BMG Resources Limited (**ASX: BMG**) (**BMG** or the **Company**) is pleased to announce that it has received firm commitments to raise \$600,000 via a placement of fully paid ordinary shares at \$0.008 per share to institutional, sophisticated and professional investors (**Placement**).

John Prineas, BMG's Non-Executive Chairman, said:

"We are very pleased to secure additional funds with no discount to the last closing price, ensuring minimum dilution to existing shareholders.

"We received overwhelming interest in the raise but we maintained the quantum to only a strategic amount given the value creating activities currently underway – including a scoping study for a potential development at Abercromby and pending exploration drill results at Bullabulling.

"We thank investors for recognising the enormous opportunity we have at our WA gold projects, and we look forward to updating investors on project developments as they occur."

Successful Raise

Under the Placement, 75,000,000 new shares at \$0.008 per share (**New Shares**) will be issued to raise \$600,000. The New Shares will be placed pursuant to section 708 of the Corporations Act 2001 (Cth) and will rank equally with the Company's existing shares on issue.

The New Shares will be issued in a single tranche with 6,250,000 shares being issued under ASX Listing Rule 7.1 and 68,750,000 shares being issued under ASX Listing Rule 7.1A.
