About Connected Minerals Limited

Connected Minerals Limited (ASX: CML) is an Australian-headquartered company which has commenced a new strategic direction focused on the exploration and potential development of a portfolio of projects in Namibia and Western Australia. The Company is targeting uranium discoveries through two granted exclusive prospecting licences (EPL) and one EPL application in the most prolific uranium producing province in Namibia. Connected Minerals has also acquired 100% of the legal and beneficial ownership in three granted exploration licences in Western Australia which demonstrate multi-commodity potential.
