

ASX Announcement

4 July 2025

Bhagwan Marine Launches InvestorHub to Enhance Shareholder Engagement

Australian marine solutions provider **Bhagwan Marine Limited (ASX: BWN)** (“Bhagwan” or “the Company”) is pleased to announce the launch of its new [InvestorHub](#), providing a dedicated platform for shareholders to access company updates, announcements, and investor news.

Following its successful IPO in July 2024, Bhagwan has continued to deliver strong operational and financial performance. The Company remains focused on leveraging its market-leading position to build long-term earnings growth for shareholders, supported by a positive outlook across its high-growth markets.

Bhagwan’s InvestorHub offers shareholders, stakeholders and potential investors a central location to access recent ASX announcements, company news, and other key updates. The platform will also feature videos, project insights, and industry news to increase opportunities for investors to stay up to date and communicate with the Company’s leadership team.

Commenting on the launch, Bhagwan Founder and Managing Director, Mr Loui Kannikoski, said:

“Our new InvestorHub provides a central platform for shareholders to stay informed and receive the latest updates directly from Bhagwan. We look forward to engaging with our investors through this new channel.”

Shareholders and interested parties can join the InvestorHub by following these steps:

1. Visit the InvestorHub sign-up page [sign up link](#)
2. Follow the prompts to create a Bhagwan Marine InvestorHub account
3. Engage with the Company by submitting questions or feedback through the platform’s Q&A feature

View this announcement on [Investor Hub](#).

This ASX announcement has been authorised for release by the Company Secretary of Bhagwan Marine Limited.

About Bhagwan Marine Limited

About Bhagwan Marine

Bhagwan Marine (ASX: BWN) is a leading Australian marine solutions provider, delivering specialised services across the offshore energy, subsea, ports & inshore, and defence sectors.

With Australia's largest vessel fleet, supported by a network of strategically located operating facilities, Bhagwan has the scale, flexibility and national presence to deliver customised, timely solutions for its clients.

The Company's highly skilled, locally based workforce — including Australia's largest in-house crewing capability for over 800 marine personnel and up to 200 qualified air divers — ensures projects are delivered safely, efficiently and to the highest standard.

Bhagwan has a founder-led culture, a proven track record for service delivery, safety and innovation, and long-term partnerships with major energy and mining operators, construction companies, and government entities.
