**GDM's Adelong JV partner seeks to contest approval of annual programme and budget**

Great Divide Mining Ltd (ASX:GDM) is aware that earlier today, Adelong Gold Limited (ASX:ADG) entered into a trading halt asserting that the first annual programme and budget of CMPL (the joint venture entity) had not been approved as announced by GDM (ASX:GDM: Challenger Gold Mine 1st Annual Plan).

GDM does not agree with that statement and says that such an assertion is not sustainable either as a matter of fact or law. GDM considers the 1st Annual Plan was properly approved in accordance with the Shareholders' Agreement in place between GDM and ADG, but will update the market on any developments.

ASX release authorised by the Board of Great Divide Mining Ltd.
