Overview of the Scheme

Lynch Group Holdings Limited (ASX:LGL) (**Lynch** or **Group**) has entered into a Scheme Implementation Agreement (**SIA**) with Hasfarm Holdings Limited (**Hasfarm**) and Darwin Aus Bidco Pty Ltd (**Hasfarm Bidco**) under which Hasfarm Bidco has agreed to acquire 100% of the shares in Lynch by way of a scheme of arrangement (**Scheme**). Hasfarm and Hasfarm Bidco are controlled by private equity fund TPG Capital Asia.

If the Scheme is implemented, Lynch shareholders will receive a cash price of \$2.245 per Lynch share, less any permitted dividend paid to Lynch shareholders before implementation of the Scheme.

As advised in Lynch's 2025 full year results release announcement, the Lynch board has resolved to pay a permitted fully franked final dividend of \$0.09 per Lynch share (**FY25 Dividend**) in respect of the Group's trading performance for the year ended 29 June 2025. The FY25 Dividend will be paid irrespective of whether the Scheme proceeds.

Accordingly, if the Scheme is implemented, any Lynch shareholder:

- who receives the FY25 Dividend and remains a shareholder as at the record date of the Scheme will receive an aggregate cash amount of \$2.245 per Lynch share (**Aggregate Cash Amount**); and
- who acquires Lynch shares after the FY25 Dividend record date of 3 September 2025 and remains a shareholder as at the record date of the Scheme will receive a cash amount of \$2.155 per Lynch share in respect of those shares.

Implied value of the Aggregate Cash Amount

The Aggregate Cash Amount of \$2.245 cash per share² represents:

- a 28.3% premium to the last closing price of a Lynch share of \$1.75 on 19 August 2025;
- a 29.2% premium to the 3-month VWAP of a Lynch share of \$1.74 up to and including 19 August 2025³; and
- a 34.3% premium to the 6-month VWAP of a Lynch share of \$1.67 up to and including 19 August 2025⁴.

The Aggregate Cash Amount represents an implied equity value for the Group of \$280m and an enterprise value of \$304m.⁵

² The Aggregate Cash Amount of \$2.245 per Lynch share will be received by Lynch shareholders who hold shares as at the FY25 Dividend record date of 3 September 2025 and the record date for the Scheme, if the Scheme is implemented. Any Lynch shareholder that acquires Lynch shares after the FY25 Dividend record date of 3 September 2025 will receive a total cash amount of \$2.155 per Lynch share in respect of those shares.

Board recommendation

The Board of Lynch unanimously recommends that Lynch shareholders vote in favour of the Scheme, in the absence of a superior proposal and subject to an Independent Expert concluding (and continuing to conclude) that the Scheme is in the best interests of Lynch shareholders.

Each Lynch Director who has a Relevant Interest in Lynch Shares intends to vote, or cause to be voted, those Lynch Shares in favour of the Scheme, subject to those same qualifications.

Lynch Non-Executive Director, Peter Clare, said:

"The Lynch Board has carefully considered the proposed acquisition of Lynch by Hasfarm and unanimously supports the Scheme. After a thorough assessment of the strategic, financial and operational considerations, we believe that the Scheme represents a compelling opportunity for Lynch shareholders. The all-cash offer provides liquidity at a premium to Lynch's recent share price and delivers certainty of value for Lynch shareholders, while recognising the long-term potential of Lynch's assets and people under Hasfarm's ownership."

Hasfarm Chief Executive Officer, Aad Gordijn, said:

"A combination of Hasfarm and Lynch Group combines the strengths and resources that would enable the business to innovate and expand across the Asia Pacific, with a greater diversity of supply and access to premium flower markets from China and Japan to Australia. Hasfarm's farming operations would provide Lynch Group customers with improved security of supply, with immediate benefits for Australian retailers and consumers. We believe we have put forward a compelling offer to Lynch Group shareholders and look forward to working with the Board to progress the Scheme."

Major shareholders support the Scheme

The call option deeds will be attached to a substantial holder notice that Hasfarm Bidco will give to ASX within 2 trading days of this announcement.

Details of the SIA

The SIA contains customary terms and conditions for a transaction of this nature in relation to the implementation of the Scheme. A copy of the SIA (which sets out all of the terms and conditions relating to the Scheme and its implementation) is attached to this announcement.

The SIA provides that implementation of the Scheme is subject to a number of conditions which must be satisfied, or if applicable, waived before the Scheme can become effective (**Conditions**).

These Conditions are set out in full in the SIA and include:

- the Independent Expert concluding (and continuing to conclude) that the Scheme is in the best interests of Lynch shareholders;
- approval of the Scheme by the requisite majorities of Lynch shareholders at the meeting of Lynch shareholders ordered by the Court to be convened to consider the Scheme (**Scheme Meeting**);
- regulatory approvals from the Australian Securities and Investments Commission (**ASIC**) and ASX;
- no material adverse effect in respect of Lynch including a reduction in consolidated net assets or annual underlying EBITDA beyond specified thresholds prior to the second Scheme court date;
- no prescribed events in respect of Lynch prior to the second Scheme court date;
- the representations or warranties made by the Target and the Bidder in the SIA being true and correct in all material respects prior to the second Scheme court date;
- all existing Lynch management equity incentives being dealt with in accordance with the SIA prior to the second Scheme court date; and

Implementation of the Scheme is not subject to any financing Conditions.

The SIA also contains the following customary arrangements:

- exclusivity obligations on Lynch, including 'no shop', 'no talk' and 'no due diligence' restrictions (with the latter two subject to a customary fiduciary exception), a 'notification' obligation, and a 'matching right' for Hasfarm Bidco; and
- circumstances in which a break fee of \$2,700,000 would be payable to Hasfarm Bidco by Lynch, or a reverse break fee of \$2,700,000 would be payable to Lynch by Hasfarm Bidco.

Hasfarm has agreed to guarantee the obligations of Hasfarm Bidco under the SIA.

Indicative timetable, Scheme Booklet and next steps

Lynch shareholders do not need to take any action at this time. Lynch will continue to keep shareholders and the market informed of developments associated with the Scheme in accordance with its continuous disclosure obligations.

A Scheme Booklet containing important information in relation to the Scheme and the Scheme Meeting will be prepared by Lynch, provided to ASIC for review, and subsequently sent to Lynch shareholders in due course.

The Scheme booklet will include:

- the reasons for the Lynch Directors' recommendation in respect of the Scheme;
- a copy of the Independent Expert Report prepared by the Independent Expert (KPMG Financial Advisory Services (Australia) Pty Ltd) appointed by Lynch in respect of the Scheme, which will include the Independent Expert's opinion on whether the Scheme is in the best interests of Lynch shareholders; and
- notice of and information about the Scheme Meeting, including information on how to vote.

Shareholders will then have the opportunity to vote on the Scheme at the Scheme Meeting.

The Scheme Meeting is expected to be held in November 2025, and the Scheme is expected to be implemented in December 2025 (subject to shareholder approval being obtained by the requisite majorities and the other Conditions being satisfied).

3.2 Reasonable endeavours

Each of the Target and the Bidder must use reasonable endeavours to procure that:

- (a) each of the Conditions Precedent for which it is a party responsible (as noted in clause 3.1):
 - (i) is satisfied as soon as practicable after the date of this document; and
 - (ii) continues to be satisfied at all times until the last time it is to be satisfied (as the case may require);
- (b) the other party is promptly and reasonably informed of the steps it has taken and of its progress towards satisfaction of the Conditions Precedent for which it is a party responsible (as noted in clause 3.1, and whether solely or jointly); and
- (c) there is no occurrence within its control or the control of any of its Subsidiaries that would prevent the Conditions Precedent for which it is a party responsible being or remaining satisfied.

3.3 Waiver of Conditions Precedent

- (a) A Condition Precedent may only be waived in writing by the party or parties entitled to the benefit of that Condition Precedent as noted in clause 3.1 and will be effective only to the extent specifically set out in that waiver.

- (b) A party entitled to waive the breach or non-fulfilment of a Condition Precedent under this clause 3.3 may do so in its absolute discretion.
- (c) A waiver of a breach or non-fulfilment in respect of a Condition Precedent does not constitute:
 - (i) a waiver of a breach or non-fulfilment of any other Condition Precedent arising from the same event; or
 - (ii) a waiver of a breach or non-fulfilment of that Condition Precedent resulting from any other event.

3.4 Notices in relation to Conditions Precedent

Each party must:

- (a) **(notice of satisfaction)** promptly notify the other of satisfaction of a Condition Precedent and must keep the other informed of any material development of which it becomes aware that may lead to the breach or non-fulfilment of a Condition Precedent;
- (b) **(notice of failure)** give written notice to the other party as soon as possible upon becoming aware of the happening of an event or occurrence that would, does or will:
 - (i) prevent a Condition Precedent from being satisfied; or
 - (ii) mean that any Condition Precedent will not otherwise be satisfied,
 before the time and date specified for its satisfaction (or being satisfied by the End Date, if no such time and date is specified). For the avoidance of doubt, multiple notices may be required under this clause 3.4(b); and
- (c) **(notice of waiver)** upon receipt of a notice given under clause 3.4(b), give written notice to the other party as soon as possible (and in any event before 5.00pm on the day before the Second Court Date) as to whether or not it waives the breach or non-fulfilment of any Condition Precedent resulting from the occurrence of that event, specifying the Condition Precedent in question.

