## Corporate summary

### Withdrawal from TEA applications – Offshore Peru

As announced on 16 June 2025, Winchester terminated the non-binding Term Sheet entered into with Jaguar Exploration Inc, relating to the joint application for petroleum exploration rights in offshore Peru (see ASX announcement dated 20 March 2025). Continued increases in the proposed work program and anticipated costs to progress the project led to the Company's decision to withdraw from the opportunity.

### Westex litigation

During the quarter, the Company successfully defended the legal proceedings filed by Westex Resources, Inc. regarding Winchester's 2022 Farm-in to the Group Prospect in Nolan County, Texas (see ASX announcements dated 29 June 2022 and 9 August 2024). Following an application for summary judgement filed by Winchester earlier this year, the District Court of Nolan County, Texas made orders that all claims against Winchester be dismissed. The Company does not expect any further action regarding this dispute.

### Cost reduction program

The Company remains committed to maintaining measures to deliver costs savings across the business. The reductions include corporate cost reductions and staff rationalization. The Company maintains a keen focus on disciplined capital allocation to maximise value for shareholders and maintain balance sheet flexibility. Winchester's quarterly costs were higher than the previous quarter as a result of the costs

<sup>5</sup> See ASX Release dated 3 December 2021.

incurred in pursuing the Peruvian TEA applications.

## New opportunities

The Company continues to search for suitable new projects while at the same time maintaining its production operations in the USA.

## Board changes

During the quarter, the Company received two separate section 249D notices to requisition a meeting of shareholders to consider the removal of directors (one notice for the removal of directors Lloyd Flint and Ricardo Rangel, and the other for the removal of directors Iain Smith and Rory McGoldrick). A meeting of shareholders was subsequently called and held on 23 July 2025, to consider these resolutions. Mr Rory McGoldrick provided his notice of resignation prior to the general meeting and the outcome of the meeting saw the remaining directors being removed from the Board. The Company was subsequently put into suspension from quotation pending compliance with the ASX listing rules and the Corporations Act.

As recently announced, the Company received legal advice that pursuant to section 203AB of the *Corporations Act 2001* (Cth), Mr McGoldrick's resignation was ineffective. The Company has since announced the appointment of Mr David Wheeler and Mr Jason Peterson to the Board of Directors. As a result of these appointments, the Company is now compliant with section 201A(2) of the *Corporations Act 2001* (Cth) (ie. a public company must have at least 3 directors). The Company was subsequently reinstated to trading. While the Company now has 3 validly appointed directors, it is seeking further advice regarding the previous notices received under section 249D of the Corporations Act.
