Securities Trading Policy

Adopted by the Board on 21 May 2025

Tali Resources Ltd – Securities Trading Policy

This Securities Trading Policy has been adopted by Tali Resources Ltd (**Tali**) in order to comply with ASX Listing Rule 12.9.

1 Purpose and application of this policy

- (a) The *Corporations Act 2001 (Cth)* (**Corporations Act**) prohibits the trading in shares, options, debentures (including convertible notes) and other securities (**securities**) of a company by any person who is in possession of price sensitive information regarding that company that is not generally available. The Corporations Act:
 - (i) imposes substantial penalties on persons who breach those provisions; and
 - (ii) applies to the extent of any inconsistency between it and this policy.
- (b) For the purposes of this policy:
 - (i) “Tali Person” means all directors and senior management including each director of Tali, the Managing Director and Company Secretary of Tali, Key Management Personnel (as defined in the Corporations Act), all employees of Tali and any other person designated as a Tali Person by the board of directors (**Board**) in writing; and
 - (ii) also includes:
 - (A) a company or trust controlled by any of the persons referred to in clause 1(b)(i) above; and
 - (B) for the purposes of clause 3 only, a spouse (including a de facto spouse), child (including a step-child or adopted child), a close relative, a person financially dependent on or acting in concert with any of the persons referred to in clause 1(b)(i) above.
- (c) This policy regulates dealings by directors and certain officers of Tali and other designated persons, in securities in Tali or any other entity about which they acquire Inside Information through their position or dealings with Tali.
- (d) The purpose of this policy is not only to minimise the risk of insider trading, but also to avoid the appearance of insider trading and the significant reputational damage associated with the perception of insider trading.
- (e) This policy is not designed to prohibit Tali Persons from investing in Tali securities, but does recognise that there may be times when directors, officers or certain employees cannot or should not invest in Tali securities.

2 Insider trading

2.1 General prohibition on Insider Trading

- (a) No Tali Person may, while in possession of Inside Information (defined in clause 2.1(d)) concerning Tali, in breach of the Corporations Act:
 - (i) buy, sell or deal in any Tali securities at any time;

- (ii) procure another person to deal in Tali's securities in any way; or
 - (iii) pass on any Inside Information to another person for that person's own personal gain by dealing in Tali securities in any way (**Insider Trading**).
- (b) All Tali Persons are prohibited from dealing in the securities of outside companies about which they acquire Inside Information through their position with Tali.
- (c) The requirements imposed by this policy are in addition to any legal prohibitions on Insider Trading. Trading in Tali's securities is prohibited at any time by a director or an Tali Person if that person possesses Inside Information, even where the trade occurs outside a Blackout Period; or the trade falls within an exclusion in this policy; or clearance has been given under this policy to trade (whether in exceptional circumstances or otherwise).

Inside Information

- (d) A Tali Person is responsible for assessing whether they possess "**Inside Information**". This occurs where:
 - (i) the person possesses information that is not generally available to the public and, if the information were generally available, a reasonable person would expect it to have a material effect on the price or value of Tali securities (or a decision whether or not to trade in them); and
 - (ii) the person knows, or ought reasonably to know, that the information is not generally available and, if it were generally available, a reasonable person would expect it to have a material effect on the price or value of Tali securities.

A reasonable person would be taken to expect information to have a material effect on the price or value of securities if the information would, or would be likely to, influence a person who commonly invests in securities to either deal or not deal in securities in any way. Inside Information in relation to the securities of outside companies has the same meaning for the purposes of this policy, except that references to "Tali securities" should be read as references to the securities of the outside company.

3 Restrictions on trading in Blackout Periods

3.1 Blackout Periods

In addition to general restrictions outlined in clause 2, Tali Persons, subject to clause 3.3, may not buy or sell Tali securities during a Blackout Period (defined below).

- (a) **Blackout Periods** are times when Tali Persons must not deal in Tali's securities.

The following are mandated Blackout Periods:

- (i) the date that is five trading days immediately preceding and 24 hours immediately following the release of the Company's half year results;
- (ii) the date that is five trading days immediately preceding and 24 hours immediately following the release of the Company's full year results;
- (iii) from the close of the ASX trading day two weeks prior to the date of Tali's Annual General Meeting (**AGM**) until 10:00am (Sydney time) on the ASX trading day following the date of Tali's AGM;

- (iv) the date that is five trading days immediately preceding and 24 hours immediately following the release of the Company's quarterly reports; and
- (v) any other period that the Board specifies from time to time.

During Blackout Periods Tali Persons must not deal in any of Tali's financial products or securities, or in any securities related to them.

3.2 Ad-hoc restrictions

Tali may impose, without notice and in its sole and absolute discretion, additional restrictions on trading in Tali's securities by any or all Tali Persons, and also by any other staff member(s) (who are not otherwise designated as "Tali Persons") as Tali considers appropriate. For the avoidance of doubt, Tali may impose ad-hoc restrictions under this clause 3.2 even where the proposed trade would otherwise take place outside a Blackout Period provided for in this policy. Any restriction communicated by Tali to any or all Tali Persons (or other staff members) under this clause 3.2 must be kept strictly confidential.

