

## Appointment of highly experienced In-country Manager, Cameroon

### **HIGHLIGHTS**

- *Experienced mining executive, Dr Moses Ndasi, appointed as In-country manager for Cameroon*
- *Moses has more than 20 years' experience in the minerals and mining industry, with various senior management roles throughout Africa for projects covering base metals, heavy mineral sands (HMS), iron ore, gold, and uranium*
- *Additionally, Moses has been directly involved in the discovery and development of several mineral deposits as well as taking them through into production*
- *In addition to the appointment of Moses, the Company has made a number of other senior management appointments as part of growing the local technical team to ramp up exploration in country*

DY6 Metals Ltd (ASX: DY6, "DY6" or "Company") is pleased to announce the appointment of Dr Moses Ndasi to the role of In-country Manager, Cameroon. Moses is a specialist in mineral exploration, resource evaluation and project management. He has more than 20 years' experience in the minerals and mining industry and has held senior management roles with several mining companies in a number of African countries, as well as in Australia.

Moses has been directly responsible for the discovery and development of several major African mineral deposits including Shanta Gold's Luika gold deposit in Tanzania, the Mokopane iron and vanadium deposits in South Africa for Bushveld Minerals, and the Imaloto coal deposit in Madagascar for Lemur Holdings. He also made significant contributions to the discovery and development of several other mineral deposits, including Rum Jungle Uranium's one billion tonne Ammaroo phosphate deposit in Australia's Northern Territory.

As a Cameroonian national Moses completed his schooling and BSc degree within Cameroon before moving to South Africa where he completed his BSc Honours and MSc degrees from Wits University, as well as a PhD in geology from the University of Johannesburg and an MBA from Wits Business School. Moses is a Registered Professional Natural Scientist with the South African Council for Natural Scientific Professions (SACNASP) as well is a Fellow of the Geological Society of South Africa (FGSSA).

Moses previously served as Exploration Manager for Luso Global Mining in Cameroon and Angola and also acted as a Consulting Technical Adviser for Chilwa Minerals Ltd in Malawi. From 2012 to 2015 he served as Business Development Geologist for Africa Middle East Resources (AMER) in Conakry, Guinea.

**CEO, Cliff Fitzhenry, commented:** *"It's my pleasure to officially welcome Dr Moses Ndasi to the DY6 Metals team as our Country Manager based in Cameroon. Moses brings with him a wealth of African mineral exploration experience and an enviable track record of exploration discovery success. We are delighted to have secured the services of such a sought after mining executive and we look forward to growing our local Cameroonian presence under Moses' leadership."*

### Other Senior Management Changes

In addition to the appointment of Dr Ndasi, the Company has promoted Mr Troth Saindi, DY6's Senior Exploration Geologist and In-country Manager for Malawi, to the position of Exploration Manager, Africa. Troth has been with the Company since September 2023 and over the last two years has been managing the Company's Malawian project portfolio and local operations.

Corné Coetser, who has been consulting to the Company over the past couple of months, will transition to the role of Senior Exploration Geologist while the Company's Malawian based geologist, Geoffrey Banda, has been promoted to Project Geologist, Africa. Prior to joining DY6 in 2024, Geoffrey was a Junior Geologist for Sovereign Metals Ltd in Malawi, where he received broad exploration experience at the world-class Kasiya Rutile deposit.

With the addition of Moses and Corné to the team, DY6 is well-positioned to rapidly expand exploration activities at the Company's Central Rutile Project, Cameroon.
