The webinar will commence with discussion from RAAS Research Group Analyst Joshua Baker, who has recently completed a comprehensive research update on Horizon Minerals.

The report is available to all attendees prior to the webinar via the registration page.

Following analyst discussion, Horizon Minerals Managing Director and CEO Grant Haywood will deliver a presentation on the Company, which possesses significant gold operations in the Western Australian Goldfields and an aspirational target to become a 100kozpa producer.

Mr Haywood will also participate in a moderated Q&A session, providing webinar attendees the opportunity to submit questions directly to management.

A recorded copy of the webinar will be made available following the event.

Authorised for release by the Board of Directors
