

ASX Announcement

Release of Securities from Voluntary Escrow

10 June 2025, RocketDNA Ltd (ASX: RKT) (RocketDNA or the Company), a technology service company that leverages AI and Autonomous Drones to provide mission-critical services for enterprise customers, advises in accordance with ASX Listing Rule 3.10A that the following securities will be released from voluntary escrow on or after their escrow expiry date.

Securities	Number	Escrow Expiry Date
Ordinary Fully Paid Shares	15,000,000	19 June 2025

The above securities are held by Chris Clark and Paul Williamson and were approved by Members at the Annual General Meeting held on 25 May 2023. There is no change to the total number of shares on issue as a result of this release.

Both Mr Clark and Mr Williamson have confirmed they do not intend to dispose of any of these shares at this time. Their continued holdings reflect a strong alignment with the Company's long-term growth strategy and the interests of all shareholders.

This release forms part of the normal post-escrow process following shareholder approved equity incentives and does not signal any change in leadership or strategic direction.

This announcement has been authorised for release by the Board of RocketDNA Ltd.

RocketDNA Ltd (ASX: RKT) is a multinational drone-based data service and technology provider, listed on the ASX, offering aerial surveying, mapping, security, surveillance, and asset inspection for enterprise customers in the mining, agricultural, and engineering sectors. Through fully-outsourced, AI-driven solutions, RocketDNA remotely operates drone systems, enabling customers to focus on ground operations while ensuring fast data turnaround. The company generates revenue through multi-year contracts and short-term projects with major clients, including Tier 1 and Tier 2 miners such as South32, Newmont, Vault Minerals, and Seriti Coal. RocketDNA operates primarily in Australia and Africa, with regional offices in Perth, Johannesburg, and Accra.