3.5 Consultation on failure of Condition Precedent

If:

- (a) a Condition Precedent is not satisfied (including by waiver) or becomes incapable of being satisfied, before the time and date specified for its satisfaction (or being satisfied by the End Date, if no such time and date is specified);
- (b) there is an act, failure to act or occurrence which will prevent a Condition Precedent being satisfied by the time or date specified in this document for the satisfaction of the Condition Precedent; or
- (c) it becomes more likely than not that the Scheme will not become Effective on or before the End Date,

the parties must consult in good faith to:

- (d) consider and, if agreed, determine, whether the Transaction may proceed by way of alternative means or methods;
- (e) consider changing and, if agreed, change, the date of the application made to the Court for an order under paragraph 411(4)(b) of the Corporations Act approving the Scheme or adjourning that application (as applicable) to another date agreed to in writing by the Bidder and the Target (being a date no later than 5 Business Days

before the End Date), unless there is no reasonable prospect that the Condition Precedent will be satisfied before the End Date;

- (f) consider extending, and if agreed, extend, the relevant time for satisfaction of the Condition Precedent; or
- (g) consider extending, and if agreed, extend, the End Date.

3.6 Failure to agree

- (a) If the parties are unable to reach agreement under clause 3.5 within 5 Business Days (or any shorter period ending at 5.00pm on the day before the Second Court Date):
 - (i) subject to clause 3.6(a)(ii), either party may terminate this document (and that termination will be in accordance with clause 13.1(e)(i)); or
 - (ii) if a Condition Precedent may be waived and exists for the benefit of one party only, that party only may waive that Condition Precedent or terminate this document (and that termination will be in accordance with clause 13.1(e)(ii)),

in each case before 8.00am on the Second Court Date. For the avoidance of doubt, nothing in this clause 3.6(a) affects the obligation of the Target to pay the Break Fee if it is required to do so under clause 10 or the obligation of the Bidder to pay the Reverse Break Fee if it is required to do so under clause 11.

- (b) A party will not be entitled to terminate this document under this clause if the relevant Condition Precedent has not been satisfied, or the parties are unable reach an agreement under clause 3.5, as a result of:
 - (i) a breach of this document by that party; or
 - (ii) a deliberate act or omission of that party which directly or materially contributed to the Condition Precedent not being satisfied.
- (c) If the Condition Precedent in clause 3.1(b) is not satisfied only because of a failure to obtain the majority required by sub-subparagraph 411(4)(a)(ii)(A) of the Corporations Act, then either the Target or the Bidder may by written notice to the other within 5 Business Days after the date of the conclusion of the Scheme Meeting require the approval of the Court to be sought, pursuant to the Court's discretion in that sub-subparagraph, provided the party has, in good faith formed the view that the prospect of the Court exercising its discretion in that way is reasonable (including, but not limited to, because the relevant party considers (acting reasonably) that the splitting by one or more Target Shareholders of a holding of Target Shares into two or more parcels of Target Shares (whether or not it results in any change in beneficial ownership of the Target Shares) or some other abusive or improper conduct may have caused or contributed to the majority required by sub-subparagraph 411(4)(a)(ii)(A) of the Corporations Act not having been obtained). If such a notice is given:
 - (i) the Target must make such submissions to the Court and file such evidence as counsel engaged by the Target to represent it in Court proceedings related to the Scheme, in consultation with the Bidder, considers is reasonably required to seek to persuade the Court to exercise its discretion under sub-subparagraph 411(4)(a)(ii)(A) of the Act; and
 - (ii) where the notice was given by the Bidder and the Court does not give its approval, the Bidder must pay the Target's costs (including legal fees) associated with those submissions and Court proceedings.

If the Court's approval is given, the condition precedent in clause 3.1(b) is deemed to be satisfied for all purposes.

4. Outline of Scheme

4.1 Scheme

Target must propose the Scheme to Target Shareholders on and subject to the terms and conditions of this document and the Scheme.

4.2 Scheme Consideration

Subject to and in accordance with this document and the Scheme and provided that the Scheme becomes Effective, each Scheme Shareholder is entitled to receive the Scheme Consideration in respect of each Target Share held by that Scheme Shareholder.

4.3 Payment of Scheme Consideration

Subject to this document and the Scheme, the Bidder undertakes to the Target (in its own right and separately as trustee or nominee of each Scheme Shareholder) that, in consideration of the transfer to the Bidder of each Target Share held by a Scheme Shareholder, the Bidder will, on the Implementation Date:

- (a) accept that transfer; and
- (b) pay or procure the payment of the Scheme Consideration in accordance with the Scheme.

Where the calculation of the Scheme Consideration to be provided to a Scheme Shareholder would result in the Scheme Shareholder becoming entitled to a fraction of a cent, the fractional entitlement will be rounded up or down (as applicable) to the nearest cent.

4.4 Permitted Dividend

- (a) The Bidder acknowledges and agrees that at any time prior to the Implementation Date, the Target may announce, declare and pay the Permitted Dividend (and for the avoidance of doubt there cannot be more than one Permitted Dividend).
- (b) The Scheme Consideration per Target Share will be reduced by the cash amount of the Permitted Dividend, but will not be reduced by the value attributed to any franking credits attached to the Permitted Dividend.
- (c) If Target announces, declares and pays the Permitted Dividend:
 - (i) the Permitted Dividend must be paid in cash;
 - (ii) the Permitted Dividend must be 'frankable' within the meaning of section 202-40 of the Tax Act;
 - (iii) the Permitted Dividend must be fully franked and not be in breach of the 'benchmark rule' (as defined in section 203-25 of the Tax Act);
 - (iv) the franking account of Target must not be in deficit at any time after the payment of the Permitted Dividend for any reason, including due to the payment of the Permitted Dividend and/or any tax refunds received by Target before or immediately after the declaration of, or the resolution to pay, the Permitted Dividend;
 - (v) the payment date for the Permitted Dividend will be determined by the Target provided that the Permitted Dividend is paid no later than the Implementation Date;
 - (vi) the record date of the Permitted Dividend must be a date that is at least two days before Record Date of the Scheme; and

- (vii) payment of the Permitted Dividend must comply with the Corporations Act.
- (d) Target undertakes that no amount of the Permitted Dividend shall be directly or indirectly funded before the Implementation Date from the issue of equity interests (as defined in section 995-1 of the Tax Act) by any Target Group Member, where such equity interests are issued before the implementation of the Scheme.

4.5 Target employee incentives

By no later than 8.00am on the Record Date and in each case subject to the Scheme becoming Effective, the Target must:

- (a) give effect to the treatment of the Target Performance Rights and termination of Target Group's incentive plans and other arrangements in the manner agreed between the parties in writing before the date of this document (**Target Performance Rights Letter**);
- (b) use reasonable endeavours to procure that ASX provides all necessary waivers or relief required to give effect to the treatment of all Target Performance Rights in the Target Performance Rights Letter; and
- (c) ensure that there are no:
 - (i) outstanding Target Performance Rights or other entitlements for the grant of Target Shares granted under any Target Group incentive plans (except as expressly agreed in writing by the Bidder and the Target); or
 - (ii) other Target securities on issue, other than the Target Shares.

4.6 No amendment to the Scheme without consent

Target must not consent to any modification of, or amendment to, or the making or imposition by the Court of any condition in respect of, the Scheme without the prior written consent of Bidder (not to be unreasonably withheld or delayed).

5. Implementation

5.1 General obligations

- (a) The Target and the Bidder must each:
 - (i) use all reasonable endeavours and commit necessary resources (including management and corporate relations resources and the resources of external advisers); and
 - (ii) procure that its officers and advisers work in good faith and in a timely and co-operative fashion with the other party (including by attending meetings and by providing information),

to produce the Scheme Booklet and take all necessary steps and exercise all rights necessary to implement the Scheme as soon as reasonably practicable and substantially in accordance with the Indicative Timetable.

- (b) Failure by a party to meet any timeframe or deadline set out in the Indicative Timetable will not constitute a breach of clause 5.1(a) to the extent that such failure is due to circumstances and matters outside the party's control (including the unavailability of court dates and any delay in receiving the statements required to be obtained from ASIC under clause 5.2(c)) or due to Target taking any action or refraining from taking any action that it would otherwise be required by this document to take, in response to a Competing Proposal as permitted or contemplated by this document.
- (c) Each party must keep the other informed about their progress against the Indicative Timetable and notify each other if it believes that any of the dates in the Indicative Timetable are not achievable.
- (d) To the extent that any of the dates or timeframes set out in the Indicative Timetable become not achievable, the parties will consult in good faith to agree to any necessary extension to ensure such matters are completed within the shortest possible timeframe.

5.2 Target's obligations

Target must take all reasonable steps to implement the Scheme on a basis consistent with this document as soon as reasonably practicable and must:

- (a) **(announce Target Board's recommendation)** following execution of this document, publicly announce, in a form agreed between the Target and the Bidder (on the basis of statements made to the Target by each Target Director) that:
 - (i) each Target Director recommends that Target Shareholders vote in favour of the Scheme; and
 - (ii) each Target Director who has a Relevant Interest in Target Shares, will vote, or procure the voting of, those Target Shares in favour of the Scheme,
 in each case subject only to:
 - (iii) the Independent Expert concluding, and continuing to conclude, that the Scheme is in the best interests of Target Shareholders; and
 - (iv) there being no Superior Proposal;
- (b) **(preparation of Scheme Booklet)** subject to clause 5.2(e)(i), as soon as practicable after the date of this document, prepare and despatch the Scheme Booklet:

 - (A) unanimously recommending that Target Shareholders vote in favour of the Scheme subject to the Independent Expert continuing to conclude that the Scheme is in the best interests of Target Shareholders and there being no Superior Proposal; and
 - (B) that each Target Director who has a Relevant Interest in Target Shares will vote those Target Shares in favour of the Scheme subject to the Independent Expert continuing to conclude that the Scheme is in the best interests of Target Shareholders and there being no Superior Proposal;
- (c) **(Independent Expert)** promptly appoint the Independent Expert and provide any assistance and information reasonably requested by the Independent Expert to

enable the Independent Expert to prepare its Independent Expert's Report for the Scheme Booklet as soon as practicable (including any updates to such report) and any other materials to be prepared by them for inclusion in the Scheme Booklet (or any updates thereto);

