EXPLANATORY STATEMENT

This Explanatory Statement has been prepared to provide information which the Directors believe to be material to Shareholders in deciding whether or not to pass the Resolutions.

1. BACKGROUND TO RESOLUTIONS 1 – 6

1.1 General

As announced on 16 July 2025, the Company has received firm commitments for a placement of 18,750,000 Shares at an issue price of \$0.72 per Share (**Placement**).

The Company seeks shareholder approval for:

- (a) the ratification of 16,606,667 Shares (**Placement Shares**) issued pursuant to Listing Rules 7.1 and 7.1A (the subject of Resolutions 1 and 2); and
- (b) the approval to issue 754,444 Shares (**Director Shares**) to Directors pursuant to their participation in the Placement (the subject of Resolutions 3 to 6).

1.2 Use of funds

The funds raised by the Placement will be used to accelerate exploration activities in Cote d'Ivoire, fund costs of the offer, working capital and corporate and administrative costs.

1.3 Lead Manager

The Company engaged Blackwood Capital Pty Ltd (**Blackwood Capital**) to provide lead manager services in relation to the Placement pursuant to a mandate letter (**Lead Manager Mandate**).

Pursuant to the Lead Manager Mandate, the Company has agreed to pay Blackwood Capital a fee of 6% (plus GST) of funds raised via the Placement.

The terms of the Lead Manager mandate are otherwise standard for an agreement of this type.

2. RESOLUTIONS 1 AND 2 – RATIFICATION OF PRIOR ISSUE OF SHARES - LISTING RULES 7.1 AND 7.1A

2.1 General

As set out in Section 1.1, the Company seeks Shareholder ratification for the purposes of Listing Rule 7.4 for the issue of an aggregate of 16,606,667 Placement Shares which were issued as follows:

- (a) 6,125,296 Placement Shares issued pursuant to Listing Rule 7.1 (being, the subject of Resolution 1); and
- (b) 10,481,371 Placement Shares issued pursuant to Listing Rule 7.1A (being, the subject of Resolution 2).

2.2 Listing Rules 7.1 and 7.1A

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12 month period to 15% of the fully paid ordinary securities it had on issue at the start of that 12 month period.

Under Listing Rule 7.1A however, an Eligible Entity can seek approval from its members, by way of a special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25%. The Company obtained this approval at its annual general meeting held on 22 November 2024.

The issue does not fit within any of the exceptions set out in Listing Rule 7.2 and, as it has not yet been approved by Shareholders, it effectively uses up part of the 25% limit in Listing Rules 7.1 and 7.1A, reducing the Company's capacity to issue further equity

securities without Shareholder approval under Listing Rule 7.1 and 7.1A for the 12 month period following the date of the issue.

2.3 Listing Rule 7.4

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities in the future without having to obtain Shareholder approval for such issues under Listing Rule 7.1. Accordingly, the Company is seeking Shareholder ratification pursuant to Listing Rule 7.4 for the issue.

2.4 Technical information required by Listing Rule 14.1A

If these Resolutions are passed, the issue will be excluded in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively increasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

If these Resolutions are not passed, the issue will be included in calculating the Company's combined 25% limit in Listing Rules 7.1 and 7.1A, effectively decreasing the number of equity securities the Company can issue without Shareholder approval over the 12 month period following the date of the issue.

2.5 Technical information required by Listing Rules 7.4 and 7.5

3. RESOLUTIONS 3 TO 6 – APPROVAL TO ISSUE SECURITIES TO RELATED PARTIES

3.1 General

As set out in Section 1.1, the Company seeks Shareholder approval for the purposes of Listing Rule 10.11 for the issue an aggregate of 754,444 Director Shares as set out in the table below (**Participation**).

RECIPIENT	RESOLUTION	PARTICIPATION	
		QUANTUM	FUNDS RAISED
		SHARES	(\$)
Francis Harper (or their nominee(s))	3	694,444	500,000
Travis Schwerfeger (or their nominee(s))	4	15,000	10,800
Ben Phillips (or their nominee(s))	5	30,000	21,600
Marcus Harden (or their nominee(s))	6	15,000	10,800
Total		754,444	\$543,200

3.2 Director Recommendation

Each Director has a material personal interest in the outcome of these Resolutions on the basis that all of the Directors (or their nominee(s)) are to be issued Director Shares should these Resolutions be passed. For this reason, the Directors do not believe that it is appropriate to make a recommendation on these Resolutions.

