## CLARIFICATION OF STATEMENTS

**Titanium Sands Limited ("TSL" or "the Company")** refers to its announcement released on 10 June 2025 titled "*Investor Presentation*" ("Announcement") and retracts and clarifies certain statements as follows:

Slide 16 refers to certain production targets that do not meet the requirements of ASX LR 5.16. The Company retracts these production targets and advises that investors should not rely on the retracted information for their investment decisions.

In addition, the Company confirms that Slide 10 refers to production targets that are consistent with the Company's Scoping Study<sup>1</sup> and are able to be relied upon and should be read in accordance with the Scoping Study announcement as released to the ASX.

### **Ends-**

The Board of Directors of Titanium Sands Ltd authorised this announcement to be given to the ASX.

## COMPLIANCE STATEMENTS

### ***Forward-Looking Statements***

This document may include forward-looking statements. Forward-looking statements include, but are not limited to, statements concerning the Company's planned exploration program and other statements that are not historical facts. When used in this document, the words such as "could," "plan," "expect," "intend," "may", "potential," "should," "further" and similar expressions are forward-looking statements. Although the Company believes that its expectations reflected in these forward-looking statements are reasonable, such statements involve risks and uncertainties and no assurance can be given that further exploration will result in additional Mineral Resources.

### ***Competent Persons***

Except where indicated, exploration and technical information above have been reviewed and compiled by James Searle BSc (hons), PhD, a Competent Person who is a Member of the Australian Institute of Mining and Metallurgy, with over 37 years of experience in metallic and energy minerals exploration and development, and as such has sufficient experience which is relevant to the style of mineralisation and type of deposits under consideration as a Competent Person as defined in the 2012 Edition of the "Australasian Code for Reporting of Exploration Results, Mineral Resources and Ore Reserves". Dr Searle is the Managing Director of Titanium Sands Limited and consents to the inclusion of this technical information in the format and context in which it appears.

### ***Previously Reported information foot notes for reference***

This report includes information that relates to announcements previously made to the ASX. The information was extracted from the Company's previous ASX announcements as follows:

***<sup>1</sup> ASX:TSL Announcement : 12<sup>th</sup> May 2023, Scoping Study – Mannar Heavy Mineral Project***

In accordance with ASX Listing Rule 5.19.2, TSL confirms that all the material assumptions underpinning the production target contained in the Scoping Study as reported to the ASX on 12th May 2023, continue to apply and have not materially changed.