- (d) **(section 411(17)(b) statement)** apply to ASIC for the production of:

 - (B) taking any reasonable comments made by the Bidder into account in good faith when producing a revised draft of the Scheme Booklet;
 - (C) providing to the Bidder a revised draft of the Scheme Booklet within a reasonable time before the draft of the Scheme Booklet which is provided to ASIC for approval pursuant to section 411(2) of the Corporations Act is finalised; and
 - (D) obtaining the Bidder's written consent to the inclusion of the Bidder Information (including in respect of the form and context in which the Bidder Information appears in the Scheme Booklet); and
 - (ii) documents required for the purposes of the Court hearings held for the purposes of sections 411(1) and 411(4)(b) of the Corporations Act in relation to the Scheme (including originating processes, affidavits, submissions and draft minutes of Court orders), and consider in good faith any comments on, or suggested amendments to, those documents from the Bidder and its Representatives prior to filing those documents with the Court;
- (f) **(lodgement of Regulator's Draft)**
 - (i) no later than 14 days before the First Court Date, provide an advanced draft of the Scheme Booklet (**Regulator's Draft**) to ASIC for its review for the purposes of section 411(2) of the Corporations Act, and provide a copy of the Regulator's Draft to the Bidder immediately thereafter; and
 - (ii) keep Bidder reasonably informed of any material issues raised by ASIC in relation to the Regulator's Draft and, where practical to do so, consult with the Bidder in good faith prior to taking any steps or actions to address those material issues (provided that, where those issues relate to Bidder Information, the Target must not take any steps to address them without Bidder's prior written consent, not to be unreasonably withheld);
- (g) **(ASIC and ASX review)** keep Bidder informed of any material matters raised by ASIC or ASX in relation to the Transaction Documents or the Transaction, and take into consideration any reasonable comments made by Bidder in relation to such matters raised by ASIC or ASX (provided that, where those matters relate to Bidder Information, Target must not take any steps to address them without Bidder's prior written consent);

- (h) **(Approval of Scheme Booklet)** procure that a meeting of the Target Board (or a subcommittee thereof) is convened to consider approving the dispatch of the Scheme Booklet to Target Shareholders, subject to orders of the Court under section 411(1) of the Corporations Act;
- (i) **(supplementary disclosure)** if, after despatch of the Scheme Booklet, the Target becomes aware:
 - (i) that information included in the Scheme Booklet is or has become misleading or deceptive in any material respect (whether by omission or otherwise); or
 - (ii) of information that is required to be disclosed to Target Shareholders under any applicable law but was not included in the Scheme Booklet,

promptly consult with the Bidder in good faith as to the need for, and the form of, any supplementary disclosure to Target Shareholders, and make any disclosure that the Target considers reasonably necessary in the circumstances, having regard to applicable laws and to ensure that there would be no breach of clause 12.1(g) if it applied as at the date that information arose;

 - (i) procure that it is represented by counsel at the Court hearings convened for the purposes of subsection 411(1) and paragraph 411(4)(b) of the Corporations Act; and

- (p) **(Conditions Precedent certificate)** at the hearing on the Second Court Date, provide to the Court (through its counsel):
 - (i) a certificate signed by one of its directors and made in accordance with a resolution of its board confirming (in respect of matters within Target's knowledge) whether or not the Conditions Precedent for which it is responsible, as noted in clause 3.1 (other than paragraph 3.1(c)), have been satisfied or waived in accordance with clause 3, a draft of which must be provided to Bidder by 5.00pm on the Business Day prior to the Second Court Date; and
 - (ii) any certificate provided to it by Bidder under clause 5.3(g);

- (q) **(lodge copy of Court order)** lodge with ASIC an office copy of the Court order approving the Scheme as approved by the Target Shareholders at the Scheme Meeting in accordance with section 411(10) of the Corporations Act no later than the Business Day after the date on which the office copy of the Court order was received by the Target (or any later date agreed in writing by Bidder);
- (r) **(Register):**
 - (i) close the Register as at the Record Date to determine the identity of Scheme Shareholders and their entitlements to Scheme Consideration; and

- (w) **(Information)** provide all reasonably necessary information, and use its best endeavours to procure that the Target Registry provides all reasonably necessary information, in each case in a form reasonably requested by Bidder, about the Scheme, Target Shareholders and Scheme Shareholders to Bidder and its Representatives, which Bidder reasonably requires in order to:

 - (ii) facilitate the provision by, or on behalf of, Bidder of the Scheme Consideration and to otherwise enable Bidder to comply with the terms of this document, the Scheme and the Deed Poll; and
 - (iii) review the tally of proxy appointments and directions received by Target before the Scheme Meeting;

- (x) **(promote transaction)** in consultation with Bidder and for so long as a majority of the Target Board continues to provide its recommendation in favour of the Scheme, to the extent permitted by law, undertake reasonable shareholder engagement and reasonable proxy solicitation actions so as to promote the merits of the Scheme and to encourage Target Shareholders to vote on the Scheme in accordance with the recommendation of the Target Board and to provide Bidder a summary of feedback received from Target Shareholders; and
- (y) **(compliance with laws)** do everything reasonably within its power to ensure that all transactions contemplated by this document are effected in accordance with all applicable laws and regulations.

5.3 Bidder's obligations

The Bidder must take all reasonable steps to assist the Target to implement the Scheme on a basis consistent with this document and as soon as reasonably practicable, and in particular must:

- (a) **(Bidder Information)** prepare and promptly provide to Target for inclusion in the Scheme Booklet the Bidder Information (in accordance with all applicable laws, including the Corporations Act, Corporations Regulations, ASIC Regulatory Guide 60, applicable Takeovers Panel guidance notes and the Listing Rules) and consent to the inclusion of that information in the Scheme Booklet;
- (b) **(review of Scheme Booklet)** review the drafts of the Scheme Booklet prepared by Target and provide comments on those drafts promptly and in good faith;
- (c) **(further Bidder Information)** promptly provide to the Target any further or new Bidder Information as may arise after the Scheme Booklet has been sent to Target Shareholders and until the date of the Scheme Meeting as may be necessary to ensure that the Bidder Information contained in the Scheme Booklet is not, having regard to applicable disclosure requirements, false, misleading or deceptive in any material respect (including because of any material omission) and to ensure that there would be no breach of clause 12.3(g) if it applied as at the date on which such further or new Bidder Information arose;
- (d) **(Independent Expert information)** provide any assistance or information reasonably requested by the Independent Expert in connection with the preparation of the Independent Expert's Report (including any updates to such report) and any other materials to be prepared by them for inclusion in the Scheme Booklet (or any updates thereto);
- (e) **(representation)** procure that it is represented by counsel at the Court hearings convened for the purposes of section 411(4)(b) of the Corporations Act, at which, through its counsel, the Bidder must undertake (if requested by the court) to do all things and take all steps within its power as may be necessary in order to ensure the fulfilment of its obligations under this document and the Scheme;
- (f) **(Deed Poll)** no later than the Business Day prior to the First Court Date, deliver to the Target the Deed Poll signed by Bidder and Bidder Guarantor;
- (g) **(Conditions Precedent certificate)** before 8.00am on the Second Court Date, provide to the Target for provision to the Court at the hearing on that date a certificate signed by one of its directors and made in accordance with a resolution of its board confirming (in respect of matters within the Bidder's knowledge) whether or not the Conditions Precedent for which the Bidder is responsible, as noted in clause 3.1 (other than paragraph (c)), have been satisfied or waived in accordance with clause 3, a draft of which must be provided to Target by 5.00pm on the Business Day prior to the Second Court Date;
- (h) **(Share transfer)** if the Scheme becomes Effective, accept a transfer of the Target Shares as contemplated by clause 4.3(a);

- (i) **(Scheme Consideration)** if the Scheme becomes Effective, pay or procure the payment of the Scheme Consideration in the manner and amount contemplated by clause 4.3(b) and the terms of the Scheme;
- (j) **(promote transaction)** consult with the Target for so long as a majority of the Target Board continues to provide its recommendation in favour of the Scheme, to the extent permitted by law, to facilitate Target undertaking reasonable shareholder engagement and reasonable proxy solicitation actions so as to promote the Scheme; and
- (k) **(compliance with laws)** do everything reasonably within its power to ensure that all transactions contemplated by this document are effected in accordance with all applicable laws and regulations.

5.4 Scheme Booklet responsibility statement

The Scheme Booklet will contain a responsibility statement, to the effect that:

- (a) the Target has prepared, and is responsible for, the content of the Scheme Booklet other than, to the maximum extent permitted by law, the Bidder Information, the Independent Expert's Report or any other report or letter issued to Target by a Third Party;
- (b) the Bidder has prepared, and is responsible for, the Bidder Information in the Scheme Booklet (and no other part of the Scheme Booklet) and that the Target and its directors and officers do not assume any responsibility for the accuracy or completeness of the sections of the Scheme Booklet that Bidder has prepared and has responsibility for; and
- (c) the Independent Expert is responsible for the Independent Expert's Report, and none of the Target, the Bidder or their respective directors or officers assumes any responsibility for the accuracy or completeness of the Independent Expert's Report.

5.5 Disagreement on content of Scheme Booklet

If the Bidder and the Target disagree on the form or content of the Scheme Booklet, they must consult in good faith to try to settle an agreed form of the Scheme Booklet. If complete agreement is not reached after reasonable consultation of no less than 3 Business Days, then:

- (a) if the disagreement relates to the form or content of the Bidder Information contained in the Scheme Booklet, the Target will make any amendments as Bidder reasonably requires; and
- (b) if the disagreement relates to the form or content of any other part of the Scheme Booklet, the Target Directors will, acting in good faith, decide the final form or content of the disputed part of the Scheme Booklet.

