NEW WORLD ACKNOWLEDGES OFF-MARKET TAKEOVER OFFER FROM KINTERRA

New World Resources Limited (ASX: NWC) (“**New World**” or the “**Company**”) notes the bidder’s statement lodged today by Kinterra Capital GP Corp. II in its capacity as general partner of the Kinterra Critical Materials & Infrastructure Opportunities Fund II, LP (“**Kinterra**”) in relation to an off-market takeover bid for all shares in the Company at a price of \$0.057 per share (“**Kinterra Takeover Offer**”). The Kinterra Takeover Offer will formally open no earlier than 10 July 2025, and must be open for acceptance by New World shareholders for at least one month after it opens.

Shareholders are reminded that if they sell on market they will not benefit from any subsequent increase in the Offer price or any higher price which may emerge from another party. Kinterra has not declared the Kinterra Takeover Offer to be “best and final”.

The New World Board, in consultation with its advisers, will consider the Kinterra Takeover Offer and will update shareholders in due course. The New World Board will also provide a Target’s Statement to shareholders in relation to the Kinterra Takeover Offer after Kinterra’s bidder’s statement is dispatched. The Target’s Statement will contain the New World Board’s recommendation in relation to the Kinterra Takeover Offer and shareholders should consider the Target’s Statement before making a decision whether or not to accept the bid.

As shareholders would be aware, on 21 May 2025, New World announced a scheme with Central Asia Metals Plc (LON: CAML) (“**CAML**”). New World is subject to a number of obligations under the terms of the Scheme Implementation Deed with CAML (“**CAML SID**”), where it receives a competing proposal. The New World Board is considering the Kinterra Takeover Offer, and in particular, whether it constitutes a “Superior Proposal” under the terms of the CAML SID. Under the CAML SID, CAML has a 5 business day matching right before the New World Board can change its recommendation to recommend a competing proposal. At this time, the New World Directors maintain their existing recommendation in favour of the CAML scheme proposal.

The New World Board advises shareholders to **TAKE NO ACTION** in relation to the Kinterra Takeover Offer until they receive further advice from the New World Board.

This announcement has been authorised for release by the Managing Director, Nick Woolrych.
