

30 May 2025

Appointment of CEO

The Directors of Tambourah Metals Ltd (ASX:TMB) are pleased to announce the appointment of Terry Topping as CEO and exploration manager, commencing 30 May 2025. Mr Topping is an accomplished geologist and resource executive and brings significant experience in the development of numerous ASX-listed resource companies, including corporate transactions, capital raisings and project acquisitions and was involved in the discovery and delineation of the antimony-lead resource at Mount Clement in the Pilbara of WA.

Mr Topping joins the Company at an important moment as Tambourah focuses on advancing its Pilbara and Bryah gold projects and the Speewah Nth antimony project. Mr Topping will manage the Company's day to day operations and assist the Board to effectively develop these assets towards resource definition. Mr Topping has a B App Sc in Geology and Grad. Dip. Finance and Investment from the Securities Institute of Australia and is a member of the AusIMM. His previous management roles have included Chairman of gold explorer Kairos Minerals Ltd., Executive Director Rumble Resources, Managing Director and founder of uranium explorer Cauldron Energy and founder and Executive Director of Taipan Resources, which discovered the high-grade Paulsens gold deposit, currently mined by Black Cat Syndicate Ltd.

Executive Chairperson Rita Brooks commented

"Tambourah Metals welcomes Terry to the Company and we look forward to working with him to advance the gold resources at the Tambourah Goldfield. Terry has experience in all aspects of mine development and planning and he will also add his skills to the planned exploration program for Copper and Antimony at the Speewah Nth project."
