About Veris Limited

Veris Limited (ASX:VRS), is a fully integrated digital and spatial data advisory and consulting firm. It provides end-to-end spatial data and digital solutions to tier-1 clients in key industry sectors including Transport, Buildings & Property, Energy & Resources, Defence, Utilities and Government. The company has a national footprint, with a diverse geographic spread of offices, servicing major metropolitan and regional centres across Australia.

The Veris end-to-end service offering unlocks the digital transformation needs of industry, spanning spatial data collection, hosting, sharing, analytics, insights and modelling for clients with large-scale data requirements, through to survey, planning, consulting and advisory services.

Veris strives to provide a safe work environment for its staff, operating under its accredited Health, Safety, Environment and Quality (HSEQ) management system. The company is also committed to improving employment opportunities to Australia's indigenous population, via its initial Reconciliation Action Plan, Veris Reflect, and its stake in the Wumara Group, a majority indigenous-owned land and construction surveying business.