3.3 Chapter 2E of the Corporations Act

Chapter 2E of the Corporations Act requires that for a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- (a) obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- (b) give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The issue constitutes giving a financial benefit and each of the proposed recipients is a related party of the Company by virtue of being a Director.

The Participation will result in the issue of the Director Shares which constitutes giving a financial benefit and the Directors are related parties of the Company by virtue of being Directors.

The Directors (other than Mr Harper who has a material personal interest in Resolution 3) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of Resolution 3 because the Director Shares will be issued to Mr Harper on the same terms as Placement Shares offered to unrelated Placement Participants and as such the giving of the financial benefit is on arm's length terms.

The Directors (other than Mr Schwertfeger who has a material personal interest in Resolution 4) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of Resolution 4 because the Director Shares will be issued to Mr Schwertfeger on the same terms as Placement Shares offered to unrelated Placement Participants and as such the giving of the financial benefit is on arm's length terms.

The Directors (other than Mr Phillips who has a material personal interest in Resolution 5) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of Resolution 5 because the Director Shares will be issued to Mr Phillips on the same terms as Placement Shares offered to unrelated Placement Participants and as such the giving of the financial benefit is on arm's length terms.

The Directors (other than Mr Harden who has a material personal interest in Resolution 6) consider that Shareholder approval pursuant to Chapter 2E of the Corporations Act is not required in respect of Resolution 6 because the Director Shares will be issued to Mr Harden on the same terms as Placement Shares offered to unrelated Placement Participants and as such the giving of the financial benefit is on arm's length terms.

3.4 Section 195(4) of the Corporations Act

Section 195 of the Corporations Act provides that a director of a public company may not vote or be present during meetings of directors when matters in which that director holds a "material personal interest" are being considered, except in certain limited circumstances. Section 195(4) relevantly provides that if there are not enough directors to form a quorum for a directors meeting because of this restriction, one or more of the directors may call a general meeting and the general meeting may pass a resolution to deal with the matter.

It might be argued (but it is neither conceded nor, indeed, is it thought by the Board to be the case) that all of the Directors comprising the Board have a material personal interest in the outcome of Resolutions 3 to 6. If each does have such an interest, then a quorum could not be formed to consider the matters contemplated by Resolutions 3 to 6 at Board level.

Accordingly, for the avoidance of any doubt, and for the purpose of transparency and best practice corporate governance, the Company also seeks Shareholder approval for Resolutions 3 to 6 for the purposes of section 195(4) of the Corporations Act in respect of the reliance on the arm's length terms exception and the decision not to seek Shareholder approval under Chapter 2E of the Corporations Act.

3.5 Listing Rule 10.11

Listing Rule 10.11 provides that unless one of the exceptions in Listing Rule 10.12 applies, a listed company must not issue or agree to issue equity securities to:

- 10.11.1 a related party;
- 10.11.2 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (30%+) holder in the company;
- 10.11.3 a person who is, or was at any time in the 6 months before the issue or agreement, a substantial (10%+) holder in the company and who has nominated a director to the board of the company pursuant to a relevant agreement which gives them a right or expectation to do so;
- 10.11.4 an associate of a person referred to in Listing Rules 10.11.1 to 10.11.3; or
- 10.11.5 a person whose relationship with the company or a person referred to in Listing Rules 10.11.1 to 10.11.4 is such that, in ASX's opinion, the issue or agreement should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The issue falls within Listing Rule 10.11.1 and does not fall within any of the exceptions in Listing Rule 10.12. It therefore requires the approval of Shareholders under Listing Rule 10.11.

3.6 Technical information required by Listing Rule 14.1A

If these Resolutions are passed, the Company will be able to proceed with the issue within one month after the date of the Meeting (or such later date as permitted by any ASX waiver or modification of the Listing Rules). As approval pursuant to Listing Rule 7.1 is not required for the issue (because approval is being obtained under Listing Rule 10.11), the issue will not use up any of the Company's 15% annual placement capacity.

If these Resolutions are not passed, the Company will not be able to proceed with the issue and the Company will not raise the additional \$543,200 under the Placement.