3.3 Notifications

- (a) Tali Persons must:
 - (i) prior to dealing in Tali securities outside a Blackout Period or where clause 4 requires the person to obtain a consent under clause 3.3, notify the relevant person in clause 3.3(c) (the **Authorising Officer**) of their proposed dealing and obtain consent from the Authorising Officer;
 - (ii) confirm that they are not in possession of any Inside Information;
 - (iii) after dealing with the Tali securities, provide the Authorising Officer with a transaction confirmation; and
 - (iv) notify the Authorising Officer if they begin to have, or cease to have, a "substantial holding" (as defined in section 9 of the Corporations Act) in Tali, or if they have a substantial holding in Tali and there is a movement of at least 1% in their holding.
- (b) For the avoidance of doubt, the Tali Person seeking authorisation cannot be their own Authorising Officer.
- (c) Authorising Officer

Tali Person seeking authorisation	Authorising Officer
<i>Chair of the Board</i>	The Managing Director
<i>Other directors, Company Secretary and any other Key Management Personnel</i>	The Chair of the Board.
<i>Any other Tali Person</i>	Company Secretary or, in their absence, the Managing Director

3.4 Exceptional circumstances

- (a) In exceptional circumstances the Authorising Officer has discretion to approve dealings in Tali securities during a Blackout Period, or other dealings that would otherwise be prohibited by this policy.
- (b) Any approval given under this clause 3.4, must be provided by electronic delivery via email. The notification requirements still apply.

- (c) What constitutes “exceptional circumstances” will be assessed on a case-by-case basis within the absolute discretion of the Authorising Officer, and may include, without limitation, severe financial hardship or a requirement to comply with a court order or court enforceable undertaking.
- (d) Any decision to grant or refuse to grant clearance to a Tali Person to trade in Tali’s securities by the Authorising Officer under this clause 3.4:
 - (i) may be made in the Authorising Officer’s absolute discretion, without giving any reasons;
 - (ii) can be withdrawn (if clearance has been given) if new information comes to light or there is a change in circumstances;
 - (iii) is final and binding on the Tali Person seeking clearance; and
 - (iv) must be kept strictly confidential by the Tali Person and not disclosed to any other person.
- (e) In deciding whether to grant clearance to trade in Tali’s securities, the Authorising Officer will consider the need to minimise the risk of Insider Trading, and also to avoid the appearance of Insider Trading and the significant reputational damage that may cause.
- (f) Any clearance to trade by the Authorising Officer under this clause 3.4 is not an endorsement to trade. The Tali Person doing the trading is individually responsible for their investment decisions and their compliance with insider trading laws. The Tali Person must carefully consider whether they are in possession of any Inside Information that might preclude them from trading at that time. If the Tali Person is in any doubt, they should not trade.
- (g) If an Tali Person comes into possession of Inside Information after receiving a clearance to trade, they must not trade despite having received the clearance.

3.5 Company secretary to maintain records

Company Secretary will maintain a copy of:

- (a) all requests for an approval to deal in Tali’s securities submitted by an Tali Person; and
- (b) details of all dealings in Tali’s securities made by a Tali Person.

4 Other restrictions

4.1 No speculative trading

Under no circumstances should Tali Persons engage in short-term or speculative trading in Tali securities. This prohibition includes short term direct dealing in Tali securities as well as transactions in the derivative markets, involving exchange traded options, share warrants, contracts for difference, and other similar instruments, which are short term or speculative.

4.2 No protection arrangements

The entering into of all types of “protection arrangements” for any Tali securities (or Tali products in the derivatives markets):

- (a) is prohibited at any time in respect of any Tali securities which are unvested or subject to a holding lock; and
- (b) otherwise, requires consent under clause 3.3.

For the avoidance of doubt and without limiting the generality of this policy, entering into protection arrangements includes entering into transactions which:

- (a) amount to “short selling” of securities beyond the Tali Person’s holding of securities;
- (c) operate to limit the economic risk of any Tali Person’s security holding (e.g. hedging arrangements) including Tali’s securities held beneficially (for example, in trust or under an incentive plan) on that Tali Person’s behalf; or
- (d) otherwise enable a Tali Person to profit from a decrease in the market price of securities.

4.3 Provisions of security over Tali’s securities or entering into margin lending arrangements

- (a) Tali Persons may not at any time, directly or indirectly, grant any form of security (whether by way of charge, mortgage, pledge or otherwise) over any Tali securities which are unvested or subject to a holding lock, to secure any obligation of that Tali Person or any third party or enter into any margin lending arrangements involving Tali securities.
- (b) Unless clause 4.3(a) applies, Tali Persons may, directly or indirectly, grant security (whether by charge, mortgage, pledge or otherwise) over any of Tali’s securities, to secure any obligation of that Tali Person or any third party or enter into any margin lending arrangements involving Tali securities, with consent provided under clause 3.3.

4.4 Trading in outside companies

Tali Persons must not trade in the securities or financial products of outside companies where they are in possession of Inside Information of that outside company.

5 Exemptions

- (a) Tali Persons may at any time:
 - (i) trade in Tali's securities where the trading does not result in a change of beneficial interest in the securities;
 - (ii) acquire securities under any director or employee security plan or through the exercise of options or performance rights under an option or performance rights plan or acquire, or agree to acquire, options or performance rights under an option or performance rights plan. This includes deciding whether or not to take up the entitlements and the sale of entitlements required to provide for the take up of the balance of entitlements under a renounceable pro rata issue.
- (b) If an Tali Person undertakes any of the actions described in paragraph (a), that Tali Person must advise the relevant Authorising Officer (as set out in clause 3.3(c)).

- (b) To enable Tali to comply with the obligation set out in clause 6(a), a director must immediately (and no later than 3 business days after any relevant event) notify Company Secretary in writing of the requisite information for Company Secretary to make the necessary notifications to the Australian Securities and Investments Commission (**ASIC**) and ASX as required under the Corporations Act and ASX Listing Rules.