5.6 Verification

Each party must undertake appropriate verification processes for the information supplied by that party in the Scheme Booklet.

5.7 Conduct of Court proceeding

The Target and the Bidder are entitled to separate representation at all Court proceedings relating to the Scheme. This document does not give the Target or the Bidder any right or power to give undertakings to the Court for or on behalf of the other party without that party's written consent. The Target and the Bidder must give all undertakings to the Court in all Court proceedings which are reasonably required to obtain Court approval and confirmation of the Scheme as contemplated by this document.

5.8 Appeal process

If the Court refuses to make orders convening the Scheme Meeting or approving the Scheme, the Bidder and the Target must appeal the Court's decision to the fullest extent possible except to the extent that:

- (a) the parties agree otherwise; or
- (b) an independent senior counsel of the Victorian bar advises that, in their opinion, an appeal would have no reasonable prospect of success before the End Date,

in which case either party may terminate this document in accordance with clause 13.1(e)(iii).

5.9 Warranty Deed and W&I Policy

- (a) The parties acknowledge and agree that:
 - (i) the Warranty Deed has been executed and exchanged, or will be executed and exchanged, in each case by them, on or before the date of this document.
 - (ii) the Bidder Guarantor intends to incept the W&I Policy on terms commercially acceptable to it (acting reasonably and in good faith, and on terms that are not inconsistent with this document) as soon as practicable following the date of this document.
- (b) The Target agrees to cooperate with the Bidder and the Bidder Guarantor, and provide all assistance reasonably requested in writing by the Bidder or its Representatives, in connection with the Bidder Guarantor obtaining the W&I Policy and otherwise procuring the issue of the W&I Policy to the Bidder Guarantor, including:
 - (i) promptly providing to the Bidder and its Representatives, for the purposes of the Bidder Guarantor obtaining the W&I Policy, any information or documents that are reasonably requested by or on behalf of any relevant insurer or underwriter in respect of the W&I Policy for the purposes of the underwriting of the W&I Policy (provided that the Target Group Members shall have no obligation to create any new documents not already in their possession);
 - (ii) promptly responding to reasonable written requests for information made by or on behalf of any relevant insurer or underwriter in connection with the Bidder Guarantor obtaining the W&I Policy and otherwise procuring the issue of the W&I Policy to the Bidder Guarantor as soon as practicable after the date of this document; and
 - (iii) do all such other things reasonably requested in writing by Bidder and/or any relevant insurer or underwriter in respect of the W&I Policy that are necessary or otherwise reasonably required by the Bidder in connection with the Bidder Guarantor obtaining the W&I Policy and otherwise procuring the issue of the W&I Policy to the Bidder Guarantor.
- (c) Nothing in this clause 5.9 will require any Target Group Member to provide cooperation to the extent that it would:
 - (i) cause any Condition Precedent to not be satisfied or otherwise cause a breach of this document;
 - (ii) require a Target Group Member to take any action that would reasonably be expected to conflict with or violate that Target Group Member's constituent documents or any law, regulation or the rules of any stock exchange, in each case, binding on that Target Group Member, or that would breach an

obligation of that Target Group Member to any person (including any confidentiality obligations); or

- (iii) provide any confidential, competitively sensitive or privileged information where the provision of such information will prejudice the commercial or legal interests of the Target Group taken as a whole or would be reasonably likely to compromise or jeopardise any legal privilege.

- (e) The members of the Transaction Implementation Committee may agree to invite other persons to attend meetings of the Transaction Implementation Committee from time to time.
- (f) From time to time, certain members of the Transaction Implementation Committee or other representatives of the parties (as agreed between the parties) may meet separately to meetings of the Transaction Implementation Committee to discuss and progress matters considered or plans developed by the Transaction Implementation Committee.

- (h) Each party acknowledges and agrees that:
 - (i) the Transaction Implementation Committee is a discussion and planning forum only, and the members of the Transaction Implementation Committee do not have power to bind the other party or to give any consent, approval or waiver on behalf of such other party; and

- (ii) nothing in this clause 5.10:

 - (B) in any way, or to any extent, limits the Target's conduct of the business of the Target Group;
 - (C) requires the Target or any member of the Target Group to disclose or make available any information in breach of an obligation of confidentiality to any person or applicable privacy or other laws or if it results in a waiver of legal professional privilege; or
 - (D) do anything that would, in the reasonable opinion of the Target (acting in good faith), result in undue disruption to the Target Group's business.

5.11 Merger Integration Committee

- (a) The parties must establish a committee comprising of at least two representatives of the Target and at least two representatives of the Bidder (**Merger Integration Committee**) as soon as reasonably practical after the date of this document and in any event by no later than 10 Business Days after the date of this document.
- (b) The role of the Merger Integration Committee will be to act as a forum for discussion and planning by the parties in relation to the integration of the operations of the Target and the Bidder following the implementation of the Scheme.
- (c) The parties acknowledge and agree that:
 - (i) the rights and obligations of the Merger Integration Committee are subject always to all applicable laws (including competition laws) or requirements of any Government Agency;
 - (ii) the Merger Integration Committee is a discussion and planning forum only and the members of the Merger Integration Committee do not have power to bind each party or to give any consent, approval or waiver on behalf of any party;

 - (iv) the respective businesses of the Target Group and the Bidder Group are to continue to operate independently until (and subject to) implementation of the Scheme.
- (d) Nothing in this clause 5.11 requires the Target or any member of the Target Group to:
 - (i) disclose or make available any information in breach of an obligation of confidentiality to any person or applicable privacy or other laws or if it results in a waiver of legal professional privilege; or
 - (ii) do anything that would, in the reasonable opinion of Target (acting in good faith), result in undue disruption to the Target Group's business.

5.12 No partnership or joint venture

Subject to this document, nothing in this clause requires either party to act at the direction of the other. The business of each party will continue to operate independently from the other until the Implementation Date. The parties agree that nothing in this document constitutes the relationship of a partnership or a joint venture between the parties.

6. Target Board's recommendation

- (a) The Target represents and warrants to the Bidder that, as at the date this document, each Target Director has confirmed that:
 - (i) their recommendation in respect of the Scheme is that the Target Shareholders vote in favour of the Scheme; and
 - (ii) they intend to vote, or cause to be voted, all Target Shares in which they have a Relevant Interest in favour of the Scheme,
 in each case subject only to:
 - (iii) no Superior Proposal emerging; and
 - (iv) the Independent Expert concluding in the Independent Expert's Report (and continuing to conclude) that the Scheme is in the best interests of the Target Shareholders.
- (b) The Target must use its best endeavours to procure that none of the Target Directors adversely changes, withdraws, adversely modifies or adversely qualifies their Recommendation, unless:
 - (i) the Target has received a Competing Proposal and the Target Board has determined, after the procedure in clause 9.8 has been complied with, that the Competing Proposal constitutes a Superior Proposal;
 - (ii) the Independent Expert concludes that the Scheme is not in the best interests of Target Shareholders, or adversely changes its previously given opinion that the Scheme is in the best interests of Target Shareholders;
 - (iii) the Target Director is legally required to do so by or in order to comply with a non-appealable order or other requirement of a court of competent jurisdiction, ASIC or the Takeovers Panel.
- (c) Without limiting clause 9, if a Target Director proposes to adversely change, withdraw, adversely modify or adversely qualify their Recommendation as contemplated by clause 6(b):
 - (i) the Target must notify Bidder in writing; and
 - (ii) the parties must consult in good faith for 5 Business Days after the date on which the notification in clause 6(c)(i) is given to consider and determine whether the Recommendation in place at the time can be maintained. The Target must use its best endeavours procure that the Recommendation is not adversely changed, withdrawn, adversely modified or adversely qualified until the end of the consultation period.
- (d) Despite anything to the contrary in this document, a statement made by the Target, the Target Board or any Target Director to the effect that no action should be taken by Target Shareholders pending the assessment of a Competing Proposal by the Target Board or completion of the matching right process set out in clause 9.8 does not contravene this clause 6 or any other provision of this document, and does not constitute an adverse change, modification or qualification to, or withdrawal of, a Recommendation.

7. Directors and employees

7.1 Release of Target and Target directors and officers

- (a) Subject to the Corporations Act, each of the Bidder and the Bidder Guarantor releases its rights, and agrees with the Target that it will not make a claim, against any Target Indemnified Party (other than the Target and its Related Bodies Corporate) as at the date of this document and from time to time in connection with:
- (i) the Target's execution or delivery of any Transaction Document;
 - (ii) any provision of this document or the Warranty Deed, including any breach of any representations, warranties, covenants or obligations of the Target or any other member of the Target Group in this document or the Warranty Deed;
 - (iii) the implementation of the Scheme; or
 - (iv) any disclosures made in relation to the Scheme or any Transaction Document, including to the extent such disclosures contain any statement which is false or misleading whether in content or by omission,
- whether current or future, known or unknown, arising at common law, in equity, under statute or otherwise, except where the Target Indemnified Party has not acted in good faith or has engaged in wilful misconduct or fraud. Nothing in this clause 7.1 limits the Bidder's rights to terminate this document under clause 13.1.
- (b) The Target receives and holds the benefit of this clause 7.1 to the extent it relates to each Target Indemnified Party on behalf of each of them.