3.7 Technical Information required by Listing Rule 10.13 and section 219 of the Corporations Act

REQUIRED INFORMATION	DETAILS
Name of the persons to whom Securities will be issued	The proposed recipients of the Director Shares are set out in Section 3.1 above.
Categorisation under Listing Rule 10.11	Each of the proposed recipients falls within the category set out in Listing Rule 10.11.1 as they are a related party of the Company by virtue of being a Director. Any nominee(s) of the proposed recipients who receive Director Shares may constitute 'associates' for the purposes of Listing Rule 10.11.4.
Number of Securities and class to be issued	The maximum number of Director Shares to be issued (being the nature of the financial benefit proposed to be given) and the allocation between the recipients is set out in the table included at Section 3.1 above.
Terms of Securities	The Director Shares will be fully paid ordinary shares in the capital of the Company issued on the same terms and conditions as the Company's existing Shares.
Date(s) on or by which the Securities will be issued	The Company expects to issue the Director Shares within 5 Business Days of the Meeting. In any event, the Company will not issue any Director Shares later than one month after the date of the Meeting (or such later date to the extent permitted by any ASX waiver or modification of the Listing Rules).
Price or other consideration the Company will receive for the Securities	\$0.72 per Director Share.
Purpose of the issue, including the intended use of any funds raised by the issue	Refer to Section 1.3 for details of the proposed use of funds.
Consideration of type and quantum of Security to be issued	The recipients are seeking to participate in the Placement on the same terms as the institutional, professional and sophisticated investors who took part in the Placement. It is not considered that there are any significant opportunity costs to the Company or benefits foregone by the Company in issuing the Director Shares on the terms proposed.
Summary of material terms of agreement to issue	The Director Shares are not being issued pursuant to any agreement.

REQUIRED INFORMATION	DETAILS
Other information	The Board is not aware of any other information that is reasonably required by Shareholders to allow them to decide whether it is in the best interests of the Company to pass these Resolutions.
Voting exclusion statements	Voting exclusion statements apply to these Resolutions.

4. RESOLUTION 7 – RENEWAL OF PROPORTIONAL TAKEOVER PROVISIONS

4.1 Background

The Corporations Act permits a company to include in its constitution provisions (called **takeover approval provisions**) requiring that a proportional or partial takeover offer (ie an offer for less than 100% of the shares but for the same proportion of each shareholder's shares) be approved by a majority of shareholders, before it may proceed. In effect, the approval of Resolution 7 will enable the Company to refuse to register shares acquired under a proportional takeover bid unless the bid is approved by a majority of shareholders.

The Company's Constitution currently contains provisions dealing with proportional takeover bids.

4.2 Section 648G of the Corporations Act

The following information is provided pursuant to section 648G of the Corporations Act.

(a) Operation of the proportional takeover provisions

If the proportional takeover provisions set out in clause 36 of the Company's Constitution are renewed the registration of a transfer of Shares acquired under a proportional takeover offer will be prohibited unless an approving resolution is passed by Shareholders in the Company in the manner provided in clause 36 of the Company's Constitution.

The proportional takeover provisions do not apply to a full takeover bid for all of the Shares of the Company.

If the Company's existing proportional takeover provisions are renewed and a proportional takeover offer is subsequently made for Shares in the Company, the Directors must seek Shareholder approval by a majority vote to register transfers under the proportional takeover bid. The Shareholder approval can be obtained at a general meeting of Shareholders.

Those Shareholders who are entitled to vote at the general meeting are the Shareholders (other than the bidder and its associates) who are recorded on the register of members at the end of the day on which the first of the takeover offers under the proportional takeover bid is made.

The resolution must be voted on at least 14 days before the last day of the offer period under the proportional takeover bid. The resolution will be passed if more than 50 percent of eligible votes are cast in favour of the approval. If no such resolution has been voted on at least 14 days before the last day of the bid period then a resolution to approve the registration of transfers under the bid is taken to have been passed.

If the resolution is not passed by a majority of the shares voted, then the offer will be deemed to be withdrawn and registration of any transfer of shares resulting from the offer will be prohibited. Acceptances will be returned and any contracts formed by acceptance will be rescinded. If the resolution is approved, transfers of shares to the bidder will be registered provided they comply with the other provisions of the Constitution.

If renewed, Schedule 5 of the Company's Constitution will have effect for a three-year period commencing on 5 September 2025.

(b) **Current acquisition proposals**

As at the day on which this Notice and Explanatory Memorandum is prepared, none of the Directors of the Company is aware of a proposal by a person to acquire, or to increase the extent of, a substantial interest in the Company.

