# A swift opportunity.

A profitable business in its growth phase.

- **45%** compound annual growth from original Swift Access enterprise product.
- Swift Access 2026 combines Swift's proprietary technology platform, the new market defining adaptive UI/ UX of Swift Access 2025, and **Google certified** hardware to deliver a product that sets a new standard for in-room guest and resident engagement market.
- Swift Access 2026 will provide direct access to **Google App store** allowing greater entertainment choice and new features such as teleconferencing.
- The culmination of Swift's development of the Swift Access product will result in a true **plug and play** device that can be installed by clients which will minimise cost and enable accelerated growth and access to new markets.
