONVERSION SHARES
Pre-Consolidation	5,895,066,951	700,000,000 ³	46,200,000	560,000,000
Post-Consolidation ⁴	117,901,339	14,000,000	924,000	11,200,000

Notes:

1. Assumes no Shares are issued.
2. The terms of these Options and Performance Rights are set out in the tables below.
3. This figure includes the Convertible Loan Options issued to Asia Pacific Holdings Limited.
4. Subject to rounding of fractional entitlements in accordance Section 4.5 below.

Total	46,200,000	924,000

4.5 Fractional entitlements

Not all security holders will hold that number of Securities which can be evenly divided by 50. Fractional entitlements will be rounded down to the nearest whole Security. Each member's proportional interest in the Company's issued capital will, however, remain unchanged as a result of the Consolidation (other than minor variations resulting from rounding).

4.6 Indicative Timetable

From the date two Business Days after the Effective Date (as set out in the timetable in Section 4.6 above), all holding statements for Securities will cease to have any effect, except as evidence of entitlement to a certain number of Securities on a post-Consolidation basis.

After the Consolidation becomes effective, the Company will arrange for new holding statements for Securities to be issued to holders of those Securities.

It is the responsibility of each security holder to check the number of Securities held prior to disposal or exercise (as the case may be).

4.8 Taxation

It is not considered that any taxation implications will exist for security holders arising from the Consolidation.
