- ▶ GTT Ventures and Taurus Capital acted as Joint Lead Managers.

SSH Group Ltd (ASX:SSH) (**Company, SSH or SSH Group**) is pleased to announce it has received firm commitments for a capital raise of \$2.75 million (Placement). The Placement attracted strong demand across the investment community, with support from institutional funds, sophisticated investors, senior industry executives, and a number of existing SSH shareholders.

The Company is particularly pleased to welcome Mr Ross Stewart Norgard as a cornerstone investor with a firm commitment of \$1.1m in this placement. Mr Norgard is a respected Australian businessman and investor, best known as a founding Chairman, Director and major shareholder of both Brockman Mining Limited and Nearmap Limited, both of which commenced with a nominal market capitalisation and grew to exceed US\$1 billion in market capitalisation whilst Mr Norgard remained as the majority shareholder and Chairman and/or Director. Mr Norgard's decision to join the SSH register provides a strong endorsement of the Company's strategic direction, operational capability and long-term growth potential. SSH is pleased to welcome his support and values his confidence in the Company's vision and trajectory.

SSH has been actively building a vertically integrated mining services platform through its established KMH vertical and newly launched SSH Mining division. The proceeds from the raise will be used to accelerate the execution of this growth strategy.

Mr Daniel Cowley-Cooper, Managing Director of SSH Group, stated:

"We are extremely pleased with the overwhelming support received across the investor base. I am truly grateful to our cornerstone, new investors and existing shareholders for their confidence in SSH Group. This raise is a

strong endorsement of our vision to become a leading vertically integrated mining services provider. With the SSH Mining platform now firmly in place, we are excited about the strong progress we will continue to make across the Western Australian mining industry.”

STRATEGIC OUTLOOK

This raise strengthens SSH Group’s financial position and allows it to accelerate its growth strategy within the mining sector. With an expanding pipeline, proven operating platform and strong investor backing, SSH is well placed to deliver value-accretive outcomes and long-term shareholder returns.

The Board looks forward to updating the market on further operational progress in the coming months.

USE OF FUNDS

Placement proceeds will be used to:

- ▶ Evaluate and commercialise low-grade gold stockpiles at the Mt Fisher Gold Project (approx. 144,000 to 195,000 tonnes @ 0.80–1.20g/t Au)*
- ▶ Mobilise for the Gold Duke Project, where SSH has been named preferred tenderer.
- ▶ Execute on current mining joint ventures and profit-share opportunities.
- ▶ Assess direct project ownership and strategic acquisitions in the mining services sector.
- ▶ Provide general working capital across SSH Group operations.