7.2 Release of Bidder and Bidder directors and officers

- (a) Subject to the Corporations Act, the Target releases its rights, and agrees with the Bidder that it will not make a claim, against any Bidder Indemnified Party (other than the Bidder, the Bidder Guarantor and each of their Related Bodies Corporate) as at the date of this document and from time to time in connection with:
- (i) the Bidder's execution or delivery of any Transaction Document;
 - (ii) any provision of this document, including any breach of any representations, warranties, covenants or obligations of the Bidder, the Bidder Guarantor or any other member of the Bidder Group in this document;
 - (iii) the implementation of the Scheme; or
 - (iv) any disclosures made in relation to the Scheme or any Transaction Document, including to the extent such disclosures contain any statement which is false or misleading whether in content or by omission,
- whether current or future, known or unknown, arising at common law, in equity, under statute or otherwise, except where the Target Indemnified Party has not acted in good faith or has engaged in wilful misconduct or fraud. Nothing in this clause 7.2 limits Target's rights to terminate this document under clause 13.1.
- (b) The Bidder receives and holds the benefit of this clause 7.2 to the extent it relates to each Bidder Indemnified Party on behalf of each of them.

7.3 Appointment/retirement of Target directors

On the Implementation Date, but subject to the Scheme Consideration having been paid to the Scheme Shareholders and receipt by Target of signed consents to act and director identification numbers, the Target must use its reasonable endeavours to:

- (a) cause the appointment of each Incoming Director to the Target Board; and
- (b) procure that each of the Target Directors retire from the Target Board,

in each case, in accordance with Target's constitution, the Corporations Act and the Listing Rules.

7.4 Directors' and officers' insurance

- (a) Subject to the Scheme becoming Effective and subject to the Corporations Act, the Bidder undertakes in favour of the Target and each other person who is a Target Indemnified Party that it will:
 - (i) for a period of 7 years from the Implementation Date, ensure that the constitutions of the Target and each other member of the Target Group continue to contain such rules as are contained in those constitutions at the date of this document that provide for each company to indemnify each of its directors and officers against any liability incurred by that person in his or her capacity as a director or officer of the company to any person other than a member of the Bidder Group; and
 - (ii) procure that Target and each other member of the Target Group complies with any deeds of indemnity, access and insurance made by them in favour of their respective directors and officers from time to time and without limiting the foregoing, ensure that the directors' and officers' run-off insurance cover for those directors and officers is maintained, subject to clause 7.5, for a period of 7 years from the retirement date of each director and officer.
- (b) The Bidder acknowledges that, notwithstanding any other provision of this document, the Target may, prior to the Implementation Date, enter into arrangements to secure directors and officers run-off insurance for up to such seven year period referred to in 7.4(a)(i) (**D&O Run-off Policy**), and that any actions to facilitate that insurance or in connection with such insurance will not, by themselves, be a Target Prescribed Event or a breach of any provision of this document, or give rise to any right to terminate this document, and will be disregarded when assessing the operation of any other part of this document, provided that:
 - (i) the Target must use reasonable endeavours to obtain the most attractive commercial terms for the D&O Run-off Policy from a reputable insurer;
 - (ii) the Target keeps the Bidder reasonably informed of progress in relation to the D&O Run-off Policy;
 - (iii) the scope and amount of the cover of the D&O Run-off Policy is on the same terms, or terms that are reasonably the same in all material respects, as the existing insurance policies in place for the directors and officers of the Target as at the date of this document (it being acknowledged that the market for cover is dynamic and reasonable regard is to be had to the extent to which the level and type of cover in place under the existing policies is available for the extended run-off); and
 - (iv) without limiting clause 7.4(b)(i), the Target must obtain and provide to the Bidder a quote from reputable insurers for a D&O Run-off Policy sourced in accordance with (and which would comply with) clauses 7.4(b)(i) to 7.4(b)(iii) no later than 30 Business Days following the date of this document and, if requested in writing by the Bidder (and provided there is a reasonable period

to obtain an alternative quote and enter into the D&O Run-off Policy before the date of the Scheme Meeting), the Target will, before entering into the Proposed D&O Run-off Policy (as defined below) obtain a quote from reputable insurers nominated in writing by the Bidder (**Alternative Insurers**) for a D&O Run-off Policy sourced in accordance with (and which would comply with) clauses 7.4(b)(i) to 7.4(b)(iii) (**Alternative D&O Policy**), which is on the same terms, or terms that are the same in all material respects, as the D&O Run-off Policy which is proposed to be entered into by Target (**Proposed D&O Run-off Policy**) (which was sourced in accordance with (and which would comply with) clauses 7.4(b)(i) to 7.4(b)(iii)) and if:

- (A) the estimated total costs under the Alternative D&O Run-off Policy are equal to or greater than the estimated total costs under the Proposed D&O Run-off Policy;
- (B) the Alternative Insurers decline to participate or provide a quote; or
- (C) the Alternative Insurers fail to provide a quote within a period of time that would allow the policy to be entered into before the date of the Scheme Meeting,

then the Target will proceed to enter into the Proposed D&O Run-off Policy. However, if the estimated total costs under the Alternative D&O Run-off Policy are less than the estimated total costs under the Proposed D&O Run-off Policy and there is a reasonable period for the Target to enter into the Alternative D&O Run-off Policy before the date of the Scheme Meeting, the Target Board must consider (acting reasonably, in good faith and considering the terms of cover that would be provided by the Alternative Insurers) the Alternative D&O Run-off Policy before entering into the Proposed D&O Run-off Policy, unless Bidder agrees otherwise in writing.

7.5 Period of undertaking

The undertakings contained in clause 7.4 are given until the earlier of the end of the relevant period specified in that clause or the relevant member of the Target Group ceasing to be part of the Bidder Group.

7.6 Benefit of undertaking for Target Group

The Target acknowledges that it receives and holds the benefit of clause 7.4 to the extent it relates to each director and officer of a member of the Target Group on behalf of each of them.

8. Conduct of business

8.1 Overview

From the date of this document up to and including the Implementation Date, the Target must, and must cause each member of the Target Group to, conduct its business in the ordinary course and in substantially the same manner as conducted in the 12 months prior to the date of this document and in compliance in all material respects with all applicable laws, regulations and regulatory approvals.

8.2 Specific obligations

Without limiting clause 8.1 and other than with the prior approval of the Bidder (which approval must not be unreasonably withheld or delayed) or as required by this document or as otherwise agreed between the parties, the Target must, during the period contemplated by clause 8.1, use all reasonable endeavours to ensure that the Target and each member of the Target Group:

- (a) **(employees)**

- (b) **(remuneration, compensation and benefits):**
 - (i) increase the remuneration, compensation or benefits of, or pay any bonus to, or otherwise materially vary the employment arrangements with any employee;

 - (i) to a Target Group Member; or
 - (ii) in accordance with or pursuant to an existing contract in place at the date of this document;
- (e) **(accounting)** change any accounting method, practice or principle used by it, other than as a result of changes in or the adoption of generally accepted accounting standards (including in respect of AASB 17) or generally accepted accounting principles or the interpretation of any of them;

- (m) **(agree)** agree to do any of the matters set out above.

8.4 Exceptions to conduct of business provisions

Nothing in this clause 8 restricts the ability of the Target (or any Target Group Member) to take or not take any action (or make any payment) which:

- (a) is expressly required or permitted by a Transaction Document, the Scheme, or otherwise required by law or required by written direction of a Government Agency;
- (b) was Fairly Disclosed;
- (c) constitutes a payment:
 - (i) of any Transaction Costs incurred by the Target or the Target Group (the parties acknowledging that the Target will notify the Bidder if the Transaction Costs will exceed the Transaction Costs Fairly Disclosed by 10% or more); or
 - (ii) made in accordance with clause 4.5;
- (d) is to reasonably and prudently respond to an emergency or disaster, provided that to the extent reasonably practicable having regard to the nature of the particular circumstances, the Target has consulted with the Bidder in respect of the proposed response and considers any reasonable comments or requests of the Bidder in relation to such proposal in good faith; or
- (e) has otherwise been consented to in writing by the Bidder (such consent not to be unreasonably withheld, delayed or conditioned).

8.5 Access to people and Target Information

During the Exclusivity Period:

- (a) the Target must provide Bidder and its Representatives with reasonable access to Target's Representatives and documents, records, business updates (reasonably required for the purposes of understanding Target's financial position, trading performance and management control systems, implementation of the Scheme and the development and implementation of plans for the transition of the business of the Target Group to the Bidder) and other information (subject to any existing confidentiality obligations owed to third parties, or applicable privacy laws, or where Target has received legal advice from its external lawyers that the provision of such documents, records or other information would result in the loss of legal professional privilege), which Bidder reasonably requires for the purposes of applying for all relevant Regulatory Approvals; and
- (b) the Bidder must provide Target and its officers and advisers with reasonable access to the Bidder's officers and advisers and documents, records, and other information (subject to any existing confidentiality obligations owed to third parties, or applicable privacy laws) which the Target reasonably requires for the purposes of implementing the Scheme.

Notwithstanding clause 8.5(a), the Bidder may not engage with any employees of the Target Group (other than its officers) or commence the integration of the Target Group with the Bidder prior to the Implementation Date.

8.6 Obligation to update

The Target must, promptly after becoming aware of a matter or development that is material to the Transaction or the Target Group's business, provide Bidder with sufficient information such that Bidder can assess the nature and potential impact of that matter or development on the Transaction or the Target Group's business.

8.7 Change of control

As soon as practicable after the date of this document, the parties must seek to identify any change of control, unilateral termination rights or similar provisions in any Material Contract

which would be triggered by the implementation of the Scheme (**Change of Control Requirements**). In respect of those contracts, the parties agree as follows:

- (a) the Target and the Bidder will, each acting reasonably, agree a proposed course of action to obtain any consents or waivers required in accordance with the terms of any identified Change of Control Requirements and then the Target will, in the manner and on the terms agreed with the Bidder in writing, initiate contact with the relevant counterparties and request that they provide any consents or waivers required. The Bidder and its Representatives must not contact any counterparties for this purpose without the Target being present or without the Target's prior written consent (which is not to be unreasonably withheld or delayed).
- (b) The Bidder must cooperate with, and provide reasonable assistance to, the Target to obtain such consents or waivers as expeditiously as possible, including by promptly providing any information reasonably required by counterparties, provided that nothing in this clause requires the Bidder to:
 - (i) incur external expense or make any payment; or
 - (ii) agree to any new condition, guarantee, security or other Encumbrance to or for the benefit of a contract or lease counterparty which are not acceptable to the Bidder.
- (c) Provided that the Target has complied with this clause 8.7, a failure by the Target to obtain any such consent in and of itself will not constitute a breach of this document by the Target.