(c) **Advantages of proportional takeover provisions to Shareholders**

Potential advantages to Shareholders of the renewal of proportional takeover provisions in the Company's Constitution are set out below:

- (i) The takeover approval provisions may enable Shareholders to act together and so avoid the coercion of Shareholders that might otherwise arise where they believe a partial offer is inadequate, but nevertheless accept through concern that a significant number of other Shareholders will accept.
- (ii) The takeover approval provisions may provide Shareholders with protection against being coerced into accepting a partial bid at a high premium where the bidder indicates its intention to mount a subsequent bid for the remaining shares at a much reduced price. This puts pressure on Shareholders to accept the initial bid in order to maximise their returns.
- (iii) If a partial bid is made, the takeover approval provisions may make it more probable that a bidder will set its offer price at a level that will be attractive to at least a majority of Shareholders.
- (iv) The body of Shareholders may more effectively advise and guide the Directors' response to a partial bid, and knowing the view of the majority of Shareholders may assist individual Shareholders to assess the likely outcome of the proportional bid and decide whether or not to accept an offer under the bid.
- (v) The takeover approval provisions may make it more probable that any takeover offer will be a full bid for the whole shareholding of each Shareholder, so that Shareholders may have the opportunity of disposing of all their Shares rather than only a proportion.

(d) **Disadvantages of the proportional takeover provisions to Shareholders**

Potential disadvantages to Shareholders of the renewal of proportional takeover provisions in the Company's Constitution are set out below:

- (i) By placing obstacles in the way of partial offers, the proposal may tend to discourage partial offers, thus reducing the opportunity for Shareholders to sell a portion of their holding.
- (ii) It is possible that the existence of the takeover approval provisions might have an adverse effect on the market value of the Company's Shares by making a partial offer less likely thus reducing any takeover speculation element in the Share price.
- (iii) An individual Shareholder who wishes to accept a proportional offer will be unable to sell to the bidder unless a majority of Shareholders favour the proportional takeover scheme (which may be viewed as an additional restriction on the ability of individual Shareholders to deal freely in their Shares).
- (iv) If a proportional takeover offer is made, the Company will incur the cost of calling a meeting of Shareholders.

(e) **Advantages and disadvantages of the proportional takeover provisions for the Directors**

Potential advantages and disadvantages to the Directors of the renewal of proportional takeover provisions in the Company's Constitution are set out below:

- (i) If the Directors consider that a proportional bid should be opposed, they will be assisted in preventing the bidder from securing control of the Company as the bidder will need a majority of votes to be cast in its favour by the independent Shareholders, before the bidder can succeed.
- (ii) On the other hand, under the takeover approval provisions, if a proportional takeover offer is received, the Directors must call a meeting to seek the Shareholders' views. They must do so even if the Directors believe that the offer should be accepted.
- (iii) At present, it is only the Directors who express any formal view on the adequacy or otherwise of a takeover bid, on behalf of the Company. Under the takeover approval provisions the most effective view on a proportional bid will become the view expressed by the vote of the Shareholders themselves, at the meeting.
- (iv) The takeover approval provisions may make it easier for the Directors to discharge their fiduciary and statutory duties as directors in the event of a proportional takeover bid.

(f) **Reasons for proposing the Resolution**

Having considered the advantages and disadvantages to Shareholders and the Directors, the Directors have decided to put this Resolution to Shareholders, to give Shareholders an opportunity to take advantage of the protections which the takeover approval provisions offer, if a proportional takeover offer is made.

How to Vote on Items of Business

All your securities will be voted in accordance with your directions.

APPOINTMENT OF PROXY

Voting 100% of your holding: Direct your proxy how to vote by marking one of the boxes opposite each item of business. If you do not mark a box your proxy may vote or abstain as they choose (to the extent permitted by law). If you mark more than one box on an item your vote will be invalid on that item.

Voting a portion of your holding: Indicate a portion of your voting rights by inserting the percentage or number of securities you wish to vote in the For, Against or Abstain box or boxes. The sum of the votes cast must not exceed your voting entitlement or 100%.

Appointing a second proxy: You are entitled to appoint up to two proxies to attend the meeting and vote on a poll. If you appoint two proxies you must specify the percentage of votes or number of securities for each proxy, otherwise each proxy may exercise half of the votes. When appointing a second proxy write both names and the percentage of votes or number of securities for each in Step 1 overleaf.

A proxy need not be a securityholder of the Company.

SIGNING INSTRUCTIONS FOR POSTAL FORMS

Joint Holding: Where the holding is in more than one name, all of the securityholders should sign.
