About Blackstone

Blackstone Minerals is a minerals exploration and development company, listed on the Australian Stock Exchange (ASX:BSX). The Company is focussed on critical minerals exploration in South East Asia, owning the Ta Khoa Nickel-Copper-PGE Project in Northern Vietnam where the company is looking for a JV Partner.

Blackstone Minerals recently announced the merger of equals with IDM International and the acquisition of the Mankayan Copper-Gold Project in the Philippines. The Mankayan Project is a copper-gold porphyry system in a world class mineral district.

The Philippines, endowed with abundant mineral resources, has long been a focal point for mining investments, especially in copper and gold. The escalating global demand for copper, propelled by advancements in renewable energy, electric vehicles, and infrastructure, has intensified investor interest in emerging mining regions.

About IDM International

IDM International is an Australian headquartered unlisted public Company with a 64% ownership interest in the Mankayan copper-gold project in the Philippines.

The Mankayan project is one of the largest undeveloped copper-gold porphyry deposits globally, boasting a 25-year mining license (MPSA), which was renewed on March 4, 2022. Situated in Northern Luzon, it is strategically located near the heart of the Mankayan mineral district, renowned for hosting significant copper-gold deposits and prospects.