8.8 Financing cooperation

- (a) During the Exclusivity Period, the Target agrees to provide such assistance and cooperation to the Bidder as may reasonably be requested by the Bidder in writing and at the Bidder's cost, in connection with:

 - (A) providing any reasonable, pertinent or customary financial, operating or other information to the extent available to the Target or any Target Group Member, and which, in each case, (1) relates to the Target Group, (2) is reasonably required for the purpose of the Transaction Financing and (3) recipients of any such information shall be subject to customary confidentiality restrictions relating to the use and dissemination of such information (which confidentiality restrictions the Target may request to review and comment on (acting reasonably) prior the provision of any such information);
 - (B) providing reasonable co-operation with syndication and/or other marketing efforts undertaken by the Bidder Group and its financing sources related to Transaction Financing (including without limitation participating in (and making appropriate members of the Target Executive Leadership Team available for participation in), at mutually convenient and agreed times upon reasonable notice, of (as agreed in advance) either in-person, virtual or telephone meetings (including without limitation meetings with ratings agencies and prospective financing sources), up to three presentations, road shows and due diligence sessions (in aggregate) (and such additional presentations, road shows and due diligence sessions as agreed by the Target (acting reasonably));

- (C) providing reasonable assistance with the preparation of materials for rating agency presentations, lender presentations, bank information memoranda customary for an acquisition financing and similar documents reasonably requested by the Bidder in connection with the Transaction Financing;
 - (D) taking commercially reasonable actions necessary to permit the prospective lenders involved in the Transaction Financing to evaluate the Target Group's current assets, cash management and accounting systems, policies and procedures relating thereto for the purpose of establishing collateral arrangements; and
 - (E) providing reasonable assistance to the Bidder Group to satisfy any conditions or obligations of any Transaction Financing or related documentation to the extent only that (1) such condition or obligation relates to the Target Group and (2) such assistance is within its reasonable control;
- (ii) any repayment, replacement, amendment or waiver of Financial Indebtedness obligations (or the close out and termination of derivative agreements) of the Target Group (together the **Existing Target Group Debt**) required or, in the Bidder's opinion, desirable in connection with the Transaction (including, for the avoidance of doubt, the Existing Financing) provided (and only to the extent that) any such repayment, replacement amendment or waiver takes effect on or after the Implementation Date, including (but not limited to):
 - (A) providing all information reasonably required or requested by the Bidder in connection with any such Existing Target Group Debt (including (but not limited to), at least seven (7) Business Days before the intended drawdown date of the Bidder's financing, the confirmation and provision of any current outstanding balances, any required final payout or similar amount and/or the names and contact details of any counterparties to such financing arrangements); and
 - (B) using reasonable endeavours to assist in any transitional steps and/or arrangements in respect of any such Existing Target Group Debt (including, but not limited to, the replacement of any outstanding letters of credit, bank guarantees or similar instruments and/or the provision of any required cash collateral in respect the same and/or the repayment of any such Existing Target Group Debt (including the Existing Financing)),

provided that, in each case, the Bidder has first consulted with the Target regarding its views and preferences as to the on-going status and treatment of such Existing Target Group Debt.
- (b) Nothing in this clause 8.8 will require any Target Group Member's cooperation to the extent that it would:
 - (i) in the reasonable opinion of Target (acting in good faith), result in undue disruption to the Target Group's business;
 - (ii) in the reasonable opinion of Target (acting in good faith), require any Target Group Member to incur any liability in connection with the Transaction Financing prior to the Implementation Date that is not indemnified by the Bidder;
 - (iii) require a Target Indemnified Party to execute prior to the implementation of the Scheme any agreements, including any credit or other agreements, pledge or security documents or other certificates, legal opinions or documents in connection with any financing;

- (iv) cause any Condition Precedent to not be satisfied or otherwise cause any breach of another provision of this document;
 - (v) require any Target Group Member to take any action that would reasonably be expected to conflict with or violate its constituent documents or any law or regulation, or the rules of any stock exchange, binding on it, or that would breach an obligation of any Target Group Member to any person (including any confidentiality obligation); or
 - (vi) require the approval of the Target's shareholders under section 260B of the Corporations Act or an equivalent or analogous restriction in any jurisdiction.
- (c) The Bidder must promptly reimburse the Target for all reasonable and documented costs incurred by the Target Group in connection with any cooperation provided under this clause 8.8 (including reasonable advisors' fees and expenses) upon written request by the Target.

8.9 Agreed Works

During the Exclusivity Period, the Target shall undertake the Agreed Works.

9. Exclusivity

9.1 No existing discussions

The Target represents and warrants to the Bidder that, as at the date of this document, other than the discussions with the Bidder in respect of the Scheme, it is not currently in negotiations or discussions with any person in relation to any Competing Proposal, or which could reasonably be expected to lead to any actual, proposed or potential Competing Proposal.

9.2 No-shop

During the Exclusivity Period, the Target must not, and must ensure that each of its Representatives do not, except with the prior written consent of the Bidder, directly or indirectly:

- (a) solicit, invite, initiate or encourage (including by the provision of Non-public Information) any Competing Proposal;
- (b) solicit, invite, initiate or encourage any enquiries, expressions of interests, offers, proposals, discussions or negotiations with any Third Party in relation to, or which may reasonably be expected to lead to, an actual, proposed or potential Competing Proposal; or
- (c) communicate to any person any intention to do any of the things referred to in clauses 9.2(a) or 9.2(b).

9.3 No-talk

Subject to clause 9.5, during the Exclusivity Period, the Target must not, and must ensure that each of its Representatives do not, except with the prior written consent of the Bidder, directly or indirectly:

- (a) participate in any negotiations or discussions with any Third Party with respect to any inquiry, expression of interest, offer, proposal or discussion by any person to make, or which would reasonably be expected to lead to the making of, an actual, proposed or potential Competing Proposal;

- (b) negotiate, accept or enter into any agreement, arrangement or understanding with any Third Party in relation to, or which would reasonably be expected to lead to the making of, an actual, proposed or potential Competing Proposal; or
- (c) communicate to any person an intention to do anything referred to in clauses 9.3(a) or 9.3(b),

even if the relevant Competing Proposal was not directly or indirectly solicited, invited, encouraged, facilitated or initiated by the Target or any of its Representatives.

9.4 No due diligence

Subject to clauses 9.5 and 9.6, during the Exclusivity Period, the Target must not, and must ensure that each of its Representatives do not, except with the prior written consent of the Bidder, directly or indirectly, make available to any Third Party, or permit any Third Party to receive, any Non-public Information with a view to the Target obtaining a Competing Proposal or which could reasonably be expected to lead such Third Party to formulate, develop or finalise a Competing Proposal.

9.5 Fiduciary out

- (a) Each of clauses 9.3 and 9.4 do not apply to the extent that the relevant clause restricts the Target or its Representatives from taking or refusing to take any action with respect to an actual, proposed or potential bona fide Competing Proposal (which was not solicited, invited, initiated or encouraged by Target or its Representatives in breach of this clause 9) if the Target Board has determined, acting in good faith:
 - (i) after consultation with its financial and legal advisers, that the Competing Proposal is, or may reasonably be considered likely to become, a Superior Proposal; and
 - (ii) after receiving written advice from its external legal advisers, that complying with clauses 9.3 and/or 9.4 (as applicable) in the particular circumstances would constitute, or would be reasonably likely to constitute, a breach of the fiduciary or statutory duties of any director of the Target.
- (b) For the avoidance of doubt, the evaluation of a Competing Proposal for the purposes of this clause 9.5 is not a breach of this clause 9.
- (c) If Target is permitted by virtue of this clause 9.5 to engage in any activity that would otherwise breach any of clauses 9.3 and 9.4, the Target must enter into a confidentiality and standstill agreement with the person who has made the applicable actual, proposed or potential Competing Proposal that imposes obligations and restrictions on that person that are, when assessed on an overall basis, on terms no less onerous in any material respect than the obligations and restrictions of TPG Global, LLC under the Confidentiality Agreement.

9.6 Usual provision of information

Nothing in this document prevents the Target from:

- (a) providing information to its Representatives;
- (b) providing any information to any Government Agency;
- (c) providing any information required to be provided by any applicable law, including to satisfy its obligations under the rules of any stock exchange (including the ASX listing rules), or fulfilling its continuous disclosure obligations;
- (d) providing any information to its auditors, customers, financiers, joint venturers and suppliers acting in that capacity in the ordinary course of business; or

- (e) without prejudice to clause 8.3(c), making presentations to, or responding to enquiries from, brokers, portfolio investors, analysts and other third parties, and engaging with financiers and potential financiers, in the ordinary course of business (provided that such action does not result in a breach of clause 9.2).

