About Bhagwan Marine Limited

Bhagwan Marine (ASX: BWN) is a leading Australian marine solutions provider, delivering specialised services across the offshore energy, subsea, ports & inshore and defence sectors.

With Australia's largest vessel fleet, supported by a network of strategically located operating facilities, Bhagwan has the scale, flexibility and national presence to deliver customised, timely solutions for its clients.

The Company's highly skilled, locally based workforce — including Australia's largest in-house crewing capability for over 800 marine personnel and up to 200 qualified air divers — ensures projects are delivered safely, efficiently and to the highest standard.

Bhagwan has a founder-led culture, a proven track record for service delivery, safety and innovation, and long-term partnerships with major energy and mining operators, construction companies, and government entities.
