

Noronex Launches Investor Hub

Noronex Limited (**Noronex** or the **Company**) (**ASX: NRX**) is pleased to announce the formal launch of a new investor website, a dedicated platform designed to foster transparent communication with the Company's valued shareholders and interested investors.

The refreshed Noronex website and Investor Hub platform can be accessed via the link:

<https://noronexlimited.com.au/>

The Investor Hub provides a more streamlined location for shareholders to access company content and updates and to engage with management, including:

- ASX announcements
- Reports
- Presentations
- Interviews & Videos
- Corporate research
- Educational material

Investor Hub also provides an interactive online experience, allowing Noronex stakeholders to comment on and ask the Noronex management team questions on announcements and updates via a portal which will be monitored and responded to in a timely manner.

How to join the Noronex Investor Hub:

1. Click on <https://noronexlimited.com.au/auth/signup>
2. Follow the prompts to sign up for an Investor Hub account
3. Complete your account profile

Noronex's recently appointed Managing Director & CEO, Victor Rajasooriar, has prepared a short welcome video to introduce himself to investors and provide a quick overview of Noronex's projects.

About Noronex Limited

Noronex is an ASX-listed copper explorer with advanced projects in the Kalahari Copper Belt, spanning Namibia and Botswana, and in Ontario, Canada. Collectively, these projects have seen over 180,000m of historical drilling. The Company currently has a JORC 2012 Resource of 10Mt @ 1.3% Cu at its Witvlei Project (Namibia) consisting of 2.9 Mt (Indicated) @ 1.39 % Cu and 7.1 Mt (Inferred) @ 1.20%¹. The Company has a Strategic Alliance Agreement (SAA) with South32, and once the Earn-In Agreement for the Botswana Tenements is executed the Company will have two Earn-in Agreements providing South32 with the right to acquire 60% of each of Noronex's Humpback-Damara Project and the Botswana Licenses by funding a combined A\$4M in exploration per year for a maximum of five years. Noronex will be the manager of the exploration activities under the Earn-In Agreements and SAA and plans to use modern technology and exploration techniques to generate new targets at the projects and grow the current Resource base.

The Company also has exposure to a Uranium tenement in the centre of Namibia's hard rock uranium district. The Etango North (EPL 6776) is a joint venture with a local Namibian partner, where Noronex can earn up to an 80% interest on EPL 6776 with Noronex the manager and operator of the JV.

Any information contained in this announcement that relates to Mineral Resources has been extracted from a previously released announcement dated 8/03/2021 ("Announcement"). The Company confirms that it is not aware of any new information or data that materially affects the information included in the Announcement, and that all material assumptions and technical parameters underpinning the estimates in the Announcement continue to apply and have not materially changed.