9.7 Notification requirement

- (a) During the Exclusivity Period, the Target must promptly (and in any event within 24 hours) notify the Bidder in writing it becomes aware of:
 - (i) any negotiations, discussions or other communications, or any other contact, with the Target or any of its Representatives that relates to an actual or potential Competing Proposal, or that may reasonably be expected to lead to a Competing Proposal;
 - (ii) any approach, inquiry, expression of interest, discussion or proposal made by any person to the Target or any of its Representatives in relation to an actual, proposed or potential Competing Proposal or that may reasonably be expected to lead to a Competing Proposal; or
 - (iii) any request for information made by a Third Party to the Target or its Representatives for any Non-public Information, other than where the Target Board reasonably believes that such request is in the ordinary course of business and is not in connection with such Third Party formulating, developing or finalising a Competing Proposal; or
 - (iv) provision by the Target or any of its Representatives of any Non-public Information to any Third Party in connection with an actual or potential Competing Proposal, or that may reasonably be expected to lead to a Competing Proposal,

whether direct or indirect, solicited or unsolicited, and in writing or otherwise.
- (b) A notification given under clause 9.7(a) must include all material details of the Competing Proposal (including the price and form of consideration, proposed timing, any conditions precedent and the identity of any Third Party that made, and/or any Third Party involved in, the Competing Proposal) to the extent known by the Target and its Representatives.
- (c) For the avoidance of doubt, nothing in this clause 9.7 requires the Target to notify the Bidder of a Competing Proposal until after the Target Board has determined in accordance with clause 9.5 whether clauses 9.3 and 9.4 apply with respect to that Competing Proposal.
- (d) During the Exclusivity Period, the Target must also notify the Bidder in writing promptly (and in any case within 24 hours) after becoming aware of any material developments in relation to any actual, proposed or potential Competing Proposal, including in respect of any of the information previously notified to the Bidder under clause 9.7(a).

9.8 Matching Right

- (a) Without limiting clauses 9.2 and 9.3, during the Exclusivity Period, the Target:
 - (i) must not enter into any legally binding agreement, arrangement or understanding (whether or not in writing) pursuant to which a Third Party, the Target or both proposes or propose to undertake or give effect to an actual, proposed or potential Competing Proposal; and
 - (ii) must use its best endeavours to procure that none of its directors change their recommendation in favour of the Scheme to publicly recommend an

actual, proposed or potential Competing Proposal (or recommend against the Scheme),

unless:

- (iii) the Target Board has made the determination contemplated by clause 9.5;
 - (iv) the Target has provided the Bidder with a notice stating that it is given for the purposes of this clause 9.8 and setting out all material terms and conditions of the actual, proposed or potential Competing Proposal, including price, conditions precedent, proposed deal protection arrangements, any break or reimbursement fee and the identity of the Third Party making the actual, proposed or potential Competing Proposal (in each case, to the extent known by Target and its Representatives);
 - (v) the Target has given the Bidder 5 Business Days after the date of the provision of the information referred to in clause 9.8(a)(iv) to provide a matching or superior proposal to the terms of the actual, proposed or potential Competing Proposal (**Bidder Counterproposal**); and
 - (vi) the Bidder has not announced or submitted or proposed to the Target a Bidder Counterproposal by the expiry of the 5 Business Day period referred to in clause 9.8(a)(v) that the Target Board acting in good faith determines would produce an equivalent or superior outcome for Target Shareholders (as a whole) than the terms of the Competing Proposal, taking into account all terms and conditions and other aspects of the Bidder Counterproposal (if any) and the Competing Proposal respectively.
- (b) For the purpose of this clause 9.8:
- (i) each new Competing Proposal or successive material variation or amendment to a Competing Proposal will constitute a new Competing Proposal; and
 - (ii) for the avoidance of doubt, the process set out in this clause 9.8 must again be followed in respect of each new Competing Proposal or successive material variation or amendment to a Competing Proposal prior to the Target or the Target Board taking any of the actions referred to in clause 9.8(a)(i) or 9.8(a)(ii).
- (c) Despite any other provision in this document, a statement by the Target, the Target Board or any Target Director to the effect that:
- (i) the Target Board has determined that a Competing Proposal is or may be a Superior Proposal and has commenced the matching right process set out in this clause 9.8; or
 - (ii) Target Shareholders should take no action pending the completion of the matching right process set out in this clause 9.8,
- does not of itself:
- (iii) constitute an adverse change, withdrawal, adverse modification or adverse qualification of the recommendation by the Target Directors or an endorsement of a Competing Proposal;
 - (iv) contravene this document;
 - (v) give rise to an obligation to pay the Break Fee under clause 10.2; or
 - (vi) give rise to a termination right under clause 13.1.

- (d) The Target acknowledges and agrees that each successive modification of any actual, proposed or potential Competing Proposal will constitute a new actual, proposed or potential Competing Proposal for the purposes of the requirements under clauses 9.7 and 9.8 and accordingly, the Target must comply with clauses 9.8(a)(i) and clause 9.8(a)(ii) in respect of any new actual, proposed or potential Competing Proposal unless clauses 9.8(a)(iii) to 9.8(a)(vi) (inclusive) apply.

9.9 Bidder counterproposal

If the Bidder provides a Bidder Counterproposal by the expiry of the 5 Business Day period referred to in clause 9.8(a)(v), the Target must procure that the Target Board considers the Bidder Counterproposal and if the Target Board, acting reasonably and in good faith, determines that the Bidder Counterproposal would provide an equivalent or superior outcome for Target Shareholders as a whole compared with the Competing Proposal, taking into account all of the terms and conditions of the Bidder Counterproposal, then:

- (a) the Target and the Bidder must use their best endeavours to agree the amendments to this document and, if applicable, the Scheme and Deed Poll that are reasonably necessary to reflect the Bidder Counterproposal and to implement the Bidder Counterproposal, in each case as soon as reasonably practicable; and
- (b) the Target must use its best endeavours to procure that each of the Target Directors continues to recommend the Scheme (as modified by the Bidder Counterproposal) to Target Shareholders.

10. Break Fee

10.1 Background

This clause has been agreed in circumstances where:

- (a) each party acknowledges that if they enter into this document and the Scheme is subsequently not implemented, the Bidder will have incurred significant costs, including those set out in clause 10.5;
- (b) the Bidder requested that provision be made for the Break Fee, without which the Bidder would not have entered into this document; and
- (c) the Target Directors believe, having taken advice from their external legal adviser, that the implementation of the Scheme will provide benefits to the Target Shareholders and that it is reasonable that Target agrees to the payment referred to in this clause 10 to secure Bidder's participation in the Scheme.

10.2 Payment by the Target to the Bidder

The Target agrees to pay the Break Fee to the Bidder if:

- (a) **(Competing Proposal)** on or before the End Date, a Competing Proposal is announced and, within 12 months of the date of such announcement, a Third Party (either alone or together with any Associate):
 - (i) completes a Competing Proposal of the kind referred to in any of paragraphs (b) or (c) of the definition of Competing Proposal; or
 - (ii) acquires a Relevant Interest in more than 50% of the Target Shares under a Competing Proposal that is or has become wholly unconditional;
- (b) **(change of recommendation)** before the End Date, any Target Director:
 - (i) fails to recommend the Scheme on the basis set out in clause 5.2(a);

- (ii) withdraws their Recommendation, adversely changes or qualifies their Recommendation or otherwise makes a public statement indicating that they no longer support the Scheme;
- (iii) fails to vote, or procure the voting of, any Target Shares in which they have a Relevant Interest at the time of the Scheme Meeting in favour of the Scheme at the Scheme Meeting; or
- (iv) recommends, supports or endorses a Competing Proposal,

in each case provided that the Bidder has terminated this document in accordance with clause 13 and other than in circumstances where:

- (v) the Independent Expert concludes that the Scheme is not in the best interests of Target Shareholders (except where that conclusion is a result of the existence, announcement or publication of a Competing Proposal (including, but not limited to, a Superior Proposal));
 - (vi) with respect to that Target Director, the failure to recommend, withdrawal, or the adverse change or qualification of the Recommendation, occurs because of a requirement by a court of competent jurisdiction, ASIC or the Takeovers Panel that such Target Director abstains or withdraws from making a recommendation that Target Shareholders vote in favour of the Scheme after the date of this document; or
 - (vii) the Target is entitled to terminate this document pursuant to clause 13.1(c) or 13.1(d)(ii) and the Target has given the appropriate termination notice to the Bidder;
- (c) **(termination for failure to satisfy condition precedent)** the Bidder validly terminates this document in accordance with clause 13.1(e)(i) or clause 13.1(e)(ii) and the failure to satisfy the relevant Condition Precedent resulted from a breach of this document by the Target or a deliberate act or omission of the Target; or
- (d) **(termination for material breach or breach of a Target Representation and Warranty)** the Bidder validly terminates this document in accordance with clause 13.1(c) or clause 13.1(d)(i).

10.3 No amount payable if Scheme becomes Effective

Notwithstanding the occurrence of any event in clause 10.2, if the Scheme becomes Effective:

- (a) no amount is payable by the Target under clause 10.2; and
- (b) if any amount has already been paid under clause 10.2 it must be refunded by Bidder.

10.6 Reduction in amount payable

- (a) The Break Fee is reduced by an amount equal to the amount which is recovered by the Bidder as a result of a claim against Target pursuant to any other remedies available to Bidder under this document including pursuant to clause 12.1.
- (b) Where the Break Fee has already been paid, the Bidder must, within 2 Business Days of the event contemplated by clause 10.6(a) which would have reduced the amount payable, refund an amount to the Target which is equivalent to that calculated under clause 10.6(a).

10.8 Compliance with law

 - (i) is unlawful or would if performed be, unlawful;
 - (ii) involves a breach of the duties of the Target Directors; or

- (iii) constitutes unacceptable circumstances within the meaning of the Corporations Act,

 - (i) is returned to the Target; or
 - (ii) has not been presented for payment within 6 months after the date on which the cheque was sent.
- (b) During the period of 1 year commencing on the Implementation Date, on request from a Scheme Shareholder, the Target must reissue a cheque that was previously cancelled under this clause 6.3 (which request must not be made until the date that is 20 Business Days after the Implementation Date).
- (c) The Unclaimed Money Act will apply in relation to any Scheme Consideration which becomes "unclaimed money" (as defined in section 3 of the Unclaimed Money Act). Any interest or other benefit accruing from the unclaimed Scheme Consideration (less bank fees and other charges) will be to the benefit of the Bidder.
- (d) If:
 - (i) a Scheme Shareholder does not have a Registered Address and no account has been notified in accordance with clause 6.2(b)(i) or a deposit into such account is rejected or refunded; or
 - (ii) a cheque issued under clause 6.2 has been cancelled in accordance with clause 6.4(a)(i),

the Target as the trustee for the Scheme Shareholders may credit the amount payable to the relevant Scheme Shareholder to a separate bank account of the Target (**Separate Account**) to be held until the Scheme Shareholder claims the amount or the amount is dealt with under the Unclaimed Money Act. If the amount is not credited to a Separate Account, the amount will continue to be held in the Trust Account until the Scheme Shareholder claims the amount or the amount is dealt with under the Unclaimed Money Act. Until such time as the amount is dealt with under the Unclaimed Money Act, the Target must hold the amount on trust for the relevant Scheme Shareholder, but any interest or other benefit accruing from the amount (less bank fees and other charges) will be to the benefit of the Bidder. An amount credited to the Separate Account or the Trust Account (as applicable) is to be treated as having been paid to the relevant Scheme Shareholder when credited to the Separate Account or the Trust Account (as applicable). The Target must maintain records of the amounts paid, the people who are entitled to the amount and any transfers of the amounts.

6.5 Fractional entitlements and splitting

Where the calculation of the Scheme Consideration to be issued to a particular Scheme Shareholder would result in the Scheme Shareholder becoming entitled to a fraction of a cent, the fractional entitlement will be rounded up or down (as applicable) to the nearest whole cent.

6.6 Orders of a court or Regulatory Authority

In the case of notice having been given to the Target (or the Registry) of an order made by or a requirement of a court of competent jurisdiction or other Regulatory Authority:

- (a) which requires payment to a third party of a sum in respect of Scheme Shares held by a particular Scheme Shareholder, which would otherwise be payable to that Scheme Shareholder in accordance with clause 6.2 of this Scheme, then the Target must procure that payment is made in accordance with that order or otherwise by law; or
- (b) which would prevent the Target from dispatching payment to any particular Scheme Shareholder in accordance with clause 6.2 of this Scheme, or the payment is otherwise prohibited by applicable law, the Target will retain an amount, in Australian dollars, equal to the number of Scheme Shares held by that Scheme Shareholder multiplied by the Scheme Consideration until such time as payment in accordance with clause 6.2 of this Scheme is permitted by that order or otherwise by law.

6.7 Joint holders

In the case of Scheme Shares held in joint names:

- (a) subject to clause 6.2(b), the Scheme Consideration is payable to the joint holders of those Scheme Shares and any bank cheque required to be sent to those Scheme Shareholders under this Scheme will be made payable to the joint holders and sent to either, at the sole discretion of the Target, the holder whose name appears first in the Register as at the Record Date or to the joint holders (unless the joint holders have nominated a bank account under clauses 6.2(b)(i) or 6.2(b)(ii), in which case the amount must be deposited directly to the nominated bank account of the joint holders); and
- (b) any other document required to be sent under this Scheme will be forwarded to either, at the sole discretion of the Target, the holder whose name appears first in the Register as at the Record Date or to the joint holders.

7. Dealings in Scheme Shares

7.1 Determination of Scheme Shareholders

To establish the identity of the Scheme Shareholders, dealings in Target Shares will only be recognised by the Target if:

- (a) in the case of dealings of the type to be effected using CHESS, the transferee is registered in the Register as the holder of the relevant Target Shares on or before the Record Date; and
- (b) in all other cases, registrable transmission applications or transfers in registrable form in respect of those dealings are received on or before the Record Date at the place where the Register is kept.

7.2 Register

The Target must register any registrable transmission applications or transfers of the Scheme Shares received in accordance with clause 7.1(b) of this Scheme on or before the Record Date.

7.3 No disposals after Record Date

- (a) If this Scheme becomes Effective, a holder of Scheme Shares (and any person claiming through that holder) must not dispose of or purport or agree to dispose of any Scheme Shares or any interest in them after the Record Date in any way except as set out in this Scheme, and any attempt to do so will have no effect and the Target will be entitled to disregard any such disposal.
- (b) The Target will not accept for registration or recognise for any purpose any transmission, application or transfer in respect of the Scheme Shares received after the Record Date (except a transfer to the Bidder pursuant to this Scheme and any subsequent transfer by the Bidder or its successors in title).

7.4 Maintenance of Target Register

For the purpose of determining entitlements to the Scheme Consideration, the Target must maintain the Register in accordance with the provisions of this clause 7 until the Scheme Consideration has been paid to the Scheme Shareholders and the Bidder has been entered in the Register as the holder of all the Scheme Shares. The Register in this form will solely determine entitlements to the Scheme Consideration.

7.5 Effect of certificates and holding statements

Subject to provision of the Scheme Consideration and registration of the transfer to the Bidder contemplated in clauses 5.2 and 7.4 of this Scheme, any statements of holding in respect of Scheme Shares will cease to have effect after the Record Date as documents of title in respect of those shares (other than statements of holding in favour of the Bidder and its successors in title). After the Record Date, each entry current on the Register as at the Record Date (other than entries in respect of the Bidder or its successors in title) will cease to have effect except as evidence of entitlement to the Scheme Consideration.

7.6 Details of Scheme Shareholders

Within 1 Business Day after the Record Date, the Target will ensure that details of the names, Registered Addresses and holdings of Scheme Shares for each Scheme Shareholder, as shown in the Register at the Record Date are available to the Bidder in such form as the Bidder reasonably requires.

7.7 Quotation of Target Shares

The Target must apply to ASX to suspend trading on ASX of the Target Shares with effect from the close of trading on the Effective Date.

7.8 Termination of quotation of Target Shares

On a date after the Implementation Date to be determined by the Bidder, the Target must apply:

- (a) for termination of the official quotation of Target Shares on ASX; and
- (b) to have itself removed from the official list of the ASX.

8. Appointment of the Target as attorney for implementation of Scheme

Each Scheme Shareholder, without the need for any further act by any Scheme Shareholder, irrevocably appoints the Target and each of its directors, officers and secretaries (jointly and each of them severally) as its attorney and agent for the purpose of:

- (a) on and from the Effective Date, executing any document or doing or taking any other act necessary, desirable or expedient, or incidental to give effect to this Scheme and the transactions contemplated by it including (without limitation) executing and delivering any Share Scheme Transfer; and
- (b) on and from the Effective Date, enforcing the Deed Poll against the Bidder, and the Target undertakes in favour of each Scheme Shareholder that it will enforce the Deed Poll against the Bidder on behalf of, and as agent and attorney of, each Scheme Shareholder,

and the Target accepts such appointment. The Target, as attorney and agent of each Scheme Shareholder, may sub-delegate any of its functions, authorities or powers under this clause 8 to all or any of its directors, officers, secretaries or employees (jointly, severally or jointly and severally).

9. Binding effect of Scheme

This Scheme binds the Target and all of the Scheme Shareholders (including those who did not attend the Scheme Meeting to vote on this Scheme, did not vote at the Scheme Meeting, or voted against this Scheme at the Scheme Meeting) and, to the extent of any inconsistency, overrides the constitution of Target.

10. General

10.1 Notices

- (a) If a notice, transfer, transmission application, direction or other communication referred to in this Scheme is sent by post to the Target, it will not be taken to be received in the ordinary course of post or on a date and time other than the date and time (if any) on which it is actually received at the Target's registered office or at the office of the Registry.
- (b) The accidental omission to give notice of the Scheme Meeting or the non-receipt of such notice by a Scheme Shareholder will not, unless so ordered by the Court, invalidate the Scheme Meeting or the proceedings of the Scheme Meeting.

10.2 Variations, alterations and conditions

If the Court proposes to approve this Scheme subject to any alterations or conditions:

- (a) the Target may, with the prior written consent of the Bidder, by its counsel or solicitor, consent on behalf of all persons concerned to those variations, alterations or conditions to this Scheme; and
- (b) each Scheme Shareholder agrees to any such variations, alterations or conditions to this Scheme which the Target has consented to in accordance with clause 10.2(a).

10.3 Consent

Each of the Scheme Shareholders consents to Target doing all things necessary or incidental to, or to give effect to, the implementation of this Scheme, whether on behalf of the Scheme Shareholders, Target or otherwise.

10.4 No liability when acting in good faith

Each Scheme Shareholder agrees that neither the Target nor the Bidder, nor any of their respective directors, officers, secretaries or employees, will be liable for anything done or omitted to be done in the performance of this Scheme or the Deed Poll in good faith.

10.5 Stamp duty

The Bidder will:

- (a) pay all stamp duty and any related fines, penalties and interest payable in respect of this Scheme and the Deed Poll, the performance of the Deed Poll, and each transaction effected by or made under this Scheme and the Deed Poll; and
- (b) indemnify each Share Shareholder against any liability arising from failure to comply with clause 10.5(a),

subject to and in accordance with clause 7 of the Deed Poll.

10.6 Further action

The Target must do all things and execute all documents reasonably necessary to give full effect to this Scheme and the transactions contemplated by it.

11. Governing law

11.1 Governing law and jurisdiction

- (a) The law in force in Victoria governs this document. The parties submit to the non-exclusive jurisdiction of the courts of Victoria, Australia.
- (b) The parties irrevocably submit to the non-exclusive jurisdiction of courts exercising jurisdiction in Victoria and courts of appeal from them in respect of any proceedings arising out of or in connection with this Scheme. The parties irrevocably waive any objection to the venue of any legal process in these courts on the basis that the process has been brought in an inconvenient forum.
